Amateur Hero — I pulled a big politician out of the surf here last year. I thought he was done for till I got a barrel to roll him on.

Life Guard—Yeh? And did it do the work?

Amateur Hero—I'll say it did. As soon as he saw the barrel he jumped up on it and began to make a speech.

Sudlersville Group of Churches

The Sudlersville Group of Churches held its regular monthly social at Millington on Friday evening. The program was in charge of Miss Ethel Jones assisted by the girls of Miss Bottomley's Sunday school class. The company was divided into four groups: the roses, the violets, the lilacs and the tulips. The tulips proved to be the superior flower as proven by their quickness in thought and motion. But all the flowers enjoyed themselves very much and are looking forward to gathering again at Bridgetown in June and at Locust Grove in July.

The week-day schools of religion are bringing their year's work to a close. The Millington Primary class invited their parents to "sing and pray" with them, as the children expressed it at one of their regular class sessions recently. The Galena school closes this week with a closing service on Sunday evening, the 25th, at the M. E. Church. The Sudlersville school closes next week with a service in the community hall on Wednesday evening, May 28th. These services are centering around the thought "Thy Kingdom" and are built upon the work of the year. The public is invited to come and join with the children in these closing worship services.

As the week-day schools come to a close, pastors and teachers are turning their attention to the Summer program thru which the churches hope to carry their message to the children of this community. Sunday Schools and Daily Vacation Bible Schools are the chief agencies to be used, but every effort possible will be made to reach, thru other means, children who cannot secure transportation to such schools.

NOTICE TO DOG OWNERS

All dogs caught on Violet Grove Farm without owners with them will be killed as I have lost sheep enough by worthless dogs. Reginald P. Dulin. -t*

Ralph Freeman, 29-year-old Negro, accused of the murder of Azariah Butler, colored, near Fairlee last week, has been held without bail for action of the Grand Jury of the October term of the Kent County Circuit Court by Magistrate Olin B. Stafford before whom a preliminary hearing was held.

For Better Planting and Bigger Profits

"A machine that does the work of thirty men —and does it better," said one grower who uses the NEW IDEA Transplanter.

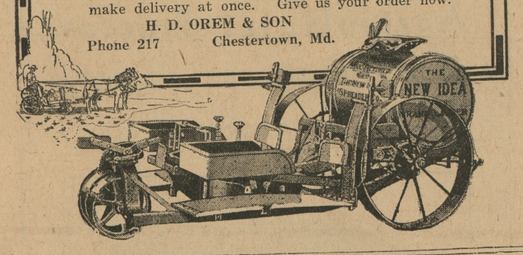

Every plant is set at the right depth—Which is maintained uniformly throughout the field—Each plant is watered at the time of setting—The soil is packed firmly about the roots —Growth is uniform—Crops mature earlier than when set by other methods and the resulting production is greater and of higher quality.

The NEW IDEA Transplanter is adjustable to practically all planting conditions and satisfactorially handles any transplantable crop.

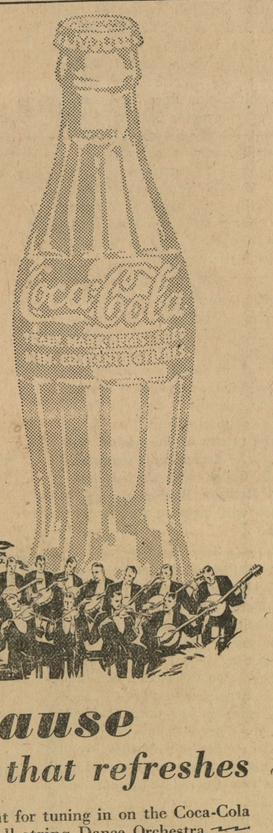

Let us show you this real machine that will save you money in planting costs and make you money by increasing production.

We have received a car load of NEW IDEAS latest model transplanters and are in a position to make delivery at once. Give us your order now.

Drink Coca-Cola Delicious and Refreshing

Tingling Dance Music

and the **Pause** *that refreshes*

Tonight's the night for tuning in on the Coca-Cola thirty-one piece, all-string Dance Orchestra. Lively dance music. Every bar a tingling invitation. Also Grantland Rice, famous sports feature writer, continues his unusual interviews with topnotchers in all popular sports.

At home—between dances—that's the place and the time when an ice-cold bottle of Coca-Cola will do you the most good. A regular cheer-leader with its happy sparkle and delicious flavor. And again, just as you find it every day, its pure, wholesome refreshment packs a big rest into a little minute that gets you off to a fresh start.

CROSLEY ICYBALL REFRIGERATOR

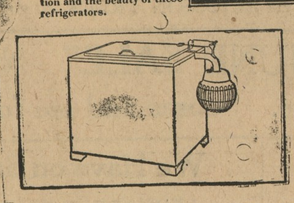

PROTECT YOUR HEALTH - SAVE FOOD

THE Crosley Iceball Refrigerator provides effective refrigeration at an extremely low cost.

The Crosley Iceball Refrigerator does not require electricity for its operation. All that is required is a regulated heating of the Iceball unit each day, for approximately the space of one hour and one-half. Gas may be used, or an oil stove to cook the unit. The result of this cooking is a clean dry cold lasting until the next day.

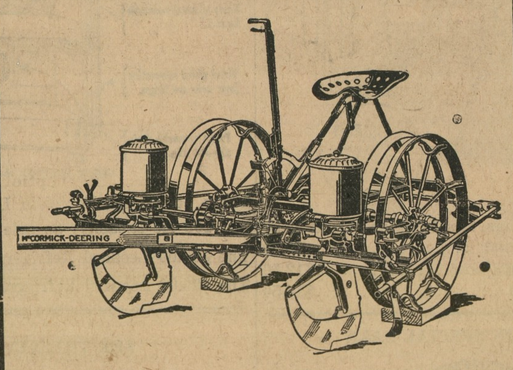

We have the Crosley Iceball Refrigerator on display in our store. Come in and be convinced of the real value, simplicity of operation and the beauty of these refrigerators.
