Dr. Beardsley spoke on Disarmament and began his address by asking "Do you believe in War" He spoke of the horrors of war and the result of it. Human Improvement

Human improvement is from within outwards.—Froude.

Indiana Led

Indiana was the first state to make provision for the care of the insane. Its constitution made such provision.

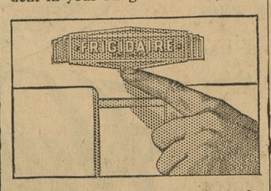

YOU BEGIN TO SAVE MONEY THE MINUTE YOU BUY IT

Balance the few cents a day that buys Frigidaire against its daily savings. The figures will show you that to buy Frigidaire right now is one of the *most profitable* investments you can make. For Frigidaire begins to save money the minute you buy it. And it *keeps on* saving—week after week—month after month—and year after year.

Now, even more than ever before, Frigidaire stands out as the unquestioned value in the field of refrigeration. For feature after feature has been added—improvement after improvement has been made—yet, Frigidaire prices have been reduced throughout the line.

In fact you can actually buy Frigidaire for but very little more than you would pay for an untried, unknown make. Just a few dollars down will put Frigidaire in your home and the future monthly payments can be made so small they will scarcely make a dent in your budget.

Be sure the name Frigidaire is on the electric refrigerator you select.

TAXES

The State requires now a ½ per cent to be added to all unpaid

State Taxes

and the Treasurer, H. S. Startt, is anxious to have this fact known to those who still owe. So, when the taxpayer sends check, money order or cash he or they MUST include the ½ per cent addition. This will avoid the necessity of having the Treasurer return same for correction for the ½ per cent. He has no other alternative. He MUST collect it.

An additional ½ per cent is added for each month thereafter up to 6 per cent.

CHURCH GROUP ACTIVE

The training classes of the Group which have met for six nights at the Millington Church held their last session on Wednesday, October 21. The worship that evening was in charge of the dramatic class. They presented a Bible play entitled "Friends of Jesus." The chief characters Mary, portrayed by Elva Warner of the Templeville Sunday School, and Martha, taken by Dorothy Fleetwood, teacher at the Felton School, revealed most beautifully and impressively what it meant to Mary, and hence means to us, to really know Jesus. The class was in charge of Mrs. Emma Reed, of Cheswold, who has helped her young people to do such splendid dramatic work. "Friends of Jesus" was repeated Sunday night at the Sudlersville Church and will be given next Sunday at Templeville and the following week at Cheswold.

Wednesday afternoon the Director visited the Junior Group meeting at Henderson Church under the leadership of Mrs. J. G. Lynn. It was an enthusiastic meeting of 21 children, and oh, how they could sing! They are planning to learn the hymns to be used in the Sunday morning worship service so they can take part in the service. Many wish to go to the Junior League banquet November 12th at Greensboro. We hope arrangements can be made for them to go.

Friday evening Templeville Sunday School Board met to plan work for the fall. All teachers were present, but one. Plans were made for a series of missionary worship services to be held during the next two months and for enriching the Church program for the primary and junior children with thru the week activities. Then the hostess, Mrs. Lord, surprised everyone by serving refreshments.

The Galena Parent-Teachers' Association held it first fall meeting on Tuesday, October 20. After routine business had been transacted the Group Director of Christian Education presented a few reasons why every public spirited citizen should be interested in the success of the week day schools of religion and told something of the spread of this movement in our large cities. The reasons given showed why we need more time to day for our moral religious instruction than was deemed necessary years ago and why this time should be secured, in part, during the public school hours of the children.

Registration Notice

AFFECTING CITIZENS MOVING INTO THE COUNTY FROM ANOTHER STATE.

Citizens moving into Kent County from another State and desiring to vote in the elections of 1932 must comply with the Acts of Assembly of 1902, which require that such persons must declare their intention of becoming citizens of the State of Maryland before the Clerk of the Circuit Court one year before the next general election in order to be eligible to register and vote in such election.

The General Assembly of 1929 attempted to repeal this law and enacted a substitute which the Court of Appeals has ruled unconstitutional. The Attorney General of Maryland, by whose opinions this Board is guided, has ruled that the decision of the Court of Appeals has made the Act of 1929 imperative and that it will be necessary for all persons moving into the State to declare his or her intention of becoming a citizen of Maryland before he or she is eligible for registration.

The opinion of the Attorney General in part, is as follows:

In 1902 the Legislature enacted a law requiring every non-resident moving into the State, wishing to vote, to register his intention of becoming a resident before a Clerk of Court one year before an election, in order to register to vote at said election. The Legislature, by Act of 1929, Chapter 578, attempted to repeal said provision ond to provide that a non-resident need not go before the Clerk, but might register upon his own affidavit and that of two voters, before the registration officers, that he had actually resided in the State a year. This new law, however, excepted two counties from its operation and on that account the Court of Appeals declared it unconstitutional (on October 31, 1930, in Bangs vs. Fey, in Md., 548), as the Constitution says that the General Assembly shall provide for a uniform registration of the names of all voters in this State, and the Court of Appeals further declared that the said law of 1902 is therefore still in force.

"It is therefore, clear, under the law as it now stands, that no person who has moved into Maryland from another State is now entitled to registration unless he or she has complied with the above requirements of the law."

Persons who were able to get on the books under the act which was declared unconstitutional must appear before a clerk of the court in Chestertown before November 3 to declare their intentions. Otherwise, they may be placed on the suspect list and their names erased from the books. It would then be too late to file their intention and their right to participate in the Presidential election would be lost.

Dismiss Small Worries

If anything external vexes you, take notice that it is not the thing which disturbs you, but your notion about it, which notion you may dismiss at once if you please.—Marcus Aurelius.

Disraeli's Change of Faith

When a boy of twelve or thirteen, Benjamin Disraeli, with the other members of his family, was confirmed in the Church of England. His father had lost sympathy with the tenets of the synagogue and felt that the time had come for the family to embrace the Christian religion.
