Senator W. Earle Withgott, of Easton, President of the Tri-State Packers Association, has completed all arrangements for the annual meeting to take place next week at the Benjamin Franklin Hotel in Philadelphia.

"TIPSTERS" ON THE JOB

Watch your mail for "tipster sheets," offering to advise on the kind of stocks to purchase and wanting subscriptions to market bulletins. They are most ingeniously prepared and would seek to lead you to believe that the publishers predicted rises in certain stocks long before they came. And if you will subscribe now and send your cash, at a reduced special price they will send you the names and brief outline of two neglected stocks selling below value—information on "two high-grade industrials which we believe are due for a sharp advance, and one low-priced issue that looks good to us for more than 100 per cent advance." Looks enticing, doesn't it? Yet it is in following just such people as these that the millions of dollars of hard-earned money is taken from the savings of people and put into the pocket of the sharper.

The present wild orgy of speculation in the stock market is calculated to instill dreams of "easy money" among certain classes of our people who are inclined to take a chance. Nor is the lure of speculation confined to the so-called radical element; time and again it has been proven locally that citizens proverbially close and tight have been induced to part with large portions of a life time's savings for beautifully designed stock certificates scarcely worth the paper on which they were printed.

A little flier in the stock market matters not at allt o the wealthy who are able to stand a loss if the break goes against them. The loss of a few hundred dollars on the other hand by one of the modest means may be the opening of the road that leads to poverty and pain. Before you invest, think of the safety in banks at afair per cent rather than the great risk taken in some unknown stock promising a high return. Safety first is a good motto.

CHAMBER TO ACT AS CLEARING HOUSE FOR DATES

It has been suggested by one of the members of the Kent County Chamber of Commerce, Mr. Fred. G. Usilton, that the Chamber become a clearing house for dates throughout the County in order to avoid the numerous conflicts which so often occur and which are likely to cripple whatever affairs are being held on a certain date.

The Chamber will be very glad to act in this capacity and will keep a calendar where each date as it is sent in will be posted. Every organization in the County is invited to take advantage of this opportunity. There has been such confusion heretofore regarding the holding of sales, church suppers, bakes, entertainments, dinners, etc., that it is believed that the Chamber of Commerce can render an efficient and valuable service to the community by establishing such a calendar. All that is necessary would be for any person or organization to mail a postal card to the office, briefly outlining their date and program or advise by telephone, giving the same information. This, when received, will be entered on the calendar so inquiries following, relative to a proposed date, can be answered accordingly.

DEATHS

Mrs. Jennie Haggerty, wife of Richard Haggerty, of Kennedyville, died Sunday last at the Wilmington Hospital, aged 51 years. She is survived by her husband and one daughter, Mrs. Gerald Myers; also two brothers, Harvey Meredith, of Washington, D. C., and Harry Meredith, of Baltimore. Funeral services were held Wednesday, conducted by the Rev. Dr. Walter Stone; interment in Chester Cemetery. The pallbearers were Robert R. Hill, Harper Carter, William Lipscomb, Robert Kennedy, Howard Clendaniel and D. Webster Hill, with undertaker J. H. Tobin, of Millington, in charge.

Barney Decorse died at his home in Baltimore Wednesday evening after a long illness, aged 78. He was a bachelor and a native of Quaker Neck. J. P. Decorse, of Chestertown, is his only brother. This is the third brother who has passed away during the past year. The funeral took place in Baltimore Friday.

The engrossing topic of American conservation is not politics—it is how many more payments have we to make?

WHAT IS AN AIRPORT?

An airport is to a community what the Chester river wharf was to Chestertown. In a few years travel by air will be as common as by boat or train. Chetsertown citizens see the future and are preparing for it. Wise men, sure.

IN MEMORIAM

In memory of my dear father, Enoch Clough, who departed this life one year December 17, 1927.

There's a chair that is vacant for one long year
That once was filled by my father dear.
But God took him from me and left me alone,
To battle the world until
He calls me home.
I miss him as much as if it were today.
That God called him up in Heaven to stay,
My heart is so sad I am lonely distressed,
But I know dear Father, you are at rest,
You are free from all trouble, sorrow and pain,
And I'll try to bear it till we meet again.

Sadly missed by his loving daughter,
Janie Godman.
