Shakespeare, the greatest individual writer of all time, should be read every day. A young man who reads all of Shakespeare has the basis for a liberal education. "There is not a useless sentence in all that he wrote and he touched every passion, every science, every mood of the human mind."

SAWS By Viola Brothers Shore FOR THE GOOSE—YOU don't get everything you want in this world any more than you want everything you get.

pick-up is that quality in the new improved "Standard" Gasoline which fairly lifts your car... up and over the hills... past the dawdling traffic lines... pick-up is swift and certain with the improved "Standard," because it is a richer, more volatile gas.

ALTHOUGH the new improved "Standard" Gasoline is almost magical in this quality of quick pick-up, it is equally good on every other count in motor performance. With its range of boiling points carefully attuned, it fires swiftly, on the split-second. It is a powerful gas, too. Buckling to the heavy loads cheerfully and willingly.

HERMAN SCHURCH who holds the North Carolina state record for dirt track speed along with Ray Keech, famous racing driver, uses "Standard" improved Gasoline.

WHEN you fill up with the improved "Standard" Gasoline, you get something more than the best gasoline on the market. Everywhere at the big red "Standard" pumps you will find "service with a smile."

QUICK PICK-UP calls for an increased ratio of gas-air, suddenly sucked through the carburetor into the firing chamber. It is at this crucial moment when acceleration must be instant, swift, and flexible that the improved "Standard" proves itself.
