SEIZURE OF BIG STILL IN KENT

The largest still ever to be seized in Kent county, was taken at 6 A. M. Thursday in a raid in the vicinity of Lankford Bay, about 6 miles southwest of here by a party of six men including Mayor E. Scott Thompson, John T. Vickers, of Kent county; Magistrate Olin B. Stafford, Deputy Sheriff Elwood Whaland, Deputy William White, all of this town.

Although there was a gun fight between the alleged bootleggers and the authorities, only two of the men were captured, while a third went into the dense woods and disappeared before he could be apprehended. The men arrested gave their names as Arthur Edford, of Laurel Fort, Va., and Bandie Pucket, of Port Deposit, Md. They said the missing man was Rannel Swain, of Tennessee.

The still, which contained 600 gallons of mash and several bottles of illicit liquor, was too large to be moved and was left where the authorities found it. It was dismantled some time later in the day and brought to the Kent county jail, where the two men were taken following the raid. The federal authorities at Baltimore were notified, and the men turned over to them. A 25 calibre revolver was found on Edford when he was taken into custody.

Authorities learned that the alleged bootleggers lived near Centreville, about 16 miles east of here, and that they had been coming to the still during the night. Early Wednesday evening the raiding party went to the woods, and all through the night kept guard with drawn pistols awaiting the appearance of the men. They finally showed up at about 6 A. M. Thursday. A search continues for the other man.

The still was located on the Ben Beck farm between Lankford and St. Paul's Church. The tenants on the farm disclaim any knowledge of the still. At least 200 persons visited the scene of the raid and got a good whiff of the mash.

TO GIVE TOYS TO THE NEEDY

Because of the pressing need for aid to needy families and to children of this town and Kent county during the present Winter and at Christmas the annual custom of a group of children here to send toys to Wilmington, in care of Chief William J. Lutz, of the Bureau of Fire, for remodeling and distribution by skilled firemen to poor children of that ciy, will be abandoned this year and Chestertown children will be urged to give their old toys to the poor of their own community at Christmas.

For three years a group of children have saved up their toys for months before Yuletide and sent them up by truck, a few weeks before the annual visit of Santa Claus, to Wilmington firemen to be repaired and sent out through the Associated Charities to the poor children of that city.

Each child received a personal letter from Chief Lutz after Christmas, thanking them and inviting them to visit him at his office whenever they were in Wilmington with their parents. The need for charity in this county is said to be greater this year than for many years past.

RAIDS ON SHEEP

The old question as to the relative value of dog vs. sheep has been emphasized in Kent during the past few months. W. F. Jarrell, who owns a number of farms, has lost many sheep from the ravages of dogs.

William J. French, tenant on the Skirven farm, two miles from here, appeared before the board of Commissioners Tuesday and filed a claim for the loss of thirty-seven out of a flock of fifty-two sheep which had been killed some nights ago by Chestertown dogs.

The same night dogs raided the flock belonging to H. Stockton Startt and killed two and the flock of Bayard Sutton, on the almshouse farm, and killed three and maimed others.

Some time before this a raid was made on the sheepfold of Marion Parsons, three miles from here, and practically every one of a flock of fifty-four was killed or crippled.

One of the farmers who suffered a loss learned that the dog which killed his sheep belonged in Chestertown. He came here following the raid and killed the dog.

It is estimated that more than one hundred sheep have been destroyed by dogs in two months. The Commissioners are required by law to pay farmers $6 for each sheep killed by dogs, the claims being met out of a tax collected on all dogs owned in the county.

Benefit Concert Date Changed To Monday

The benefit concert which is to be given by the Washington College Gleen Club and Orchestra for the purpose of raising funds for spreading Christmas cheer among needy families in Kent county has been postponed from Sunday afternoon until Monday evening, December 15th at 8.00 P. M.

The college organizations very generously offered their assistance to the Kent County Chamber of Commerce which had announced its intention of endeavoring to relieve some of the acute want in Kent.

Louis C. Robinson, Superintendent of Schools, has sent letters to all the white school teachers asking them to report such cases direct to Mrs. Nell C. Westcott, executive secretary of the Chamber.

Food and clothing is being collected at the Chamber and the proceeds of the concert will be used as wisely as possible in those cases where Christmas would have passed by without the joy that is due every child at this season. To delight the hearts of some of the little girls on the list the members of the College Y. W. C. A. are dressing dolls in adorable little frocks.

The public is urged to patronize the concert for which the following interesting and enjoyable program has been prepared:

Eastern Shore Soccer Champions

Chestertown had little trouble in defeating Oxford, 4 to 0, at Oxford Friday afternoon, for the soccer championship of the Eastern Shore.

The winners won the toss and started off with a strong wind in their favor. Two goals were scored in this period, but four more should have been registered, as they were easy shots.

Myers played a fine game at goal for Oxford until about seven minutes before the game ended. The ball went outside the goal, and as Myers tried to block it, Harris, of Chestertown, fell on him. A fight started and soon partisan spectators took up the battle.

Oxford fans engaged in a fist fight, in front of the goal, with Chestertown enthusists, and the thousands or more spectators crowded around until Referee Kelly and William Pitman, of the P. A. L., finally cleared the field.

Myers and Harris were both put out of the game, and play was resumed with ten men on each side.

