It was necessary that the last issue of Federal Land Bank bonds should bear a higher rate of interest than issues immediately preceding.

Therefore the FEDERAL LAND BANK hereby gives notice that on and after May 1, and until further notice, all loans made by the Kent and Queen Anne's National Farm Loan Association shall bear interest at the rate of 5¼ per cent per annum instead of 5 per cent as heretofore.

Come in and let me explain the provisions of a FEDERAL FARM LOAN TO YOU.
