**KENNEDYVILLE M. P. CHURCH**
J. McLain Brown, Pastor.

The Kennedyville Church and pastor had a most interesting and busy day Easter Sunday.

Twenty-seven children knelt at the altar of the church to dedicate their young lives unto their risen Lord.

Thirty-four men were present at the Men's Bible Class in the Public School Auditorium and listened to a fine address by the president of the class, Wm. T. Hague.

The pastor received eighteen persons into church fellowship. At the evening service the young people rendered the pageant the "Call of the Cross" to a packed house of delighted people. The offering for the day was $50 for the Board of Missions, and to reach a climax the pastor married ten couples hailing from New Jersey, Pennsylvania, Delaware and Maryland. The last couple held him up for the evening service, after which he called it a "day" and retired with pleasant dreams.

The Mite Society of Grace Presbyterian Church met at the home of Mr. and Mrs. Harry Hill on Wednesday evening with a good attendance. After the business meeting literary program consisting of music, readings and recitations was enjoyed after which refreshments were served. Mrs. Webb and Mrs. Groves invited the Society to meet with them in May. It was decided to have an egg hunt on Monday afternoon for the young folks and older ones of the Mite Society who cared to join in the hunt.

**IN MEMORIAM**

In memory of my dear wife Lula A. Goodwin, who passed from this life one year ago April 23, 1929.
The world may change each year,
And friends change each day,
But never will the one I loved
From memory pass away.
Though you are gone forever,
To the other shore beyond,
May I meet your smiling face
When God calls me home.
—By Husband.

I miss you,
Dear mother how we
We often call your name,
We miss the pretty singing,
We miss your loving face.
We miss you dear mother,
We mill you every place.
—By Loving Sons.

At the annual congregational meeting of Emmanuel Protestant Episcopal Parsih Monday night the following vestrymen were elected: Herbert T. Hartman, Stephen R. Collins, Wilbur Ross Hubbard, Charles C. Scheiber, Rolph Townshend, Donald F. Stam, R. Hynson Rogers and David B. Ford.

The members and friends of the Asbury M. E. Church gave their new pastor and wife, Rev. and Mrs. Roland H. Nelson, a fine reception at the parsonage last Wednesday evening.

## Children Like this Safe Prescription

COUGHS AND SORE THROAT RELIEVED ALMOST INSTANTLY

Stop children's coughs and sore throats before these ailments lead to dangerous ills. Thoxine, a doctor's prescription, now assures relief within 15 minutes to children as well as adults without the danger in the use of patent medicines containing harmful drugs.

Thoxine works on a different principle, goes direct to the source of trouble and relieves the irritation which causes the coughing and sore throat. Ideal for children because it is safe and does not have the usual "nasty-medicine" taste. No gargling. Just ask for Thoxine, put ready for use, in 35c, 60c and $1.00 bottles. Sold by Toulson's and all other good drug stores. Advt.

## A GREAT DISCOVERY

MORE than half a century ago, the discovery was made that *emulsification* helped make cod-liver oil easier to take and digest. It was the adaptation of this principle in

## SCOTT'S EMULSION

that has made possible the widespread use and realization of the health-giving benefits of cod-liver oil.

*Where there is need for cod-liver oil—Scott's Emulsion will serve that need adequately and pleasantly.*

## Plow with the Farmall!

THE McCormick-Deering Farmall offers the row-crop farmer a wonderful advantage. With this sturdy, 4-cylinder, 2-plow tractor on the farm you can put all of your work behind you quickly with power—from the first tillage job in spring to the last belt job in winter. The Farmall pulls a 2-bottom plow as ably as does any other tractor. It turns short, handles easily, operates economically, and requires very little attention.

As the season progresses you can shift from one important job to another with amazing speed. Tilling, plowing, seeding, planting row crops (with 4-row planter), cultivating row crops (with 2 or 4-row cultivator), mowing, raking, loading hay, harvesting grain, harvesting corn, and doing the hundred and one belt jobs around the farm.

You can't beat the Farmall. It makes the horseless farm practicable and possible. It cuts the corners off expense and puts the profit in your pocket.

We can't TELL you the whole Farmall story here; but we can prove every point in mighty quick time if you'll ask us for a field demonstration.
