Everybody welcome.

HOWARD TURNER, Prop.
BETTERTON CASINO AND PLEASURE PIER.

RAIN IS WELCOME

A drizzling rain started falling Friday morning. Nothing could be more welcome. It is just what is needed for all growing crops, pasture, etc.

In 1822 there was but two small showers within six months, from February to September.

The mercury took a decided tumble Sunday night and the temperature since has been very pleasant. But the long hot dry spell has caused much damage here, and it is growing worse with each dry day. Our local conditions, however, cannot be compared to many other sections of the State while in many other States the drought has caused a serious condition with acute suffering Government agencies are busy with relief measures. A slight rainfall Thursday night.

FARMERS' DAY AT TOLCHESTER

Secretary-treasurer Jas. D. Davis, Jr. of the Kent County Farm Bureau, is arranging the program for the annual Farmer's Day and picnic which is to be held at Tolchester Beach on Thursday, August 21.

The morning will be devoted to a discussion of important farm topics by speakers from the county and State Extension service, while athleticsports will feature the afternoon program including a tug of war, hog calling contest, and the annual horseshoe pitching contest among teams from the county towns.

CARD OF THANKS

We wish to thank the Chestertown Volunteer Fire Company and other friends who came to our assistance last Tuesday when our house was destroyed by fire. Geo. W. Wheat.1t

Millington Boy Killed In Auto

Carlton Wallen, 22, son of Norman A. Wallen, of Millington, was injured fatally when the automobile of Carl Crossley, a friend, of Clayton, Del., with whom he was taking a motor trip through New Jersey, overturned at Rainbow Lake, between Bridgtton and Vineland, Tuesday.

He was taken to a hospital in Vineland, where he died shortly after the accident. The body was taken to the home of his parents in Millington, where funeral services were conducted Thursday by the Rev. Mr. Nelson, pastor of Asbury M. E. Church, assisted by the Rev. R. L. Tawes, of Ridgely. A large crowd attended the funeral. The bearers were Paul Bowman, Willard Porter, Hanson Horsey, Thomas Stevens, John Edwards and Richard Comegys, all of whom were school mates.

Young Wallen was graduated from the Millington High School in the class of 19.9 and of Thompson's Business School in Wilmington and was employed in that city by the Reynolds Tobacco Company.

For the past six years he has been the organist of Asbury M. E. Church and altho he has lived in Wilmington for the past two years he has seldom missed playing for both services on Sunday. He was faithful, cheerful and courteous and was loved by all who knew him for his thoughfulness and consideration of others.

LOCAL BOAT WINS RACE

THREE BOATS CAPSIZE IN FRIDAY RACES

The occupants of three boats in the free-for-all race of the ninth annual regatta of the Miles River Yacht at St. Michaels, had a narrow escape from drowning Friday when the craft capsized on the return.

The race proved the most exciting and interesting of all the events. The boats got off to a good start, and sailed smoothly, until the return trip. For a time it was feared that the occupants of the three boats were doomed for drowning, but they were finally rescued and the boats taken ashore, with little damage resulting. Between 8,000 and 10,000 persons were present.

The boats in the mishap were the Gob owned by P. S. Moyer, of the Chestertown Yacht Club; Island, owned by K. S. Kamp, president of the Board of Education, and the Merry Rider owned and sailed by Commodore William H. Green, of the Yacht Club.

The first race sailed a course of two miles. Nine boats were entered, and eventually, owned by Jas. Labbery was the winner. Hoodoo, owned by Wm. B. Matthtws, came in second, and Maybe, owned by Charles Stevens, of Ixford, was third. The time for this race was 49' minutes, five seconds.

The next race sailed over a course of seven miles. There were also nine entries in this race, although only one boat sailed to the finish. The time required for the race was one hour eight minutes 43 seconds.

A course of five miles was sailed in the third race. Seven were entered and two finished, Marconi, wined by Miss Elizabeth French of Claiborne, being the winner and the Codbug, owned by Alice Cockey, coming in second. The time for the race was 29 minutes, 23 seconds.

