DRAWBRIDGE TO OPERATE

The application by the Maryland State Roads Commission for the elimination of draw service at the highway bridge over the Sassafras river at Georgetown, Md., has been unfavorably considered by the district engineer. Owners of vessels are, by law, entitled to have the draw of the bridge opened at any time, day or night, for the passage of their vessels provided vertical clearanee of the unopened draw does not permit passage. Owners of vessels for whom the draw is not opened within ten minutes of the sounding of signal for opening (three blasts of whistle or horn) should report circumstances to Lieutenant-Col. Warren T. Hannum district engineer, Custom House, Baltimore, Md.

DEATHS

Funeral services were held Monday at St. John's Catholic Church, Rock Hall, for Mrs. Anna Maria Smyth Willson, widow of Wilfred M. Willson, and daughter of John Charles Willson and Ann Elizabeth Brooke. Mrs. Willson, who had been in failing health for some time, would have reached the venerable age of eighty years in a short time. She was of a kindly, gentle nature and much beloved by all who knew her. Her family has always been prominent in the State since its first settlement and she numbered among her ancestors Governor Leonard Calvert, Giles Brent, Robert Brooke, Captain Henry Hill, Honorable Thomas Smyth, Bedingfield Hands, Major James Ringgold, and a host of others whose meritorius deeds are indelibly stamped on its history. She leaves three children, Miss Elizabeth Brooke Willson and John C. Willson, at home, and Chas. B. Willson, of Cambridge, Md. Interment was made in the cemetery adjoining the church. The bearers were Carroll Willson, Neale Willson, DeCourcy Brenan, William Camp, Dr. Nobert C. Nitsch and Bennett Willson.

GALENA SCHOOL NOTES

Galena school opened on September 8th with the same faculty and an enrollment of 74 in the high school and 101 in the elementary.

We began our work with more promptness and efficiency than ever before. Assignments were made the first day and scheduled periods and lessons were begun on Tuesday.

The schedule runs with more regularity this year because we have had to make no provision for Industrial Arts up until Christmas. After the holidays, the schedule will be revised, for the Industrial Arts Course will then be taken up and continued every day in the week for the rest of the year. Heretofore we have had the work only two day a week, but for the entire school year. The course is required for the eight and ninth grades but elective for the tenth and eleventh.

On Friday afternoon of the first week we reorganized the Athletic Association with the following officers:

President, Helen Caulk.
V. President, Katherine Hyland.
Treasurer, Alice Cruickshank.
Secretary, Aaron Welch.

The boys decided to organize two soccer teams for games within the school. They voted against entering a team in the County League because there are so few large boys in the school. E. Thomas Massey, Jr., was elected captain of the first soccer team.

TOMATOES STOLEN

Farmers in sections of the county report that quantities of their picked tomatoes are being stolen from their fields. Arnold Willis, living near Locust Grove, reports that a late afternoon's picking was taken one night last week.

Julian Jones, living two miles from Chestertown, reports the loss of 20 baskets from the rear of his land, while several other growers have been treated likewise. Tomatoes on the open market are bringing from 25 to 35 cents a basket, which is believed to be the motive for the thefts.

DISTRICT MEETING

At the quarterly meeting of the Centreville District of the Foreign Missionary Society of the Maryland Conference of the Methodist Protestant Church which was held in Christ Methodist Protestant Church here on Tuesday, Federalsburg was unanimously selected as the place for holding the December meeting of the society. Mrs. Thomas O. Crouse, of Denton, president of the Centreville District, appointed a committee to nominate officers at the December meeting. The Rev. Paul Warner, missionary from Japan on furlough, was the speaker at the afternoon meeting. A duet was rendered by Mrs. J. H. Sides and J. H. Thompson which was enjoyed. Mrs. G. H. Cannan made the address of welcome and Mrs. L. G. Brown gave a review of the study book on missions. Delegates from Cecil, Kent, Queen Anne's, Caroline, Talbot and Dorchester counties which comprise the district, attended.

MILK PRICES ARE UP; PRODUCTION WAY DOWN

Announcement that the August price of 4 per cent class 2 milk will be at least 28 cents a gallon is good news for dairymen who happen to have any extra milk to ship. Under present production conditions, however, a large percentage of farmers are not making their regular average. This situation only goes to show how much more quickly Mother Nature can cure a surplus condition than can price fixing bodies. With hundreds of cows being slaughtered because of feed shortage, the drop below production anticipated a year ago may possibly remain for some time.

The old plan of fixing Fall averages will again be followed this season.—Bel Air Aegis.

REPRESENTS MARYLAND AT THE EXPOSITION

Norman Sutton, son of Mr. and Mrs. Bayard Sutton, is at Camp Vail, the 4-H Club Section of the Great Eastern States Exposition at Springfield, Mass.

Young Sutton is one of a small group selected by State Leader "Daddy Jenks" to represent the State of Maryland at this big gathering of Club Folk. Norman is to be congratulated. He is not only representing Kent County and Maryland, but is benefiting personally from his associations, his observations, and experiences. Rubbing shoulders with high minded boys and girls from many States and Canada is a worthwhile experience. He will bring back to Kent Club members much of encouragement and inspiration.

A meeting of the County W. C. T. U. was held on Wednesday afternoon at the home of Mrs. Wm. G. Smyth. Mrs. Wm. T. Brown was elected delegate to the State W. C. T. U. Convention which will be held at Easton on October 8, 9 and 10. Mrs. Fred. G. Usilton was elected alternate.
