SATURDAY, MAY 17, 1930

A man who lives right and is right has more power by his silence than another has by his words.—Phillips Brooks.

According to the report of the U. S. Department of Agriculture for the month of April, Kent county was free of hog cholera for the second consecutive month this year, notwithstanding the fact that there were 22 outbreaks of the disease in other counties of the State. Wicomico on the Eastern Shore led the State with ten outbreaks, while Prince George's on the Western Shore was a close second with six cases.

GETTING RENEWALS

Walter W. Simms of the Christopher (Ill.) Progress is credited with being the author of the following unique and effective letter soliciting renewal of subscriptions:

"A few days ago we sent a letter to ten of our most valuable readers reminding them that their subscriptions were in arrears and gently hinting that an early remittance would be appreciated.

"Five of them promptly paid up One replied that he would pay "next week" but he died the following Saturday. Another said he would pay "the next time he saw us." He went blind. And yet another telephoned that he would "run down and pay some time." He has rheumatism now and can't even walk. The ninth said he would "see us in h—— first." He got religion that night and will not be able to keep the appointment.

We have not heard from the tenth one yet, and the tenth one happened to be you. We have not taken your name off the list as yet because it seems "sorter" natural to see it there. We have been pretty good sports to leave it there all this time. Won't you be an equally good sport and see that it stays "put"? We are sure you will. Let us hear from you."

NATIONAL HISTORICAL SOCIETIES TO MEET AT DOVER

The Historical Societies of the M. P., M. E., South, and the M. E. Churches of the United States, have united in the Association of Methodist Historical Societies. This Association will meet in Wesley M. E. Church, Dover, Del., May 21st and 22. 1930.

The meetng opens at 1.30 P. M., Standard Time, on Wednesday, May 21st, in a business section at which time committees will be appointed, officers elected, reports received, etc. After the business is transacted, a local Pilgrimage to points of historical interest will be enjoyed by the visitors.

At 6.00 P. M., a banquet will be served by the ladies of Wesley Church. Judge Conrad, a historian greatly beloved by all Peninsula folks, Dr. H. K. Carroll, a national figure who is an authority on Church statistics and Methodist history, Mrs. A. B. Bibbins, the best versed woman on Methodist history there is in America and Rev. E. C. Hallman, President of the Wilmington Conference Historical Society will each speak at the banquet. A charge of one dollar opens the banquet to all.

SORE THROATS AND COUGHS

QUICKLY RELIEVED BY THIS SAFE PRESCRIPTION

Here's a doctor's prescription that is really throat insurance. Sore or irritated throats are relieved and soothed almost instantly with the very first swallow. About 90 per cent of all coughs are caused by an irritated throat; consequently for most coughs too there is nothing better than this famous prescription—it goes direct to the internal cause. It is put up under the name Thoxine and is guaranteed to stop coughs and relieve sore throats in 15 minutes or your money will be refunded. Singers and speakers find Thoxine very valuable.

The remarkable thing about Thoxine is that while it relieves almost instantly, it contains nothing harmful, is pleasant tasting and safe for the whole family. Ask for Thoxine 35c., 60c., and $1.00 bottles. Sold by Coulson's and all other good drug stores.

YOUR TRACTOR and the Case Power-Control Disk Harrow make an unbeatable combination when it comes to doing clean, fast, profitable work.

Especially designed for tractor use, the Case takes its power for angling and straightening directly from the disks. It is rope controlled from the tractor seat while "on the go".

This allows you to angle and straighten the gangs as often as desired without extra work or lost time. It leaves the headlands level and in fine condition for planting.

Every part is built strong to stand the unyielding pull of the tractor. The low hitch of both front and rear gangs insures ample penetration. Draft bars pull directly upon strong, well lubricated, dust-proof bearings.

A fine implement that takes the hard work out of harrowing and makes power farming still more profitable.

See this Case Tractor Disk Harrow today. We're here to give you the best possible service—always.
