RADIO AUDITION TO HOLD CONTEST

The following young men and women from this section of the Eastern Shore have signified their intention of entering the Atwater-Kent Radio Audition Contest to be held in the New Theatre in Easton on Sunday, September 14, at 3.00 P. M. From Cambridge—Joseph Bennett, Applegarth and Wm. V. Vane; from St. Michaels — Raymon Jump; Denton—Thomas Hardcastle Baynard; Federalsburg — Frances Hackett; Chestertown—Vernon Corey, Raymond Moffett, Janet Atwater, Theodosia Chapman, Emily Jewell, Mrs. Eugenia W. King, Lyndon Hess, and from Easton —Emily Garey.

This audition will climax the campaign that has been in progress thruout the summer to find the best young man and woman singer in this locality Winners in the local tests will compete in Baltimore in October, as the Maryland State Audition, when the best boy and girl singer, respectively, will be selected to represent the State at a district contest to be held in November. At that time the winners from all northeastern Atlantic and Middle Atlantic States will compete in an audition at which the two singers to represent this district as national finalists will be selected. The ten finalists—two from each of five district—will share $25,000 in cash awards and ten music scholarships given by the Atwater Kent Foundation, sponsor of the Audition.

KENT JUDGING TEAM FOURTH

In a thrilling contest among fifteen (15) Teams from as many Counties the Kent 4-H Dairy Judging Team won fourth place. It was universally agreed that competition is increasingly keen in this State-wide contes. The Team Edwin McCrea of Rock Hall Albert Nicholson and Norman Sutton of near Chestertown with Walter Rees and William Carroll as alternates, did well. McCrea stood seventh among the individual contestants. Nicholson was ninth.

In the new event, "Demonstration Team Contest", Kent came in second Walter Rees and William Carroll represented Kent. It will be recalled that Kent was first in the preliminary contest held in connection with Club Week at College Park. The final contestants were Kent, Frederick and Baltimore Teams, with different judges and with revised Teams there was much speculation among spectators at the contest as to which Team would be chosen. Each Team had many this type of contest, experienced judges are scarce, and therefore outcomes are uncertain. All Teams did splendidly and were highly complimented by Daddy Jenks and "Uncle Jerry". Baltimore was declared winner in this contest as in the Dairy Judging Contest. Fine sportsmanship prevailed and all 4-H'ers extended hearly congratulations to the victors.

The State Team will compete at the National Dairy Show in St.Louis next month. The six high scoring individuals two from Baltimore, two from Harford, and two from Frederick counties will receive further training an the four making best records during their training period will go to St. Louis. Edwin McCrea, in his first appearance missed being among the group by a mere ten (10) points, which indicates the keenness of the competition.

In the Guernsey 4-H Club classes, William Carroll won 3rd with a heifer raised from his original Club Calf This is fine work considering the high priced calves against which Bills calf was competing.

The results of the other Kent entries were not known when this was written since the judging had no been done.

Kent was well represented by the following boys, who gained valuable experience and training n handling and showing stock, and thru their associations with many other 4-H Club Members, Extension Agents, and leaders, Walter and Dale Rees, William and Herschel Carroll, Frank and Clarence Sutton, Edwin McCrea, John Dixon, Jesse Hurd, Robert Fogwell, Ringold Wilson, Albert Nicholson, Wilbur Morris, and among the older Club Members were Stanley Sutton, Albert Sutton, Walter Morris.

County Agents McVean and King are naturally much pleased with the fine showing made. They desire to thank all who aided in making the outcome so successful, especially the parents of the boys and Stanley Sutton, Walter Morris and Wilbur Morris who helped coach the boys.

Mr. and Mrs. William F. Leaverton have purchased of Mrs. Lillian Stevens her elegant bungalow at Fairlee. While the price has not been made public it is reported as $4,000. The new owners will occupy it at once and Mr. Woodall, present tenant, will remove to town.

WASHINGTON AVE TO BE WIDER

Work will start next week on widening the road from Chestertown t Harmony Corner which will be a great addition to the Eastern Shore boulevard.

The widening will include a three foot shoulder from the arch on Washington Ave., corner of Washington Ave. and Maple Ave., on both sides of the road to Kennedyville and then a three foot shoulder on the east side of the road from Kennedyville to Harmony Corner.

