CARNIVAL CLOSED A GRAND SUCCESS

The Community Festival held during the past two weeks by Chestertown's Volunteer Fire Co. closed on Tuesday night with a large crowd. The various prizes were awarded and as usual many were disappointed and a few greatly pleased.

The comic parade held Friday night was enjoyed by thousands. It was a howling success and prizes should have been awarded each one, but it was impossible so to do. Little Miss Kathryn Metcalfe, daughter of Mrs. Violett Metcalf, of Court street, Chestertown, was awarded first prize of $10 in gold for the best individual impersonation, her characterization being "Topsy." A combination prize of similar amount went to a number of young folks from Worton, who portrayed the "Butlertown Volunteer Fire Company" by mounting an old Ford Chassis with fire apparatus and uniformed members of the company. They were all eating watermelons and had their truck well l abeled.

"Spark Plug" horses, Al Capone and wife, bathing beauties, music and babies with bottles were among the hundred characters impersonated.

The big parade of fire companies postponed from Thursday took place Monday night. It was witnessed by several thousand persons and the receipts nearly $1300.

Seven fire companies with equipment, three bands, two ladies' auxiliaries and one bugle and drum corps were in line.

Prizes were awarded as follows:

Best firemen's band, Rock Hall, $30; second, Sudlersville, $15.

Company coming longest distance, North East, $10.

Company with most uniformed men in line, Ridgely, $20.

Ladies' auxiliary presenting best appearance, Chesapeake City. 15.

The Chesapeake City Bugle and Drum Corps was given a special prize.

Church Hill Company had a novel feature in their electrically lighted sign and torches. It deserved recognition. ,

The Carnival closed Tuesday night with another large crowd. The main attraction was the awarding of the big prizes.

The Chevrolet automobile was won by J. Ivon Rigby, Jr., whose father won a similar prize at the community festival two years ago. Mr. Rigby lives near Chestertown on the Vickers farm.

The Kelvinator was won by Mrs. Samuel E. Cooper, wife of the chief of police of Chestertown. Hulbert Townsend won the radio and Mrs. Joseph W. Lewis was awarded the permanent wave. All of these winners are residents of Chestertown.

The boat was won by Oliver Kendall, of Rock Hall, and J. W. Stafford, of Sudlersville, won the pony.

Harry Carter, of Rock Hall, and Frank Estes, of Chestertown, won the lamps.

The gross receipts of the carnival including ice cream was about $7300. All bills are not in but the net profits are estimated to be around $3000. Last year the receipts and profits were $1000 more. This is a splendid showing.

Samuel Massey, wife, 4-year-old son and lady friend of Mrs. M., started West Tuesday in a house on a Reo chassis. They expect to stop at Denver at the Protestant Episcopal Convention and afterwards to push on to the Pacific coast. They expect to be away from home several months returning about Thanksgiving. The house is fitted and furnished with all their needs and a great trip is anticipated.

The Chamber of Commerce here learned of Mr. Massey's proposed trip and got permission to place this sign on the car: "We are touring from Kent County, Maryland, the county of goods roads."

HOW two seventeen-year-old Chestertown lads, bound for Hollywood, became stranded in Druid Hill Park, Baltimore, and pawned a gold ring to buy food, was revealed Thursday when William Capel and Francis Parsons returned home after a short-lived tour; inspired by a spirit of wanderlust.

Mrs. Frances A. Hague and Benjamin Rollison, both of Chestertown, were married Saturday evening, August 29th, 1931, by the Rev. W. S. Grant at his home, the M. P. sonage in Rock Hall. The bridal couple were accompanied by the bride's brother, Charles Hickman, of Chestertown. Mr. and Mrs. Rollison spent a short honeymoon in Baltimore. The couple are residing in Chestertown.

A BIG BASE BALL GAME HERE TODAY

One of the largest crowds to witness a game in the Chesapeake Bay League this season is anticipated on Washington Field here today when the Rock Hall and Kennedyville clubs will battle it out for the supremacy of the second half and the right to meet Church Hill, first half winners, for the seasonal pennant.

Mrs. William Walter Chapman and daughter, Miss Mary Theodosia Chapman, left Chestertown Wednesday for Burnt Hills, N. Y., when they will attend the marriage of Mr. and Mrs. Chapson's son, William Walter Chapman, Jr., to Miss Clare Elizabeth Pilgrim, daughter of Mr. and Mrs. Ernest Weber Pilgrim, of Schenectady, N. Y. The ceremony will be performed at 4 o'clock Saturday afternoon at Calvary Protestant Church, Burnt Hills, the Summer home of the Pilgrims. Miss Mary Theodosia Chapman will be the maid of honor.

Miss Viola Mabel MacCubbin, daughter of Mr. and Mrs. Thomas G. MacCubbin, and Joseph McCaddin Davis, were married recently by the Rev. C. L. Atwater at the Protestnat Episcopal Rectory, in Chestertown. The bride was dressed in green crepe de chine. Following the ceremony a small reception to the immediate families was held at the home of the groom's parents, Mr. and Mrs. Geo. H. Davis, where the young people are residing in Rock Hall.

