HARRY BUSICK IS DROWNED

A coroner's jury Wednesday decided that Harry Busick, president of the Lord Baltimore Hotel Company, whose body was found earlier in the day in Fishing Bay, Dorchester county, died as the result of an accident. Death was due to suffocation, a physician said.

Discovery of Mr. Busick's hat, afloat in the water near a ducking blind, led to the finding of his body 150 yards away by George Robertson, caretaker of the Elliott's Island Gun Club, about 10 o'clock Wednesday morning.

In its investigation, after receiving the report of Dr. Edward E. Lamkin, of Vienna, Md., the jury concluded that Mr. Buick had fallen from a skiff while placing decoys around the blind.

The water in the vicinity of the blind is only about five feet deep. Silt discovered in Mr. Busick's hair and nostrials indicated that he had pitched head first from the skiff, the physician said.

Heavy clothing worn by Mr. Busick apparently made it difficult for him to right himself in the water after coming to the surface, according to Dr. Lamkin. Little or no water had been taken into the lungs and death was caused by suffocation, the physician added.

Mr. Busick was born near Chestertown, Md., in 1873, and came to Baltimore at the age of 15. His first job was that of a bookkeeper and he later became acquainted with Major N. J. Hill, then operating the Carrollton Hotel at Light and Redwood streets. He abandoned his job as bookkeeper to become a hotel clerk at the age of 20.

He received rapid promotion in several departments of the Carrollton and after about three years left to become purveyor at the University Hospital. His next position was the management of the New Howard, the New Condon and the Caswell hotels, of which he later became the owner.

As president of the Lord Baltimore Hotel, Mr. Busick was insured for $1,150,000 to protect the investors of preferred seven per cent. cumulative stock. The policy called for the retirement of the first preferred stock if event of his death. His name appeared recently in a list of the most heavily insured individuals in the United States.

He was employed in Chestertown as clerk in Goslee's Shoe Store. His parents lived at Still Pond.

Surviving Mr. Buick, are his mother, two sisters and three brothers, widow, Mrs. Jennie Williams Buick; sons, Harry Nelson Busick, credit manager of the Lord Baltimore; Norman Buick, purchasing agent for the hotel, and Howard Busick, a student. The Busick home is at 3805 Greenway.

FARM BANQUET TO BE HELD

James D. Davis, Jr., secretary and treasurer of the Kent County Farm Bureau, has arranged an interesting program for the seventh annual banquet which will be held in the Chestertown High School auditorium on Wednesday evening, January 15.

Covers will be laid for 200 guests for the dinner, which will be served by the women of St. Paul's P. E. Church.

The principal speaker will be Amon Burgee, of the Frederick County Farm Bureau, while other speakers and guests of honor will include James W. Davis, president, and M. Melvin Stewart, secretary treasurer of the State Farm Federation.

The Washington College Orchestra, under the direction of Dr. Fred G. Livingood, will play during the dinner hour.

The sale of the Catlin house in Chestertown has fallen through because of the slump in the stock market. The purchaser paid his forfeit but when the time for final payment arrived his holdings had depreciated to such an extent that he declined to avail himself of the option.

The purported will of the late Henry K. Miller has been received here but not admitted to probate because of no witnesses. It provides for the distribution of the estate among his heirs and no special bequests to outside interests.

Washington College basketball team defeated Salem, W. Va., on Thursday night by score 27 to 24.

3 SAFE ROBBERS ADMIT GUILT

Breaking down under a severe grilling which continued throughout the day and late at night, detectives Martin and Coman, of the Baltimore detective force at midnight Wednesday obtained from Sharp Junius alias Big Shot, Jr., a confession that he was one of three Negroes who carried off the strong box from the Pennsylvania Railroad ticket and express office here Saturday night.

Junius admitted, the detectives and Town Officer Samuel E. Cooper and States Attorney Stephen R. Collins say, that he purchased the sledge hammer used in battering the safe to pieces from a hardware store here and threw it along the side of Cannon street, opposite J. G. Usilton's home gate, where it was found on Wednesday by Harry Fowler.

Junius stated, that he was assisted in the robbery by Walter Smith, a North Carolina Negro, and D. Rosevelt Maith, a Negro of this town, formerly of Broad Neck, all of whom entered the station and carried off the safe. He said that following the robbery all went to the home of Wm. Thomas, Negro, here, where they divided the $103.65 taken from the safe and gave Thomas $3 for the use of his home. Thomas is being held in jail as a witness in the case.

Maith was arrested and lodged in jail, following which it is said that all admitted thier participating in the robbery to the authorities.

None of the money stolen has been recovered, but the sledge hammer and one of the pistols stolen from the safe are in the possession of the officers and Junius stated that the other pistol was thrown into a creek on the outskirts of town. This was also fished out having been thrown there by Sam Lindsey.

"Big Shot" states that they started to work about 8 o'clock soon after he purchased the hammer from Wm. M. Culp. That they found the sledge too heavy, returned and exchanged it for a lighter one and completed the job. A gentleman standing on Lewis' Corner says he heard the noise of some one hammering toward the depot but paid no attention to it.

This community was shocked Sunday morning when the fourth robbery to occur in the county within two weeks was reported. The last episode was the entrance of the Pennsylvania Railroad Station at foot of Cross street and removal of a 1,000 pound safe to a ditch 150 feet from the depot.

A. E. Culver, local railway agent, Sunday morning when he opened the office and noticed a number of valuable express packages lying near the safe untouched. Local officers believe the thieves were after money and were not interested in anything else. Forty dollars of the amount taken belonged to the American Railway Express Company, for which Mr. Culver acts as agent. The remainder was the property of the railroad company. At least three or four men were involved.