The last race, the free-for-all, was open to any kind of boat, and a total of 12 entries sailed in the race. This was sailed over a ten-mile course and was won by Vint Croix, owned by the Johnson Brothers, of Easton. The second boat in the race was Magic, owned by Bob Wilson, of Tunis Mills. The Powder, owned by John J. Raskob, Jr., of Wilmington, came in third. These boats just crossed the finish line when the other boats capsized.

The Mayflower in command of Capt. Howard Strong made a fine race and was well up front at the finish as was also Capt. Evans' Island Blossom.

R. H. ROGERS WINS RACE ON SATURDAY

The "Yo-Yo" owned by R. Hynson Rogers, of the Chester River Yacht Club won the sneak box race with four competitors.

The Island Blossom came in first in the log canoes, but on account of time allowance of five minutes lost first honors by a few seconds.

Kent citizens daily see autos from nearly every place. On Tuesday an auto from Juneau, Alaska, was at the garage of A. S. Turner & Son, Chestertown.

COLLEGE STUDENT DIES OF THROAT TROUBLE

Edward Webb, aged 20 years, son of Mr. and Mrs. Clarence Webb, of Cecilton, Md., died at the home of his brother, Frank R. Webb, of 705 Philadelphia Pike, Wednesday, Aug. 6, 1930.

The funeral was held from the home of his parents, Mr. and Mrs. Clarence Webb, near Cecilton, Friday afternoon, at 2 o'clock, Rev. Mr. Thawley, of Cecilton, and Rev. J. T. Rowlenson, of Phoebus, a cousin, officiating. Burial was at Still Pond Md. During the services a choir composed of members of St. Paul's M. E. Church at Cecilton, sang.

The pall bearers were Edgar Price, Omar Boulden, Howard Manlove and Frederick Wolfe, all of Cecilton, Wilson Pierce, of Media, Pa., and Andrew Mack, of Philadelphia.

Young Webb, who had been ill with an abcessed throat underwent an operation for removal of his tonsils at Dr. Jones' Private Hospital. Poison later developed and resulted in his death. The young man had just completed his freshman year at University of Delaware and was to return in the fall for his sophomore year.

He was a graduate of Charlotte Hall Military School, St. Mary's County, Md. While there he was a member of the baseball, football, basketball, track team and rifle teams, having earned his letter in each sport as well as a monogram in football. When he was in the University of Delaware he played on the second squad of football and baseball teams.

He was a splendid specimen of young manhood, six feet two inches tall and weighing 207 pounds. When word of his death reached his many friends they were greatly shocked.

While he was at Charlotte Hall School he was a First Lieutenant and Adjutant on Sentinel Staff, president of Washington-Stonewall Literary Society, vice-president of Monogram Club. He is survived by his parents and three brothers, Frank R. Webb, of 705 Philadelphia Pike; James P. Webb, of Wilmington, and Clarence Webb, Jr., near Cecilton.

TWO BURNED ;ONE KILLED

Improvement was noted in the Emergency hospital in Easton Wednesday in the condition of two persons who were injured in an automobile accident near Church Hill on Tuesday night. Two persons met death in March near the same spot.

Carl Nichols, 25, of Bridgeville, Del., driver of the car, suffered broken legs and internal injuries and died Wednesday night. He was also burned about the body when his automobile caught fire after turning over. The car was completely burned. The three were on the front seat.

Miss Ruth Blake, of East New Market was burned about the body and suffered a broken right arm, while Miss Kathryn Potts, of Church Hill, a graduate nurse of the Emergency Hospital, suffered from serious cuts. She also was bruised.

Nichols and the two women were returning from a carnival at Church Hill when the car in which they were riding left the road and turned over in a ditch in making a sharp curve. The car caught fire immediately.

Clarence Spant of Easton, extricated the two women from the burning car and passing automobiles took them to Easton. Nichols was later removed from the debris and, with the two others was admitted to the Emergency Hospital.