The cost of widening this stretch of road comes from the maintenance proportion of the gasoline tax. The work will be under the direction of Mr. Rolph Townshend, District Engineer, State Roads Commission.

The Board of Town Commissioners have called a meeting to be attended by taxpayers of Washington avenue to decide whether or not a curb and gutter will be constructed the length of the street so far as Washington College, following the proposed widening of the concrete boulevard three feet on each side, by the State Roads Commission.

MAN DROWNED AT TOLCHESTER

The body of William H. Winkleman, vice-president of the Home Fertilizer Company, of Baltimore, was found washed ashore on Page Gale's place Monday afternoon. Sheriff J. Thomas Hadaway ordered an investigation.

Mr. Winkleman, who was 65, and lived at 3715 Nortonia Road, Baltimore, left his home for a fishing trip at Tolchester. When he had not returned his family became alarmed and ordered a search for him.

William Downey, who lives here noticed a boat several hundred yards from shore, and on investigation found clothing in the boat containing the name of Winkleman.

Dr. Harry L. Dodd, of Chestertown, coroner, gave a verdict of accidental drowning. He said Mr. Winkleman apparently had been swimming and was taken ill, or that he had suffered from a heat stroke and fallen from the boat.

Mr. Winkleman is survived by his wife Mrs. Anna A. Winkleman; two daughters, Mrs. Donald H. Wilson and Mrs. J. M. McFee, both of the city, and a son, Louis A. Winkleman, Maplewood, N. J.

Funeral services were held Tuesday afternoon at the home of Mrs. Wilson, in Baltimore, with burial in Loudon Park Cemetery.

Colonial Brown and brother are natives of Chestertown.

BRINGS SUIT FOR $90,000

Alleging that their honesty, business integrity and reputation have been challenged by alleged libelous statements incorporated in a political pamphlet this week sent through the United States Mails to several thousand Queen Anne's county citizens The Centreville Observer Publishing Company and Centreville Record Publishing Company this week filed suits aggregating $90,000 in the Circuit Court for Queen Anne's county.

Wm. Mason Shehan, of Easton, and Richard T. Earle, of Centreville, as attorneys for the two newspapers, on Tuesday filed the suit against J. Grant Yates, political agent of the People's Democratic Organization, Christopher Thomas and the group of candidates affiliated with this faction.

Each paper has filed one suit for $15,000 against Christopher S. Thomas one suit for $15,000 against J Grant Yates, political agent, and one suit for $15,000 against the collective group of candidates whose names appeared on the phamphlet.

The allegation of the newspapers is that they have been libeled by the distribution of a pamphlet setting forth certain false, misleading and inaccurate statements to the effect that they charge the county $500 for an advertising service which they will sell to any individual for $50.

FIRE ALARMS FREQUENT

Three fire alarms sounded within five hours Monday afternoon and evening kept the Chestertown Volunteer Fire Company busy.

The first alarm was turned in at 3 in the afternoon from the farm of Samuel J. Comly, near Locust Grove, 12 miles distant, where a fire of unknown origin started in a pig pen close to the large barns and other outbuildings. The firemen prevented the spread of the flames to the outbuildings.

At 7 a second alarm was received from Middleton Grove, a Summer colony near Tolchester, where a forest fire which had been burning since last Thursday was making its way dangerously near the bungalows. No damage was done.

Scarcely had the firemen returned here when a third alarm was received from the farm of Hague Fogwell, of near Kennedyville, on B. Howard Haman's farm, where a bolt of lightning during a storm fired a large strawstack in the barnyard. The firemen extinguished the blaze before it reached the large outbuildings.

The Fire Company was called out at 6 P. M. Thursday to a woods fire in Still Pond Neck near the fine home of Dr. Paul R. Smith. Water was pumped from the Bay and the fire extinguished.

HORSEMEN'S PARADE

The parade of horsemen last Friday evening was an added attraction of the Firemen's Carnival and proved quite an interesting event.

