DemocraticMeeting

NEAR GALENA

At the Home of

THOS. C. CRUIKSHANK

Tuesday, August, 12, 1930

At 7.30 P. M.

All Democrats both ladies and gentlemen are invited to this meeting.

THE HARMONY TICKET

The KENT NEWS during the past month has advertised in its column every candidate on the Democratic Harmony Ticket. This paper also has acquainted the people with the various steps taken in the naming of this ticket and in all matters pertaining to its formation the Public have been invited. As a result the Democracy of Kent will come out of the Primary September 8th with a ticket which will be a credit to the party and one which will command the support of every true Democrat as well as independents.

The Democratic Harmony Ticket headed by Gov. Ritchie in the State and Senator Beck in the county stands as one chosen and given formal endorsement by the people themselves. Quite a few of them have official records upon which to base an idea of their qualifications and competency. All of them are known in their respective communities as men of integrity, good judgment and sound ability. They are true to every Democratic principal and all fought for the election of Gov. Al. Smith and his mates.

We believe the candidates on the Harmony Ticket reflect the sound judgment and earnest wish of the rank and file of the people. They are motivated by a sincere desire to give valuable public service. Kent county needs these men because of their familiarity with the county's business; because of their experience in handling the affairs of the people and because of their ability to discharge the numerous important functions of government.

Let's all rally about this SPLENDID ticket and give them a rousing vote September 8th.

REMEMBER THE FINAL GOAL

In any campaign where there are many active candidates as in the present Democratic primary it is inevitable that things should get a little "warm," thus creating a possibility that some aspirants might lose sight of the fact that the ultimate goal is to elect a full Democratic ticket in November. Everyone expects each candidate to promote his own campaign to the limit, but in so doing he must be careful to say or do nothing which will prove detrimental to the party later.

The next few weeks will be crucial ones for individual candidates and perhaps for the party too if a misstep is made. Let everyone remember that the ultimate aim is to win in November. Avoid personalities, fight cleanly, gentlemen, win the nomination but not at your party's expense and there will be nothing to fear in the general election.

SECOND DISTRICT MEETING

A largely attended meeting of Democrats in the county in the interest of the harmony ticket which has been agreed upon by both factions of the party was held on the lawn of James Groves, near Kennedyville. Former State Conservation Commissioner Harrison W. Vickers, county chairman, presided, and short addresses were made by Senator Beck, who is a candidate for re-election, Ex-Senator W. B. Copper, State's Attorney Stephen R. Collins, who is a candidate for re-election; H. Stockton Startt, candidate for County Treasurer; Charles D. Wood and Samuel C. Loller, candidates for County Commissioner; Judge James H. Groves, of the Orphans' Court bench, and a number of district leaders. Each of the speakers heartily indorsed the harmony movement as a means of cementing the party forces for victory in November, and the presence of a large number of women voters at the meeting indicated that all elements of the voters are behind the Democratic ticket this year. Another meeting will be held in the vicinity of Galena at the home of Thomas C. Cruikshank next Tuesday evening, August 12. All Democrats are invited.

A Mule Can't

Maybe you'll get the same sort of a "kick" out of the following that we did:

A mule Can't Pull When He Kicks.
And He Can't Kick When He Pulls.
Neither Can You, Or I.
