MD. GRANGE FOR TAX REVISIONS

The State Grange, at its annual session, adopted resolutions recommending nine changes in the State tax system to relieve some of the burden on the Maryland farmer. State Senator A. G. Ensor was re-elected master of the grange.

The greatest departures from the existing system included in the recommendations were imposition of an income tax, the revenue from which would be divided equally between the counties and Baltimore city, sales tax on luxury commodities, a levy on gifts and broadending of the inheritance tax.

S. G. Harry, former State Senator from Harford county, was chairman of the committee submitting the resolutions. The other members were S. H. Devault, professor of economics University of Maryland; Nellie H. Hearn, Edmond Snodgrass, William Paul Walker, J. Homer Remsberg and Mary H. Sexton.

Tax changes suggested were:

"That farm land and buildings be assessed as a unit, and that the assessment of building be based on the value they add to the land and not on construction cost or insured value.

"That the assessment of farm property should be lowered, so as to be comparable with the assessment on town property, owing to the shrinkage in value of farm real estate.

"That in these counties where uniform assessment of woodland exists, a better classification and assessment of woodland be made on the basis of age and condition.

"That effort be made to bring about uniformity among the counties in regard to the method and time of collecting taxes, especially delinquent taxes.

"That greater State aid be given the counties for the support of schools, thereby reducing the amount of county taxes on general property necessary for local school purposes.

"That the State contribute to a greater extent to local county road building and maintenance, and the gasoline tax and motor vehicle license funds be sent so as to extend better road facilities to the greatest number of rural people building lower-cost roads where the traffic does not justify, a large investment per mile, and furthermore, that the gasoline tax and motor vehicle license revenue be spent for road purposes only.

"We recommend that the Legislature pass an income tax law as a method of securing additional revenue, 50 per cent of which should be allotcated to the counties. thereby making it possible to lower the local general property tax.

"That a sales tax on luxury commodities be utilized as a means raising additional revenue.

"That the inheritance tax now in force in Maryland, which exempts property transfers to members of the immediate family, be extended to include the taxing of property transfers to such beneficiaries, but at a lower rate than is now applicable to more remote relatives, and that transfer of property by gift be taxed in the same manner as the transfer of property by inheritance."

Senator A. G. Ensor, Forest Hill, was reelected master of the State Grange. With one exception all other officers were reelected.

UNIVERSAL BIBLE SUNDAY

Governor Albert C. Ritchie urged the observance of Universal Bible Sunday on last Sunday, December 6 by the churches of Maryland.

The American Bible Society, an interdenominational agency engaged in the circulating of the Scriptures, and which last year put into distribution over twelve million volumes of Scriptures in to hundred and eighty-five languages, has promoted Universal Bible Sunday for over a decade. Each year an increasing number of churches in America and in foreign lands unite in the observance of Universal Bible Sunday in order to remind church-goers of the important place the Bible holds in the development of Christian life and character.

In commending Universal Bible Sunday Governor Ritchie says: "I consider it a privilege to express my hearty approval of Universal Bible Sunday. In the development of civilization the Scriptures have played the most vital part. They teach mankind 'to do justly, and to love mercy, and to walk humbly with thy God.' There can be no finer standard of life than that."

DEPRESSION MAY END MYTH THAT PANICS OCCUR ONLY UNDER DEMOCRATIC ADMINISTRATIONS.

Claude G. Bowers in a recent editorial in the Washington Times expresses the belief that "the panic of the last two years is certain to have a wholesale political effect if it results in nothing more than in destruction of the myth, having no relation to history, that panics occur under Democratic administration and not under Republican."

He cites the whispering campaings every four years in which people are told "that a Democratic victory would mean a panic and hard times."

