Splendid Concert In Chestertown

The Kent County Musical Society scored another big success in the presentation of their Spring Concert at Washington College Monday evening. The audience was appreciative and demonstrated it by their enthusiastic applause. The artist, Miss Helen Jepson, was attractive in personality, graceful in demeanor and with a voice that was exquisitely sweet and melodious.

In addition to Miss Jepson's singing, the Musical Society, under the skilled eye of Mrs. Cleveland S. Smith as director, presented a pleasing program of good music. The Washington College double quartette sang two selections in their characteristic fine manner.

The closing number, "I Hear America Singing," was full of life and showed the big chorus off to decided advantage. A short dance by young girls under the direction of Miss Doris Bell was a part of a pretty song entitled "Roses, Roses Everywhere."

Misses Louise Russell and Mildred Covey were the accompanists.

The young ladies of the local church served fine meals to about 60 visitors.

"Reds" Moffett's Washingtonians gave a 1930 concert in William Smith Hall Thursday night which was enjoyed by a fine audience.

Lambs were quoted this week at $7.50 and $8.00 by local buyers.

Read M. P. Brooks' advertisement. It will be of special interest to farmers.

SPORT EVENTS PAST WEEK

After defeating Galena High School in the first game of the scholastic elimination series in Kent county, Chestertown High School was overwhelmed Tuesday on its home diamond, 11 to 3, by Galena's flingers after Wallace, hurling for the locals, had walked four men in the first frame and one in the second.

The first Washington College lacrosse victory was gained last Saturday afternoon when Chief Beatty's charges won over the Swarthmore Junior Varsity 7 to 1. Although the opposition was not of the highest order the Washington twelve showed more stuff than it had put forth in other games this season and virtually swept the Little Quakers off their feet.

Coach Kibler, with the Washington College base ball team, are playing several games this week-end away from home.

Kennedyville triumphed over Galena last Saturday in one of the opening tilts of the Chesapeake League. The two Kent County teams met before a capacity crowd at Galena and the home towners were forced to take the short end of a 4 to 2 count when the Kennedyville sluggers massed their attack in the sixth to send four runs across.

Galena, champions of the loop last season, began the scoring in the fourth when Bill Johnson walked and scored on F. Coleman's three-bagger.

In the sixth H. Crew, for Kennedyville, was safe on Woodall's error. Smith fanned and Grant singled. Tobin struck out and then Archibald doubled sending Crew and Grant across. Hurlock hit a smashing drive to right which bounded past Coleman for a home run and sent Archibald across ahead of the emulator of Ruth.

Galena tallied its second run in the eighth. J. Johnson singled, Kennedy fanned and J. Johnson was forced out at second by Woodall, who went to third on Crew's wild throw to first. W. Johnson's double counting Woodall, who went to third on Crew's wild throw to first. W. Johnson' double counting Woodall to end Galena's scoring.

The fielding of Archibald and Hurlock was the feature of the play for Kennedyville while Kennedy and Bill Johnson carried off the major honors for Galena.

The first hard crabs of the season caught in Chester river were on sale in Chestertown market sSaturday and found sale at 30 cents a dozen. KENT ROAD DAY CELEBRATION

The program for the celebration of Road Day has been completed and it is hoped all Kent Countians and Eastern Shoremen, as well as people from al over Maryland, will get together at Chestertown on May 26 and make this the greatest celebration Kent has ever known.

Various organizations will have booths at convenient points on the Washington College Athletic Field and in the town where sandwiches, coffee and other light refreshments may be purchased. The town restaurants and tea-rooms are making preparation to care for part of the assembly who may be interested in more substantial food at mid-day. It is hoped by the County Commissioners, Chamber of Commerce and those other organizations who are aiding in fostering this event that the day will be made a royal picnic day for all friends of Kent County.

The program of events is as follows:

10.30 A. M. Assembly of guests on Court House green. Placards will indicate where various groups will gather such as County Commissioners, Highway Engineers and other professional groups. An information booth will be manned to answer questions and guide the guests to their appointed places.

At 11.00 A. M the tour of inspection covering about twelve miles of Kent's roads will take place. The chosen route will give an opportunity to all those who are interested to view the types of roads used here.

At 1.00 P. M. luncheon will be served to the guests of honor at Washington College Gymnasium. The address by Governor Albert C. Ritchie will begin at 2.00 P. M. at the College Athletic Field and will be followed by brief talks by other guests. The Chetsertown Band wil add to the entertainment of the day.

WINS ESSAY

Miss Elizabeth Francis, a popular and attractive graduate of Rock Hall High School, is the winner of the Eastern Shore Historical Essay for Kent County. Miss Francis will represent Kent county at the home of the Maryland Historical Society in Baltimore, May 21st, and receive a prize of twenty dollars in gold.

TWO-DAY OLD BABY IN CHESTER RIVER

While gathering drift wood around the shore on the farm of W. Irving Walker, near Chestertown, William L. Needles found the body of a two-day old infant which had been brought in by the tide, Thursday afternoon. A jury was impanelled which rendered the verdict that "an unknown infant had come to its death from some unknown cause and then had been thrown overboard."

Dr. W. H. Fisher, who was physician to the coroner, testified that the child had been dead when placed in the water. James Anderson, of Church Hill, was foreman of the jury.

Officers have been able to learn nothing concerning the identity of the parents of the infant. It was wrapped in an old towel and faded blanket, with no identification marks.

CENTREVILLE BOY WINNING HONORS

To J. Frank Harper, Jr., son of Public Service Commissioner and Mrs. J. Frank Harper, of Centreville, goes the distinction of being one of the best riflemen among the 1800 midshipmen at the U. S. Coaches at the Naval Academy regard Midshipman Harper as one of the finest and most promising young riflemen at the institution.