THINK IT'S DRY NOW?
REALLY WAS IN 1838

A telegram from Circleville, O., says "A musty diary of the Rev. Joseph A. Roof reveals a really "dry spell," almost a century ago.

"From June 13, 1838, to May, 1840, not sufficient rain fell to moisten the earth two inches," he wrote.

" When promising drizzling began they stopped almost abruptly and the entire dry spell lasted 21 months. All vegetation failed and most of the streams dried up in their beds."

COLORED NURSE HONORED

Marjorie Forte, colored State Public Health Nurse for Kent County, has returned from Freeman Hospital, Washington, D. C., where she underwent an operation for appendicitis. She will be present in Detroit at the awarding of the cups by the National Negro Health Week Committee where she will receive the award for the greatest achievement for rural communities in the United States.

Anne Arundel County won the rural award last year and it was with much gratification locally and in the State that the news of Kent's winning was received.

KENT COUNTY FOREST FIRES

One of the most serious woods fire known in Kent started on the farm of J. Page Gale last week and has spread over miles of woods between Tolchester and Rock Hall.

After seriously threatening the farm dwelling and property of Owen Clark the fire was partially brought under control by the help of Rock Hall's Fire Company.

It is estimated that approximately 400 acres have been burned over and that considerable valuable timber, including much white oak, has been consumed.

Spreading to the hay stacks of Owen Clark, the blaze was diverted by the Rock Hall Volunteer Fire Co., which was called by farmers fighting the fire.

Ditches were dug around part of the burning area and dynamite was brought into play to remove trees from the path of the advancing flames.

Heavy columns of smoke have retarded efforts of the fire fighters, while the entire swampy region between Tolchester and Swan Creek on the Chesapeake Bay front has been burned over.

The blaze in the long woods near the water front still was advancing but with less intensity. A score of large trees burning near the county highway leading to Swan Creek were cut down by employes of the State Roads Commission as they were about to fall across the highway.

The situation became so serious on Saturday that an appeal was sent to State Forester Beasley in Baltimore, who sent a force of men to the scene.

Middleton's Grove a summer colony one and a half miles from Tolchester was at one time threatened. Long trenches were dug to stem the fire by farmers and property owners, and while farm properties are in no immediate danger it is feared that if the fire should reach a number of nearby dry wheat stubble fields it may do serious damage. Chestertown and Rock Hall fire companies are standing in readiness in case the fire which is filling the countryside with dense smoke gets beyond the control of the large force of men now fighting it. Superintendent Frank Wheatley of Tolchester reported that at a late hour the fire was still raging, but there is no immediate danger of the resort catching fire.

A fire along the public road near the Wickes farm, near Chestertown, required the services of firemen on Wednesday night.

A blaze in a stubble field and woods on Worton Point was fought by a crew of men from the farm of J. D. Maxwell and was held under control.

40 CENTS FOR TOMATOES

Capt. William H. Cooper opened the market at Chestertown Wharf by paying 40 cents per basket for tomatoes not contracted for, and 27½ cts. for 350 acres of contract tomatoes..

The Amora, Capt. Charles Batchelor, was loaded this week and left for Baltimore yesterday.

C. W. Kibler and Sons loaded a vessel this week also at their Cannon st. wharf.

Thecrop at this time is cut at least one-half and if rain does not fall in a short time the cut will be greater.

Baldwin's cannery started yesterday with local help. Outside help will arrive next week.

The Kennedyville cannery started on sugar corn this week. There are 1,000 acres planted this season and a fair yeild is promised.

ROTARY GOVERNOR VISITS LOCAL CLUB

Governor Arthur Winter, of Altoona, recently elected at Hagerstown as head of the 34th district of Rotarian clubs, made a visit Monday evening to the Chestertown club and was met by a perfect attendance of all the members who were in the town—one being out of town.

Governor Winter made a splendid talk on Rotarian principles and duties and he made a fine impression. The Governor has so arranged his itinerary as to visit each club on the night of their regular weekly meeting. Heretofore, the governors have not regarded the club's schedules and has frequenty caused postponements to fit in with his convenience. The new plan is a most commendable one.