In the last half, with the wind in their favor, Oxford gave the Chestertown goal keeper something to do. But weight and superior strength was too much against the boys of Oxford, and Chestertown won easily. The field was very sandy and slowed up the players.

The Chestertown team is comprised of Brice, Harris, Hopkins, Williams, Reinharde, Nicholson, Johnson, Rash, Griscoe, Chairs, Brooks.

Today is the big All State championship soccer game at Centreville between Chestertown High School, the champions of the Eastern Shore and Hancock, the champions of the Western Shore. Root for Chestertown.

Big Celebration For Children Is Today

Plans for the annual Christmas treat afforded the children of Kent and Queen Anne's counties have been completed by the committee in charge headed Mr. Conlyn E. Noland.

December 13, this Saturday, will hold three major attractions: At 11 A. M. Santa Claus will arrive in Chestertown and will distribute gifts to every boy and girl who comes to see him in the Public Square. He also wants the children to give him a list of their Christmas wants.

At 2 P. M. a Treasure Hunt will start which will be open to all children up to fourteen years of age. The starting point will be in front of the Eliason Building on High street and contestants are advised to sharpen their wits before entering the chase which will be a long and merry one.

The next event of the day is in the nature of a surprise and is scheduled for 3 P. M. at the Public Square. This feature is a real old-fashioned Punch and Judy Show given by professional talent. It is many years since tho cares and merriment of Punch and Judy have been witnessed in Chestertown.

Between the stated hours the shops of Chestertown will attract young and old for the merchants have done their utmost this year to cater to all tastes and all pocketbooks. December 13th will start the Christmas shopping season off with a bang and will be a day long remembered by big and little folks of the two counties.

TIME EXTENSION BILL INTRODUCED

Private bankers stand ready to finance the building of the Chesapeake Bay bridge, "as soon as market conditions approach anything like normal," Senator Tydings, Democrat, Maryland, stated Thursday that he had been informed.

Senator Tydings made this statement after introducing a bill in the Senate for another extension of time.

Under the bill introduced the Chesapeake Bay Bridge Company would be granted authority to commence construction of the span within one year from April 10 next and requires that the span must be completed by April 10, 1934. The company now has authority to commence construction which expires April 10, 1931.

"All objection on the part of the Federal Government to the building of the bridge has been overcome. If it is built, the War Department has agreed to test its long-range guns at another place than the Aberdeen Proving Ground, thus eliminating the possibility of shells falling within the vicinity of the bridge location.

WEDDING EVENTS ARE PLENTIFUL

One of the most prominent social events of the late Fall season in Kent county, was the marriage at 8 o'clock Satuday evening, of Miss Catherine Dudley Urie, daughter of Dr. and Mrs. James William Urie, of Kennedyville, to James Judson White and the late Mrs. White, of Parksley, Va. The ceremony was performed in Kennedyville M. P. Church by the Rev. J. McLain Brown, the pastor.

The bride was attended by Miss Anna Rasin, of Kennedyville, as maid of honor. George Hope, of Parksley, was the bridegroom's best man. The ushers were James William Urie, Jr. of Kennedyville, and Albert Brown of Wilmington. The ring bearer was Coleman Meister, of Wilmington, and the flower girl was little Miss Katherine Parr, of Baltimore. Mrs. Gerald Myers, of near Kennedyville, played the wedding march and preceding the ceremony, Orrin McCloskey, of Hagerstown, sang several solos.

A reception followed at bride's parents. They will reside in Parksley.

Miss Margaret Btezell, of Philadelphia, and Randolph Rollison, of Bustletown, Pa., were quietly married on December 3rd by the Rev. Mr. Shallop, of Doylestown, Pa. Mr. Rollison is the son of the late Damon Rollison, who was well-known here.

The newly married couple will reside at 1730 Welch road in Bustleton, Pa.

The marriage of Miss Hattie Coleman, daughter of Howard Coleman, of Rock Hall, and Eldridge Glenn, son of M.r and Mrs. Miller Glenn, was solemnized Saturday evening at seven o'clock, December 6th, by the Rev. W. S. Grant at the Rock Hall M. E. parsonage. The bride, charming in a green ensemble, was attended by Mrs. Charles Brady while her husband was best man for the groom.

A small reception was given the couple at the home of the bride's father and step mother and they were presented with quite a number of pretty gifts for the home which will be established shortly. At present they are with the groom's parents.

Frederick Phillips, 3rd, son of Frederick Phillips, of "Manor Farm," Villanova, and Miss Isabelle S. Callahan, of Grosse Point, Mich., who eloped to Chestertown, Md., were married at 2 A. M. Wednesday morning at Kennedyville, Md.

The ceremony was performed by the Rev. J. McLain Grown, pastor of the M. P. Church of that town, after the couple had called him out of bed.

Phillips gave his age as twenty-three, and his bride's as eighteen. They arrived at Chestertown in a taxicab at midnight, and obtained a marriage license. Unable to obtain the service of a clergyman, they went to Kennedyville, eight miles north of Chestertown, on the Elkton highway.

The first stop of the couple was at Elkton, where they were unable to obtain a marriage license because of the lateness of the hour.

A telegram was received here on Monday announcing the marriage of Miss Carrie V. Walters, daughter, of Mrs. Joseph Walters, and Arnold O. Mauritson. The ceremony was performed in Reedville, N. C.