Walter Smith, a North Carolina Negro, spending sometime here, was arrested Sunday by Chief of Police Samuel E. Cooper and is being questioned.

Sheriff J. T. Hadaway, assisted by Pennsylvania Railroad Detective Powell, has arrested another North Carolina Negro, who gave his name as Big Shot, Jr. He has been working on State road and lived while here in "Santiago."

The sheriff learned that a Negro corresponding to the description of Big Shot purchased a sledge hammer at Culp's hardware store here Saturday evening.

At 9 o'clock Sunday night Earl Cooper, the clerk who waited on the man, identified Big Shot as the man who purchased the sledge hammer.

The office safe was broken to pieces by a sledge hammer.

In the possession of one of the two Negroes a pistol was found. He told them that he bought the weapon in Norfolk, Va. The number on the pistol corresponds to that of the one sent here by express.

A check-up of the loss made by Station Master A. E. Culver, shows that $103.65, in money was taken. Two checks—one for $160.70 and another for $145—are missing. Both of the banks have been notified to stop payment on the checks.

All express matter was found to be safe, as were also all railroad tickets and valuable papers.

Entrance to the station was gained by prying open a window in the telegraph office. Every lock on the iron gratings protecting the office windows was broken by the bandits.

LOUIS WILEY WILL DELIVER ADDRESS

Louis Wiley, business manager of the New York Times, will deliver the Commencement Address at Washingotn College on June 9. The Daily Newspaper and its Influence on College Life" will be the theme of the address deliverd by the speaker to the Washington graduates of 1930.

ROBBERS STILL AT LARGE

The robbers who broke into N. Lieberman's store at Melitota several weeks ago and assaulted Mr. and Mrs. Lieberman have not yet been caught. Several clues are being run down by the officers and it is hoped that they will shortly be caught. Mr. Lieberman was in Chestertown this week. He has a black eye and cut head, but is otherwise regaining his usual health. Mrs. Lieberman is also improving.

Mr. and Mrs. Lieberman will spend the winter in New York with relatives. His store at Melitota will be managed doing his absence by Mr. and Mrs. E. Lambert Plummer.

MD. FARMERS IN SESSION

This has been Farm Week in Baltimore where several hundred farmers attended meetings of various branches of State Societies. The Horticultural Society under whose auspices the convention is being held elected these officers:

President—Albert Allen, of Salisbury, Md.

First Vice President—G. S. L. Carpenter, of Hurlock, Md.

Second Vice President — Senator W. Earle Withgott, of Easton, Md.

Secretary and Treasurer—G. Rust Canby, of Silver Spring, Md.

Assistant Secretary — A. F. Vierbeller, of College Park, Md.

Officers of the home and community committee of the farm federation were elected. Mrs. Harry T. Williams, of Worton, Kent county, was reelected chairman for the third term. Mrs. Charles Willson, Easton, Talbot county, was elected vice-chairman, and Mrs. M. M. Stewart, Gambrills, Anne Arundel county, secretary.

John P. Ahern, president of the Millington Bank of Maryland, was notified by officials of one of the Elkton banks, that a package containing 15 $1,000 registered bonds had been left at the bank by the mail carrier on the Elkton-Chesapeake City route who picked the package up from the roadside while making one of his trips. Evidently the package was dropped along the roadside by what seems certain now to have been a gang of professional yeggs who recently entered the Millington Bank. The bonds belonged to customers of the bank, it is said, and the finding of the package tends to confirm first report following the robbery that the estimated loss would reach between $10,000 and $15,000. The finding of the package reduces the actual loss to less than $100.

Officials of the Chestertown Volunteer Fire Company took definite steps Monday night looking to the erection of a community center for Chestertown.

The company's present quarters it is claimed have become inadequate for housing the equipment, fire trucks and county ambulance. The company has an invested fund of $10,000, which has been raised largely through the patronage of the public.

It is the plan of the promoters of the project to sell the present fire house, which is valued at $8,000, and use the proceeds with the invested fund of $10,000 as the beginning of a fund which will insure the erection of the building this year.

Deputy Sheriff Lee arrested Wednesday William Elias and Lewin Brown charged with stealing a turkey hen and gobbler from Wm. McMahan, on the Wickes farm, near town, the previous night. Mr. Lee found the live birds in the homes of the two men. They acknowledged their guilt and will be held for Court. They reside on Prospect street next door to Will Waters, the well-known colored character about town.

Bowers and Stavely have the contract for remodeling the Hynson house on Water street for George W. Baldwin. It will be made to contain six apartments.

17TH BANQUET OF MEN'S CLUB

The lecture room of Christ M. P. Church was the scene of an enjoyable affair Thursday evening, the occasion being the 17th annual banquet of the Young Men's Club of the church. There were a hundred persons who sat about the lovely banquet tables and partook of the menu consisting of roast turkey, etc., etc. Beautiful music, well rendered by Prof. Fred. Livingood, Joseph N. Wheatley, H. W. Fallowfield, Jr., Ivan Culver, Harry Coleman, Jr., Wm. Smith, Barber Bartley, J. W. McMenamin, Fred. G. Usilton, Jr., Robert Huey, Jr., added greatly to the enjoyment of the evening. The speaker was Mr. McElvin, secretary to Mayor Broening, of Baltimore, and teacher of a large bible class in Grace M. E. Church. He delighted everyone with his wit and literary gems. Thos. D. Bowers presided. The following new officers were elected: President, Wm. A. Wheatley; vice president, James W. Crouch; secretary, Clinton C. Jones; treasurer, George W. French.

The attractive bevy of Triangle ladies served the dinner in a most delectable manner.

The ambitions of the club are worthy indeed and it is hoped they will all be realized.
