DEMOCRATIC PRIMARY

There was a little more than fifty per cent of the total registered Democratic vote polled Monday. This was considered fine when the lack of interest of people generally was considered. The winners are to be congratulated upon their fine showing and proves the confidence in which they are held. The losers are also to be congratulated upon their willingnes sto abide by the decision of the primary and to fall in line for the success of the Democratic ticket in November.

For treasurer, Wm. H. McKee received 731 votes and Harvey B Moore 577, but they together did not get more than H. S. Startt whose total was 1601..

For sheriff the two Carters ran a close vote, Charles received 351 and George 416. Their mother was in a quandry as to how to vote and finally remained at home. The father does not state how he voted. Edgar M Clark surprised the opposition by rolling up 578 votes. All of these, with Mr. Townsend, did not equal by over 100, the vote of Robert E. Lee with 1515.

The commissioner contest was certainly interesting and speaks for itself. Harry Stavely received a splendid vote while Johnson and Faucett also made a good showing. They had three hard men to fight. Loller, Wilson and Wood are a strong trio and their votes show it.

All had a fine day and now that the sky is cleared a pull alltogether for the success of the Democratic ticket from top to bottom should be the ambition of all.

A petition to the Town Commissioners asking for an ordinance against the commercializing of the golf game in Chestertown on Sunday is the method by which this innovation may be corrected. It is up to the citizens.

AVENUE IMPROVEMENT

Field, Baker and Underwood, of Philadelphia, who were awarded the contract for building three-foot concrete shoulders on each side of Washington avenue, one of the main arteries of the town, have begun work of grading and will begin laying the concrete about the first part of the week. The work of buiding a three-foot shoulder on one side of the State road from Chestertown beyond Kennedyville, a distance of 10.38 miles will be pushed during the early Fa and will make a much needed improvement to the State highway leading from Wilmington to Chestertown.

The contractors played havoc with gas and water pipes when they started work Monday. They did not give notice to anyone and residents along the Avenue were considerably inconvenienced. The effort of residents to finish beautifying the Avenue with curb and gutter will likely have to wait until means is provided by a bond issue.

Throughout teh entire State the situation in regard to hog cholera has been most gratifying this summer. While much damage has been done by the unfavorable weather, very little loss has been sustained from the scourge which annually takes such a heavy toll of hogs in this country.

The Chestertown Volunteer Fire Company Band under the direction of Bandmaster C. Arthur Bacon was awarded third prize of $50 at a band contest held at Milford, Del.

We place at the head of the NEWS editorial column the Democratic candidates for various offices in State and county. As a result of the primaries held Monday the names here in mentioned will represent the Democratic Party and should merit the vote of every one of the 4389 registered Democrats.

The primary was a clearing house of all differences. It was fairly conducted and every candidate given equal chance for favors. The people spoke in no uncertain way and the nominees come thru the ballot with majorities so large that all should bow to the result.

The NEWS congratulates Capt. Wm. H. Cooper and his People's ticket in the vote received. They must feel complimented.

There is no reason why the Democrats should not poll a splendid majority for this ticket in November and the NEWS so predicts. There is however, work to do and the first effort will be to see that every Democrat is registered or transferred so as to vote November 4th.
