It is all very well to fix Johnny and Mary up fine to say a speech on special occasions, but the folks your preacher like to serve are those who will say to the children all during the year "come." Children let's go to Sunday school.

Seems Good Evidence

Scientists say that radio waves which reach the moon are thrown back to earth. We consider this positive proof of the existence of intelligence on the moon.—Thomaston (Ga.) Times.

Bee's Development

In their metamorphosis bees pass through four stages, namely: egg, larva, pupa and adult. The queen develops in 16 days, the worker in 21 and the drone in 25 days.

Ancient "Taxi" Meters

It is claimed for the Chinese that some six centuries ago they used a vehicle which not only carried its passengers, but dropped a pebble in a receptacle to measure off every mile traveled.

TENNESSEE MAN TELLS YOU TIMES ARE HARD

To his home town paper a fellow in West Tennessee writes:

"Hollow Rock Junction, Tenn.
May 6th, 1931.

Dear Mr. Editor:

There seems to be so much talk about our so-called Republican prosperity, I believe 'tis my duty to write my views on the same and help to analyze the situation so far as possible so's we can make up our minds we had oughto' change our ways of living and so forth.

"I have taken my own case for instance. I see my mistakes and many others have acted likewise. I bought a Ford instead of a farm and it is worn out, but the farm I figured on is still okeh. I invested in a radio instead of a cow and the radio gives static instead of milk.

I am feeding five nice hounds which answer to the names of Red, Red Wing, Slobber, Jake, and Bayrum instead of five pigs. I had our piano tuned instead of our well cleaned out. I spent off my cash in 1928 and used my credit in 1929 and traded up my future wages on installments in 1930, so hard times caught me in bad shape last fall.

"If I only had spent my last $10 for flour and meal instead of gas and oil I would have been okeh. I built a nice garage last year instead of covering my barn, and loafed in a mountain two weeks instead of being in the pasture fixing it so's my cow won't get out, but she is dry and mortgaged to boot for two blankets my wife bought from an agent instead of paying the preacher.

"I'm on a cash basis now, but I ain't got no cash. I am tied to the end of my rope and the man I am working for is busted on account of nobody wouldn't pay him and his cotton won't sell 'cause nobody won't buy no cotton cloths, all the galls wear slick, silky stockings and silk underwear right here in our cotton patches. I had $4 saved up for a rainy day, but it turned dry and I spent the $4 for two inner tubes.

"I tried hard to make both ends meet with a turnip patch, but when I got turnips ready to sell, everybody else was selling turnips for nothing and the market was glutted.

"I am worried plum to the bone and my wife's kinfolks are coming over next Tuesday to spend two weeks.

"Write or phone if you hear of any relief from the government coming down this way. I am willing to be either a Democrat or a Republican for a few weeks if that will help out any.

Yours truly in pain,
MIKE CLADKE, R. F. D."—

REV. J. L. WARD GOES TO FLORIDA

The Rev. J. L. Ward, pastor of First M. P. Church, Wilmington, and former pastor in Chestertown, left Thursday for Florida, where he will remain throughout the Winter. He has been granted an extended leave of absence by the congregation of the church due to his ill health.

The affairs of the church during the pastor's absence will be conducted by the Rev. Leonard B. Smith, D. D., former pastor of Peninsula M. P. Church and now president of the Maryland Conference of the denomination, of which Delaware is a part.

The Rev. E. T. Kirkley, of Grace M. P. Church, Baltimore, has been assigned to conduct the services at the church Sunday by Dr. Smith. Future services will be under the direction of visiting ministers.

Times change and our moods change with them. The other day a man was beaten by a burglar and thrown downstairs. Arising, he said weakly; "Gosh, I feel like a king!"

Named by Conqueror

The name Rock of Gibraltar comes from the one-eyed Berber or Moorish conqueror, Gebal-Tarik, who landed there in 711 and commemorated his first victory by calling the giant rock by his own name.

World's Record?

Henry d'Antonio of Everett, Mass., is believed to have been the heaviest person in the civilized world. He died in August, 1930, at the age of seventeen, and weighed about 600 pounds.

Reason Imperative

He that gives reason for what he saith has done what is fit to be done, and the most that can be done; he that gives not reason speaks nothing, though he saith ever so much.—Exchange.

MISSION GROUP MEET IN TOWN

The 45th annual meeting of the Woman's Home Missionary Society of the Wilmington Methodist Episcopal Conference was held Wednesday and Thursday in the Chestertown M. E. Church. The Rev. J. Harry Wright, pastor.

Miss Maud Kemp gave the address of welcome and Mrs. Harry Cox, of St. Paul's Church, the responsive.

A splendid program was presented and carried out to the letter. Luncheon was served at the church.

The conference officers were: Mrs. Irene B. Flinn, president; Mrs. Rebecca Brinton, first vice president; Mrs. Mame Register, second vice-president; Mrs. Thomas Hill, third vice president; Mrs. William J.Downing, fourth vice president; Mrs. Emma L. Stop Night Coughing

Night coughing is almost always caused by an irritated, inflamed throat; so is almost all coughing. Ordinary cough syrups do not reach these conditions, but Thoxine, a prescription exclusively for throat troubles, does. It relieves the irritation and the cough stops within 15 minutes. And Thoxine goes further too. It eliminates the internal cause which many times develops into serious illness.

A swallow of Thoxine before retiring absolutely prevents night coughing and insures a good night's sleep. It gives the same speedy relief for sore throat too. It contains no chloroform or other harmful drugs and children like it. Relief is guaranteed within 15 minutes or money back. 35c, 60c, and $1.00 bottles. Sold by Toulson's Drug Store and all other good drug stores. Advt 14 Nov.

WORK FOR AT LEAST 1000 MEN

Bids for unwards of three-quarters of a million dollars of construction work were opened in Dover Tuesday.

The State Highway met at 2 o'clock and opened bids for ten road and sidewalk building projects, including the grading of an additional 120 feet right of way from Farnhurst to the Heald street cutoff on the duPont Highway, which alone will provide work for many hundreds of unemployed.

Tuesday morning at 11 o'clock the Commission appointed by Governor Buck to supervise construction of a new State building at Dover, opened bids for construction of the building.

The road and sidewalk building projects will represent an outlay of funds estimated at about $265,000. The new State building which will house the two houses of the Legislature will cost in the neighborhood of $500,000.

Governor Buck said that the State Highway Commission has fixed a wage of 30 cents an hour for laborers on the Farnhurst-Heald street cutoff grading work which will take about four months to complete.

Law is no useful substitute for morals. And Charity is a very poor substitute for a job. As for Character, there is no substitute for it in this or any adjacent world.

Life is becoming more complicated for students of European affairs. Daily it becomes harder to tell which are the backward nations and which are the forward ones.

This sale includes the furnished 30 room hotel, 10 rooms of which are bedrooms, a barber shop and pool room. Ths hotel was the property of Thomas L. Day, of Ridgely for 30 years during which time it was operated successfully.
