COMMUNICATION SYSTEM ADDS 25,000 MEXICAN TELEPHONES

North American Continent Brought Closer Together by Interconnection of 21,000,000 Instruments

Emma Peden at the Washington, D. C., foreign service switchboard of the Chesapeake and Potomac Telephone Company establishes a connection to Mexico City.

North Americans are being brought closer together by efficient communication. People of the United States, Canada, Mexico, and those on the Island of Cuba as well, now talk to each other daily. More than 21,000,000 telephones serving these several countries may now be interconnected.

Recently service was extended to the Erickson Telephone System which made approximately 25,000 more telephones in Mexico City and several thousand additional throughout the southern republic available for intercommunication.

On the inauguration of the service citizens of the United States, Canada and Mexico conversed with each other. Theodore G. Miller, vice-president of the American Telephone and Telegraph Company in New York, talked with B. Wahlquist, general manager of the Erickson Company in Mexico City, while Mexican government officials talked with their diplomatic representatives at Washington and officers of a Canadian bank's branch in Mexico City conversed with the Montreal headquarters.

Canada and the United States have been connected by telephone over a long period of years. The people of these two nations, generally speaking the same language, daily exchange business and social communications by telephone.

Telephone connections between Mexico and the United States are maintained over lines of the Mexico Telephone and Telegraph Company of the International Telephone and Telegraph Corporation. This line crosses the Rio Grande into the United States at Laredo, Texas. It was first placed in service in 1927, having been constructed for the purpose used. Previously there was no telephone line connecting Mexico City with the United States. This line and its branches extend from sea level at Tampico on the Gulf of Mexico to a point 7,500 feet above the sea at Mexico City.

The construction of the long distance telephone lines in Mexico, was according to engineers, a most formidable task, built as they were across sage brush, cactus deserts, among snow capped mountains, through precipitous canyons, tropical forests and fruitful plains. The lines were built for the greater part of the way through an area in which there were no roads, which in itself was a great handicap to the telephone line forces.

TREAT YOUR SEED WHEAT with

The Dapple-Gray

By A. J. Dunlap

When the dapple-gray was a "4-yr ole",
And he led the herd with a flying mane,
Then the idle days of the colt were done,
And the hour had come for the trace and rein.
So we 'snubbed 'im up' at the 'snubbing post',
And he fought, red-eyed, for an hour or more,
'Til his will was broke by the hempen rope
And he let us fit the old hackamore.
Then his value rose in the marts of men,
As he learned the law of the trace and rein.
As he drew the plow through the ranks of corn
Or the dusty reaper that cut the grain.
When the world has learned with the dapple-gray
That the power to serve is the mete of worth-
Then the golden age of our dreams will dawn
And a truer freedom will bless the earth.

PROCLAMATION

Proposed Amendments to the Constitution of the State, 1930.

WHEREAS, at the January Session of the General Assembly of Maryland, held in the year 1929, two Acts were passed, to wit: Chapter 133 proposing an amendment to the Constitution of Maryland, title "Treasury Department," to authorize deputies in the Treasury Department to sign checks and warrants; and Chapter 348, proposing an amendment to the Constitution of Maryland, title "Legislative Department," regulating the compensation of the members of both Houses of the General Assembly of Maryland; in words and figures as follows:

CHAPTER 133

AN ACT to propose an amendment to Sections 2 and 3 of Article VI of the Constitution of the State of Maryland, title "Treasury Department," so as to confer upon the Legislature power to authorize deputies, employed in the Treasury Department, to sign, countersign, counter sign and grant warrants, drawal of funds from the State Treasury under regulations prescribed by the Legislature; and providing for the submission of said amendment to the legally qualified voters of the State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, (three-fifths of all of the Members of both of the Houses concurring), That an amendment to Sections 2 and 3 of Article VI of the Constitution of the State of Maryland, title "Treasury Department," be, and the same is hereby proposed, the said amendment, if adopted by the legally qualified voters of the State, as herein provided, to become a part of said Constitution, and the said Sections as amended to read as follows:

