

CHURCH NOTES AROUND KENT

CHRIST FOR ALL—ALL FOR CHRIST
The Word of God
By word is lamp unto my feet, and a light unto my path.—Psalm 119: 105

How Ye Shall Know Them. Matthew 7: 16-20. Jesus said: Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? 17. Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. 18. A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. 19. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. 20. Wherefore by their fruits ye shall know them.

ST. JAMES M. P. CHURCH
J. Lee Marker, Minister

Membership Committee, Miss Cornelia Davis.
Orphanage Chairman, Mrs. Mary Pennington.

KENT NEWS \$1.50 PER YEAR

WESTERN MARYLAND COLLEGE
With June and school commencement the problem arises in the minds of many graduates as to the selection of a college. An advertisement calling attention to Western Maryland College in this issue of our paper may help in this problem.

Western Maryland College is primarily a college for this locality. Its curriculum is planned to meet the needs of graduates of our secondary schools, its courses, consequently, acting as a continuation of earlier work without any seeming break in the work or major changes being necessary.

In building its curriculum in this manner it has now been possible to maintain those standards that are necessary for all high grade colleges, a fact brought out by its being classed as a Standard A college by the standardizing agencies. In addition to these good points, its beautiful location in the highlands of Maryland, its fine equipment in buildings and grounds, its high grade faculty makes it an attractive place to get a higher education.

The college offers a wide election in courses leading to the degrees of Bachelor of Arts. Courses may be elected which prepare for the schools of law, medicine, and engineering, and which admit to the best professional schools. A four year course in Home Economics leading to a degree is offered. Students may also

elect a course in education, the completion of which secures a certificate of the State Board of Education enabling the holder to teach in the high schools of this and other states. In addition to the regular courses offered, here are supplementary courses in Music and Speech. A regular unit of the Reserve Officer's Training Corps is established at the college, the Government supplying the teachers of Military Science and Tactics and uniforms and equipment. During the year just ended Western Maryland ranked high among the schools of the Corps Area in this department.

We commend Western Maryland College to our readers who may be considering sending their sons and daughters away to college. The college opens Tuesday, September 19th, for its 63rd year. Students are advised to register in advance.

Francis—Maybe that's because it is you who are asking them.
Obce—Joe is a self-made man, is he not?
Sax—Yes, except for the alterations made by his wife and mother-in-law.

"Maybe Scotch spinners are the result of fathers who refuse to give the bride away."

CHESTERTOWN M. E. CHURCH
Rev. J. Harry Wright, Pastor.
10 a. m. Church School.
The regular morning worship will not be held in the church, because of the baccalaureate service at Washington College. The congregation and friends of the church are invited to participate in this service. President Paul E. Titsworth will deliver the baccalaureate sermon.

There will be no Epworth League meeting and no evening worship service in the church, because of the Commencement exercises for the Chestertown High School, to be held in Emmanuel Episcopal Church at 7:30 p. m. The Rev. Charles L. Atwater, rector, will deliver the sermon to the graduating class. The congregation and friends of the church are cordially invited to participate in this service.

A vesper service at 8:15 will be held in William Smith Hall. The sermon will be delivered by Clarence True Wilson, Secretary of the Board of Temperance, Prohibition and Public Morals. Special music will be presented by the college orchestra. The congregation and friends of the church are invited to this service.

Monday evening, 7:30, meeting of the official board, at the church and every member of the board is urged to attend this meeting. Several items of importance will be discussed. Wednesday evening, 7:30, prayer and praise service in charge of the pastor, who will discuss the parable of "The Two Foundations." Come out and share your favorite hymn with us.

1268 acres would make a big farm

At Milford, Michigan, 1268 acres have been made—not into a farm—but into a Proving Ground for automobiles.

Long before your General Motors car is built, specimen models are sent to the Proving Ground. This fleet is tested in actual use. It has to meet every bad driving condition, from heart-breaking hills to slambang bumps.

But that isn't all. Other cars of American and European manufacture are bought and put through the same tests, so that General Motors always knows how its products compare with others.

The tests involve speed, power, endurance, braking, riding comfort, handling ease, fuel, oil and tire economy, body strength—every phase of car construction and performance.

When the specimen cars are finally able to meet every test, they are sent back to the factory. The car you buy is made exactly like them.

The next time you examine a General Motors car in your dealer's showroom, think of those 1268 acres. They would make a big farm. But they make a better promise of proved car value.

"A car for every purse and purpose"