Thirty horses from Kent and Queen Anne's counties ridden by men, women and children, paraded before the judges, Walter T. Bramble, Thomas Toulson and John Moffett, who awarded 1st prize, $7 in gold, to Miss Alberta Brice, of Kent county, in the ladies' class, who rode her thoroughbred jumper, Blazes.

In the men's class Wilbur R. Hubbard, of Chestertown, who rode his show horse, Bobby, which recently celebrated its 21st birthday, captured first prize, $7 in gold: Harry Nicols astride his thoroughbred, Lady Jane was awarded the $5 gold piece for second prize, while Arthur Burris captured $2.50, the third prize for men riders, with his jumper, Magic Spark Plug, impersonated by a young son of Mr. and Mrs. Leonard C. Needles, won the consolation prize. Edmund Hurtt, of Locust Grove, was marshal of the parade and the Fire Company Band, under the direction of Gandmaster C. Arthur Bacon, furnished music.

A fire alarm caused the parade to end in confusion coming just at the close.

$8,000 Gross Carnival Receipts

No evidence of drought at the Firemen's Carnival which closed Tuesday night in Chestertown with reciepts of $8,000 and net profits of perhaps $4,000.

The drawing of the prizes held the crowd to a late hour. Bradford C. Hirons, of Chestertown, was the holder of the lucky ticket on the Dodge automobile; R. B. Debnan, of Rock Hall, was awarded the speed boat; C. Elmer Newsome, of Chestertown, won the radio; J. Weldon Walbert received the desk, and David B. Kendall, of Chestertown. was awarded the chair. It was the third year in succession that Mr. Kendall has been a winner of one of the major prizes.

One saving in expenses that the local firemen brought about was in rain insurance. More than $400 was kept in the coffers of the Chestertown organization when the continued drought made it possible for the passing up of the premium on the rain insurance.

When a light shower halted the festivities on Monday evening it was decided to postpone the closing until Tuesday. On Tuesday an airplane, piloted by Arthur Harris and carrying as a passenger Wm. Blakeney, a member of the Chestertown company, soared over surrounding towns in Maryland and Delaware and dropped circulars announcing the postponement of the closing of the fete.

The conduct was perfect while the co-operation of the public could not have been better. President A. L. Sparks and his co-workers are to be congratulated upon the success of festival.

DR. TITSWORTH ARRIVES HOME

Dr. Paul E. Titsworth, President of Washington College, arrived home on Thursday. He has spent the past two months traveling in Europe and has enjoyed a most pleasant trip. We hope to get him to write of his experiences for the KENT NEWS readers later.

PUBLIC SCHOOLS OPEN MONDAY

The public schools of Kent will reopen Monday, September 8th. A teachers' conference was held here yesterday.

Miss Geraldine Fietz, of Thurmont, Md., a graduate of Washington College in the Class of 1929, has been named teacher in the Commercial department of the Chestertiwn High School by the County Board of Education. Miss Fietz takes the place of H. B. Bauernfiend, who was appointed to the position two weeks ago but failed to execute contract.

Miss Grace Strickland, secretary to Superintendent L. C. Robinson, has been granted a year's leave of absence to pursue a course of study at Drexel Institute. Miss Catherine Smith, daughter of Dr. and Mrs. Frank W. Smith, of Fairlee, was named to fill the position during the absence of Miss Strickland.

The Board of Education voted to pass an order for liability insurance in the event of accidents to school children being transported in busses.

Nearly a dozen graduates of the department of education at Washington College last June are without teaching position this year. It is believed by authorities that a period of over-production in the teaching profession is being faced on the Peninsula and throughout Maryland. A number of local college graduates have tried in vain for several months to secure high school positions in Delaware and Maryland, it is said.

Homer Larrimore, of this county, has leased his large ducking shore on Eastern Neck Island to the Grey's Inn Point Ducking Club for the coming season. This will give the Grey's Inn Point Club two of the largest and best ducking shores on Chester river and the Chesapeake Bay for the shooting season which will open November 1. The Grey's Inn Point Club is composed of prominent Wilmington, Baltimore, and Kent county sportsmen.

Miniature golf uptown will open today. Another course is being built in the Voshell House yard. A. S. Turner, Jr., says he expects to construct one on his Maple avenue lot.

Local buyers yesterday were paying 30, 35 and 38 cents for tomatoes.
