THE CLOUDLESS MORNING

Dr. F. T. Benson

Christianity alone has a living Lord, who is the Lord of Life. And the message of Easter time is the mesage of triumphant life. We are not born to die, but to live forever. The old man lifts his eyes from his feebleness to God's almightiness and shouts to the four winds of heaven in the light of the resurrection of Jesus, "I shall live forever." No wonder the world goes wild shouting its glee at Easter time. It is the universal hallelujahs of a race whose bonds have been broken and from whose souls have been lifted by the shadows that chill and kill. Have you laid away your dead and is your heart down yonder searching in the dust? Have you loved and lost? Jesus speaks to you at this Eastertide. He is saying to you, as the angels said to the disciples on Easter morning, 'Your dead is not here. He has risen as he has said.' Risen to the bosom of God and his casket in which the jewel was incased some day will be resurrected and in a new body he will stand before the Lord. Only a little while and we shall see those who have gone before us, in the ravishing beauty of the new life that has come to them as they have fellowship with God in heaven. And this is the hope of the Eastertide for you our brother and you our sister as you mourn about the graves of your dead. Men shall not take away this hope of the resurrection from us with their vain philosophy, for our Master has promised us that we shall rise again from the dead.

All members of Chestertown Council No. 177 Jr. O. U. A. M., are earnestly requested to meet at Fraternal Hall, on Wednesday, April 23, at 7.30 P. M., as there is to be voted on an amendment to an important law in reference to sick benefits. It is your duty to come to the lodge room and vote for or against the amendment, or hereafter abide by what is done.

On Wednesday evening, April 16, the choir of Emmanuel Church, assisted by representatives from the choirs of the two local Methodist Churches, rendered Stainer's Cantata, "The Crucifixion," at a special musical service. The tenor solos were sung by Dr. J. K. Uhlig, of Baltimore, and Mr. W. J. Stenger. The bass and baritone solos were sung by the Rev. C. L. Atwater, and Messrs. J. Hydie Thompson, Wilbur R. Hubbard, and Dr. Paul E. Titsworth. Others assisting were Mesdames Merrick Clements, Fred. G. Usilton, J. H. Sides, P. T. Bramble, and H. T. Kessler, of Washington Crossing, N. J. Also Messrs. A. L. Sparks, R. D. Moore, and J. Hydie Thompson. Other members of Emmanuel choir were Mrs. W. J. Stenger, Mrs. Charles Schreiber, Mrs. Wm. A. Dengnan, Misses H. Janet Atwater, Elizabeth Titsworth, Marie Bryan, Mrs. Elsworth Bowers, Mrs. D. B. Ford, and Mrs. A. D. Brown.

The rector wishes to take this opportunity to express a very deep appreciation to the choir; the organist, Mrs. Jesse Medders, and all the visiting musicians, especially Dr. Uhlig, Mrs. Clements, Mrs. Sides, Mrs. Usilton, Mrs. Bramble and Messrs. Sparks, Thompson and Moore. It would not have been possible to give the Cantata without their assistance, which was so kindly and freely given, and helped to promote not only a beautiful musical selection but a strong feeling of solidity and unity in a common love and work for our King and Saviour.

COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's prices include only reasonable charges for delivery and financing. Easy G. M. A. C. Terms.

There is one sure way to get greater value in a low-priced car today—*choose a Six!*

This greater value is instantly obvious when you drive a Chevrolet Six. You notice first of all its greater smoothness. There is no tremor in the steering wheel—no rattle in the floor boards—no drumming in the body.

In addition to the finer performance of its six-cylinder motor, the new Chevrolet gives you truly remarkable economy.

Its six-cylinder smoothness saves the entire car from the strain and wear of vibration. This, of course, lowers the cost of maintenance and assures a *longer-lasting* automobile.

From the standpoint of operating expense, Chevrolet is equally economical. No automobile uses less gasoline and oil. No car shows a lower expense for tires. And no car costs less for service.

Because of its modern engineering, Chevrolet also assures a high re-sale value—for its entire design is just as advanced as its six-cylinder engine.

Chevrolet gives you fully-enclosed, weather-proof, 4-wheel brakes. It gives you a modern fuel system—with the gasoline tank mounted in the rear outside the body. It gives you four long semi-elliptic springs, mounted lengthwise in the direction of car travel. It gives you beautiful Fisher bodies built of combination hardwood-and-steel. It gives you a full ball bearing steering mechanism, an adjustable driver's seat, a Fisher VV non-glare windshield, and tilting beam headlights, operated by a foot-controlled button.

Before you decide on any car in the low-price field, see and drive the Chevrolet Six. The more thoroughly you investigate, the more certain you are to conclude that it's wise to choose a Six—for *value*, for *performance* and for *economical transportation!*