2. The Comptroller shall have the general superintendence of the fiscal affairs of the State; he shall digest and prepare plans for the improvement and management of the revenue, and for the support of the public credit; prepare and report estimates of the revenue and expenditures of the State; superintend and enforce the prompt collection of all taxes and revenue; adjust and settle, on terms prescribed by law, with delinquent collectors and receivers of taxes and State revenue; preserve all public accounts; and decide on the forms of keeping and stating accounts. He, or such of his deputies as may be authorized to do so by the Legislature, shall grant, under regulations prescribed by Law, all warrants for money to be paid out of the Treasury, in pursuance of appropriations by law, and countersign all checks drawn by the Treasurer upon any bank or banks in which the moneys of the State, may, from time to time, be deposited. He shall prescribe the formalities of the transfer of stock, or other evidence of the State debt, and countersign the same, without which such evidence shall not be valid; he shall make to the General Assembly full reports of all his proceedings, and of the State of the Treasury Department of each Session; and perform such other duties as shall be prescribed by law.

3. The Treasurer shall receive the moneys of the State, and, until otherwise prescribed by law, deposit them, as soon as received, to the credit of the State, in such bank or banks as he may, from time to time, with the approval of the Governor, select (the said bank or banks giving security, satisfactory to the Governor, for the safekeeping and forthcoming, when required of said deposits), and he or such of his deputies as may be authorized to do so by the Legislature shall disburse the same for the purposes of the State according to law, upon warrants drawn by the Comptroller, or his duly authorized deputy, and on checks countersigned by the Comptroller, or his duly authorized deputy, and not otherwise. The Treasurer or such of his deputies as may be authorized to do so by the Legislature shall take receipts for all moneys paid from the Treasury Department; and receipt for moneys received by him shall be endorsed upon warrants signed by the Comptroller, or such deputy as may be authorized to do so by law, without which warrants, so signed, no acknowledgment of money received into the Treasury shall be valid; and upon warrants issued by the Comptroller, or his duly authorized deputy, the Treasurer shall make arrangements for the payment of the interest of the public debt, and for the purchase thereof, on account of the sinking fund. Every bond, certificate, or other evidence of the debt of the State shall be signed by the Treasurer, and countersigned by the Comptroller; and no new certificate or other evidence intended to replace another shall be issued until the old one shall be delivered to the Treasurer, and authority executed in due form for the transfer of the same filed in his office, and the transfer accordingly made on the books thereof, and the certificate or other evidence cancelled; but the Legislature may make provisions for the loss of certificates, or other evidences of the debt; and may prescribe, by law, the manner in which the Treasurer shall receive and keep the moneys of the State.

Sec. 2. And be it further enacted by the authority aforesaid, That the aforegoing sections, as amended, shall be, at the next General Election to be held on the first Tuesday after the first Monday in November, nineteen hundred and thirty, submitted to the legally qualified voters of the State for adoption or rejection in pursuance of the directions contained in Article XIV of the Constitution of this State, and at said General Election the vote on the proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the following synopsis of said amendment, under the caption of:

"CONSTITUTIONAL AMENDMENT AMENDING SECTIONS 2 AND 3 OF ARTICLE VI."

"This amendment confers upon the Legislature power to authorize deputies, employed in the Treasury Department, to sign, countersign and grant warrants and to sign, countersign and issue checks for the withdrawal of funds from the Treasury of the State under regulations prescribed by the Legislature."

Approved: April 2, 1929.

CHAPTER 348

AN ACT to propose an amendment to Section 15 of Article 3 of the Constitution of the State of Maryland, title "Legislative Department," regulating the compensation of the members of both Houses of the General Assembly of Maryland, and to provide for the submission of said amendment to the qualified voters of the State of Maryland for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland (three-fifths of all the members of each of the two Houses concurring), That the following be and the same is hereby proposed as an amendment to Section 15 of Article 3 of the Constitution of the State of Maryland, title, "Legislative Department," the same, if adopted by the legally qualified voters of the State, as herein provided to become Section 15 of Article 3 of the Constitution of the State of Maryland.

15. The General Assembly may continue its session so long as in its judgment the public interest may require, for a period not longer than ninety days; and each member thereof shall receive a compensation of fifteen dollars per diem for every day he shall attend the session, but not for such days as he may be absent, unless absent on account of sickness or by leave of the House of which he is a member; and he shall also receive such mileage as may be allowed by law, not exceeding twenty cents per mile; and the presiding officer of each House shall receive an additional compensation of ten dollars per day. When the General Assembly shall be convened by Proclamation of the Governor, the session shall not continue longer than thirty days, and in such case the compensation shall be the same as herein prescribed.