He was accompanied to Chestertown by his wife and they were guests of A. Sidney Turner and wife on Water street.

The local club was notified that a French flag had been sent to us in return for an American flag that had been given to a Paris club on the visit of Dr. Titsworth to that club.

Coming Events

Wednesday, Aug. 20—Horse Show, Chestertown.
Thursday, Aug. 21 — Firemen's Carnival, Chestertown.
Thursday, Aug. 21 — Farmer's Picnic, Tolchester.
August 18th, to Aug. 24th,—Church Army at I. U.
Friday, August 22 and 23—Yacht Races.
Tuesday, September 2nd—Registration Day.
Monday, September 8th—Primary Election Day.

Big Regatta Here Next Week-End

All arrangements for the several boat races have been completed.

Officials of the Chester River Yacht and Country Club, in charge of the annual regatta, have named the following members of the club to the reception committee:

Mr. and Mrs. Morris Keene Barroll, Mr. and Mrs. James G. Beck, Dr. and Mrs. E. J. Clarke, Wm. S. Collins, Dr. and Mrs. George H. Dana, Mr. and Mrs. E. Bonwill Dukes, Mr. and Mrs. John K. Flick, Mr. and Mrs. David B. Ford, Mr. and Mrs. W. Ringgold Strong.

Dr. and Mrs. H. C. Hughes, Mr and Mrs. W. W. Hubbard, Mr. and Mrs. J. B. Metcalfe, Wilbur R. Hubbard, Mr. and Mrs. Donald F. Stam, Mr. and Mrs. Wilbur J. Stenger, Mr. and Mrs. Rolph Townshend and Mr. and Mrs. Thomas W. Perkins.

DEFER BUILDING OF HOSPITAL

A public meeting was held in the Court House at Chestertown Thursday evening to consider building the hospital. The sense of the meeting was expressed in a series of resolutions which advised caution rather than haste in going ahead with the erection of the building.

As stated last week the figures submitted by contractors were $20,000 above amount estimated and the committee called a public meeting to get instructions. The meeting advised postponement of building and left the whole affair in the good judgment of the committee.

Of the total amount of subscriptions pledged for the hospital, amounting to about $38,000, the treasurer, W. B. Copper, reported close to $28,000 collected, with expenditures amounting to about $6,000. This includes the cost of the site, leaving a balance in hand of slightly more than $21,000 with which to erect the building.

The General Committee in whose hands the building rests is composed of Mrs. Nora C. Maxwell, Mrs. John H. Clendaniel, Rev. John White, Howard Turner, Wm. G. Smyth, W. I. Walker, W. B. Copper, E. Scott Thompson, Fred S. Russell, Eben F. Perkins, A. L. Sparks and H. H. Hartman.

FIREMEN'S FESTIVAL

The Community Festival of the Chestertown Volunteer Fire Company will open Thursday night, Aug. 21st, and continue until September 1st. The first night will be known as Boy Scout Night. Scout Troops, Camp Fire Girls and Girl Scouts, from all sections of the Del-Mar-Va Peninsula will participate in a parade. Following the parade three members of the Chestertown troop, Medford Brooks, James Anthony and Billy Dixon will be awarded gold medals by the Chestertown firemen for their feats in saving the lives of two children who were on the verge of drowning. The presentations will be made by Rev. Charles L. Atwater, Chaplain of the local fire company and formerly scoutmaster of the Chestertown troop.

A new feature of the festival this year will be American Legion Night on August 26. Bugle and Drum Corps from Legion Posts in Maryland, Delaware, Pennsylvania and New Jersey have accepted invitations to participate for prizes of $150 in gold. As an added feature Harlan Johnson State Commander of American Legion forces, will be present and award the prizes to the winners after they have been selected by a local committee.

Wednesday, August 27, will be parade night. The parade of firemen, their equipment and bands, in connection with the annaul fete staged here has ever been one of the largest held on the Peninsula. Prizes aggregating $100 in gold will be awarded winning contestants.