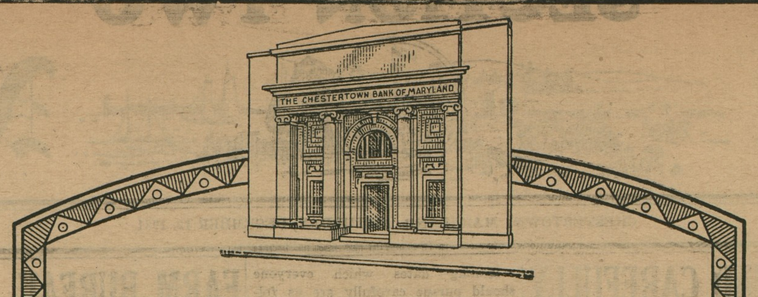

He refers to some panics under Republican administrations — the Grant panic of 1873, which "carried down the great banking house of Jay Cook, then relatively as important as that of Morgan today" the Roosevelt financial panic of 1907, and now the Hoover panic surpassing them all.

He points out that the panic of 1893, right after President Cleveland had taken his seat originated in the preceding Harrison administration.

Mr. Bowers declares that "the panic of the Hoover regime would have been far more devastating but for the existence of the Federal Reserve system, which represents the constructive statesmanship of the Democratic regime.

"It is interesting to know," Mr. Bowers continues, "that the Federal Reserve Act was enacted so speedily after Wilson's inauguration because of the conviction in administration circles that every possible effort was being made for political effect to bring on a business depression."

It is estimated that every seventh person in Europe lives in a city with a population of more than 100,000.

Harrison W. Vickers, Solicitor.
ORDER PUBLICATION
Alma Mae Heiding Anthony, Infant by her mother and next friend, Sophie Heiring.
In the Circuit Court for Kent County. In Equity, No. 2712.

The object of the Bill filed in the above entitled case is to procure a Decree setting aside and annuling marriage of the parties to this cause.

The Bill states:

1. The said Alma Mae Hiering Anthony is a minor 20 years of age and resides with her mother at Maplewood, New Jersey.

2. That the said Defendant, Harry L. Anthony, 3rd,is about 22 years of age and lives at Edgewood Park, New Jersey.

3. That on the 6th day of August in the year 1931, the said Plaintiff, Alma Mae Hiering Anthony being a minor child as aforesaid, was married to the said Defendant, Harry L. Anthony, 3rd, at Chestertown, Kent County, Maryland, By Rev. W. R. Moon, of Cecil County.

4. That the said Plaintiff, Alma Mae Hiering Anthony, had known the said Defendant for a period of a few months and that she had only seen him comparatively a few times. That on the said August 6th, 1931, she was at that time at Seaside Park, New Jersey, and the said Defendant came to see her and requested her to take an automobile ride. Nothing was said about marriage until said Defendant had driven a number of miles and he then suggested that we would get married. I refused but he threatened me and threatened my life if I did not marry him. He drove to Elkton but it was too late for him to get a license and he drove me on to Chestertown. All during our trip he had a bottle of liquor and I had a number of drinks. He urged me a number of times to take a drink and said I would feel different about it if I would do so and when I arrived in Chestertown I was in a state of intoxication and did not realize that I was being married. Due to the state of intoxication and to the fear of the threats which he made against me there was nothing for me to do but to go on with the ceremony. All during our trip he advised me that if I would not marry him no one else would and that I would not get back home alive. That said marriage was entered into through deceit, fraud and threats on the part of the said Harry L. Anthony, 3rd, in making and compelling the said Plaintiff, Alma Mae Hiering Anthony, to drink until she became so intoxicated.

5. That said marriage was never ratified and consumated. The said Harry L. Anthony, 3rd, left me at my house immediately upon arriving there. I have seen him three times since. I have never shared the board and bed of the said Harry L. Anthony, 3rd. That there has never been cohabitation between them, either prior to or subsequent to said marriage; that said marriage has never been in any way consumated.

6. Your Oratrix is advised that it is in the power of this Honorable Court upon her Petition and evidence supporting the same to set aside and annul said marriage.

It is thereupon, this 27th day of November 1931, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be instrted in some newspaper published in said Kent County, once in each of four successive weeks before the 28th day of December next, give notice to the said Harry L. Anthony, 3rd, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 11th day of January next, to show cause, if any he has, why a Decree ought not to be passed as prayed.
