CHAMBER BOARD TO MEET ON WEDNESDAY

A meeting of the Board of Directors of the Kent County Chamber of Commerce will be held at headquarters on Court Street on Wednesday evening. December 9 at 7.45.

In response to the Chamber's call for donations of clothing, packages are beginning to come in. It is hoped that there will be some contributions of cash so Christmas baskets may be made up and distributed as was done last year for while there is not likely to be as much need for food in the county as last year, owing to much better crops, a certain Christmas spirit of cheer will undoubtedly be lacking if we are unable to supply some homes at that time.

The need for warm clothing is expected to be more acute than formerly. Children's shoes in wearable condition are in great demand.

PRIZES TO BE GIVEN BY FRIGIDAIRE COMPANY

Prizes of $3,500 in cash and ten electric refrigerators valued at more than $2500 are posted in the nation-wide Christmas contest now being conducted by Frigidaire Corporation.

First prize will be $1,000 in cash, there will be fifty prizes of $50 in cash and the ten awards of Frigidaire household electric refrigerators. Details of the contest will be broadcast every Monday, Tuesday, Wednesday, Thursday and Friday over a coast-to-caost network of 50 stations on the NBC-WJZ chain in connection with a musical program.

The program will begin at 5.15 Eastern Standard Time on Fridays and at 4.45 P. M. Eastern Standard Time on the other day of the week. The contest will close at midnight December 24th.

The contest involves the coining of a nine word sentence, using the letters of the word "Christmas" to begin each of the words. Contest blanks, it was announced, are available at Frigidaire showrooms everywhere.

SUMMER-LIKE WEATHER

In order to record the unusual weather experienced during the fall we refer to same at this time.

For some weeks this section has been enjoying summer-live weather. Flowers blooming in a number of places, trees beginning to bud, starlings mating and building nests, and turkey hens layng, and many other things never heard of by a great number of our citizens. For the past week blizzards have been raging in the west. The cooler weather is welcomed by many.

FAIR AND ORDERLY TRIAL

Yuel Lee, alias Orphan Jones, Negro, accused of killing family of four at Taylorsville, Worcester county, will go on trial in Cambridge December 8.

The judges of the First Judicial District reached this decision late on Monday afternoon after an all-day conference at the home of Chief John R. Pattison attended by Judges Joseph L. Bailey and Robert F. Duer and Godfrey Child, State's Attorney for Worcester county.

Governor Ritchie, at whose order 200 State militiamen stood ready two weeks ago to escort Lee to Cambridge for trial, said he felt by "today's decision the court assumes a very definite responsibility" to maintain order at the trial, and to see that neither the defendant nor his counsel is molested in any way.

Ades, the Baltimore attorney has filed an appeal against this action so that the trial may be postponed until argument is heard.

FINES VIOLATORS OF MD. OYSTER LAWS

Three handscrapers who were dredging oysters in the upper Potomac river in a power boat at night were arrested by inspectors of the Maryland Conservation Departmen and placed under $500 bond.

The scrapers were interrupted i their operations near Swan Point Tuesday night by George Gibson, oyster inspector for the Wicomico and Potomac river district, and J. R. Silmms, of Rock Point. The men were arraigned Wednesday in a Virginia court.

Under terms of concurrent legislation passed by the Assembles of both States, Maryland violators of the conservation laws are tried in this State, and Virginians are tried in their own State.

The gentle word, wether spoken or written, uttered or penned in season, affects an expectant heart as a blessing like unto the refreshments of nature.—Christian Science Monitor.

RECORD OYSTER SHELL PLANTING

The greatest number of oyster shells ever planted in the waters of the State were distributed by the Conservation Department during the past spring and summer.

In addition to the distribution of 939,640 bushels of shells placed on oyster rocks in every important tributary of the Chesapeake Bay, more than 2,900 bushels of seed oysters were distributed on Great Rock in Tangier Sound, where adult oysters have been scarce.

In a report just issued by the Conservation Department, it was shown that 126 oyster bars received allotment of shells. A good catch of spat occurred on the planted shells in many sections, notably Pocomoke Sound.

In the Chesapeake Bay 153,656 bushels of shells were planted, the greatest portion, 37,336 bushels, being distributed at Three Sisters and 23,343 bushels at Parker's Rock.

The Chester River received 58,002 bushels, 12,909 of them at Queen Anne Sands. More than 112,400 bushels were distributed in the Eastern Bay, 103,400 in the Patuxent River, 130,400 in the Choptank River and 63,700 in Tangier Sound.

Night Coughing Quickly Stopped

Night coughing is almost always caused by an irritated, inflamed throat; so is almost all coughing. Ordinary cough syrups do not reach these conditions. but Thoxine, a prescription exclusively for throat troubles, does. It relieves the irritation and the cough stops within 15 minutes. And Thoxine goes still further —it eliminates the internal cause which many times develops into serious illness. ,

A swallow of Thoxine before retiring absolutely prevents night coughing and insures a good night's sleep. It gives the same speedy relief for sore throat too. It contains no chloroform or other harmful drugs and children like it. Relief is guaranteed within 15 minutes or money back. 35c, 60c, and $1.00 bottles. Sold by Toulson's Drug Store and all other good drug stores. Adv. 5dec
