## NOTABLE VISIT TO THE KITTY KNIGHT HOUSE

Margaret Quimby, Screen Actress and J. Irving Walsh, New York, realtor, while motoring to Chestertown, to be married, were so delighted with the Kitty Knight House and the surroundings that they arranged for and had an informal wedding breakfast after being married in Chestertown. They were accompanied by a few of their immediate friends.

News of the marriage of Miss Quimby and Mr. Walsh was very startling to Broadway and Hollywood, as it was most unexpected.

Miss Quimby stated that the Kitty Knight House was one of the most attractive and unique places she had ever visited during her many travels as a screen actress.

Mr. Walsh being a broadway realtor was also delighted with the Shore in general and predicted a general boom in realestate in this section in the near future.

**For Inventive Minds**
Now that miniature golf courses are the rage, why don't we have?

Lilliputian baseball games with mothballs in lieu of the regulation horsehide?

Tom Thumb bowling alleys, using marbles for bowling balls?

Miniature quoits , tossing corn plasters instead of horseshoes

"Well, my stomach is upset, so I eat my meals backwards."—Pathfinder.

## OBITUARY

In sad but loving remembrance of my dear son and brother, Carroll Hogans, who was killed March 10th, 1930.

No one knows how much I miss him,
No one knows the bitter pain
I have suffered since I lost him,
Life has never been the same,
He left behind him broken hearts
That loved him so sincere
That never did or never will
Forget his smiles and sheer.
Devoted Mother.
His smiling way and pleasant face
Are a pleasure to recall,
He had a kindly word for each
And died beloved by all.
Brothers and Sister.

MIST-LIKE DROPS

WHEN cod-liver oil is *emulsified* it is broken up into myriads of mist-like drops quite as Nature provides the butter-fat in milk. That is why

SCOTT'S EMULSION

more than fifty years ago won world-wide recognition as cod-liver oil in a form that people could take and enjoy.

*When you need cod-liver oil, take Scott's Emulsion. It's easy to take—digests readily.*