Miss Clara May Roberts and Edw. John Champness were married on Thursday, September 3rd, at the home of the bride's parents, Mr. and Mrs. William Roberts, 439 N. Linwood Avenue, Baltimore. The bride, gowned in white satin, was given in marriage by her father in the presence of about seventy-five guests. Miss Marian Fitchett was bride's maid, and wore a dress of orchid color. Mrs. Champness is a daughter of the former Miss Delma Middleton, of Rock Hall, and has many relatives there.

After a ten-day trip in Canada the young couple will be at home to their friends at 3307 Ramona Avenue, Baltimore.

48,000 CASES CORN CANNED

The Mitchell Cannery at Kennedyville is one of the thriving industries of Kent county. F. B. Towner, of Perryman, is the superintendent and has managed affairs successfully. Robert R. Hill and son, Raymond, did a good act when they called Mr. Mitchell's attention to this field of work.

The cannery closes this week, the pack being over 48,000 cases of corn and 1800 cases of asparagus.

Edwin R. Wallis lead the list of growers with an average of four tons to the acre. George Plummer, Geo. W. Sutton, R. R. Hill, Will Bonwill and others grew over three tons. The average on the 650 acres was 2½ tons and the price was $12. There were 100 employes, one--half being from Kennedyville community. Owing to the abundance of grass most of the refuse was spread on adjacent fields.

KENT BOYS WIN SECOND HONORS

The Kent County 4-H Dairy Calf Club Boys' won second honor at the State-Wide Dairy Judging Contest held at the Timonium Fair on Monday. The Kent team was composed of Edwin McCrea, of Rock Hall; Walter Rees and William O. Carroll, both of near Chestertown, with Roy Freeman, of Galena, as alternate.

Harford county won first place with a score of 3822 points. Kent's score was 3612; Baltimore, 3598; Montgomery, fourth with 3552; Allegany fifth with 3326, among fourteen contesting teams.

Edwin McCrea, of Rock Hall, was high scoring individual in the Ayrshire breed and fifth in all breeds. Walter Rees, of near Chestertown, was fourth high man in the Guernsey breed John Morris, of McDonough School, grandson of Edward Loud, near Chestertown, was third high scoring individual in all breeds and first in the judging of Guernseys. The Kent team will receive a fine silver cup, while the boys winning individual prizes, receive cash awards.

VA. DULIN'S JERSEY WINS

Virginia Dulin showed her Jersey heifer to fifth place in the 4-H Club Class. She has a splendid heifer but the Judge preferred daintier, more refined type of animal.

SWINE JUDGING CONTEST STARTED

A Swine Judging Contest, with eight teams competing, started a Swine Judging Contest, which it is hoped will become as popular as the Dairy Judging Contest.

Frederick county team was first; Montgomery team second, Talbot third, and Howard county fourth. Kent's team was composed of Jesse Hurd, William Comella and Louis Dill, Hurd ranked eighth in the contest, Comella stood thirteenth and young Dill twenty-fourth.

Jesse Hurd, 1st prize, Poland China Boar; third prize, Poland China Gilt; William Comella, 3rd prize, Duroc Jersey Gilt; Whitney McCrea, 4th prize, Duroc Jersey Gilt.

Walter Rees was 8th and William O. Carroll stood 10th among the 42 contestants. Edwin McCrea was 5th. These three boys by their consistently good work ranked second in the contest in which 14 teams competed.

McCREA ON VARSITY SQUAD

The six high individuals in the State contest form the Varsity Squad from which, after a period of intensive training, four boys will be selected to represent Maryland at the National Dairy Show in St. Louis in October. Three of the boys will compete against the other State teams. It will be recalled, Maryland boys won this National Dairy Show Contest last year and made the trip to Europe, where again they won in the International Contest.

KENT'S SHOWING IMPRESSIVE

The winning of second by the Kent boys in competition with the old and established dairy counties is a noteworthy achievement, for these older dairy counties offer a much larger number of boys from which to select teams and also have more good herds easily accessable for judging practice.

ONE of the Federal prisoners whose term expired August 19th was rearrested August 27th for same offense.

CHESTERTOWN BOY WINS SHORE AUDITION

Charles Harris, Jr., of Chestertown, won first place for young men at Easton Sunday afternoon in the Atwater-Kent singing audition. Jos. B. Applegarth, of Cambridge, was second choice. Mrs. Mary Covey Griffin, of Chestertown, accompanied Mr. Harris in his rendition and Mrs. Eva Jarrell was his teacher. This makes two years in succession in which Chestertown talent has won the Eastern Shore contest.

Miss Margaret Lee Nelson, of Crisfield, the only contestant from her county, won the ladies' contest. Miss Ann Johnson, of Salisbury, was second choice and will represent the Eastern Shore in the State-wide contest in Baltimore next month in the event Miss Nelson is unable to attend.

The judges could not see the contestants but were placed where they could hear. Eight young women and nine young men competed from 11 towns in 6 counties.

The judges were: Mrs. C. C. Slayton, of Annapolis, chairman of the music committee of the Federated Women's Clubs; Miss Mildred Reichard, Baltimore, Md., contralto soloist, Hamilton Presbyterian Church, and Dr. William McEllroy, of the University of Pittsburgh.

Mrs. Cleveland Smith had charge of the audition and presented the singers. A fine audience greeted the contestants.

Messrs, Vernon Corey and Raymond Moffett also sang and their efforts received hearty applause.

COLLEGE OPENS NEXT WEDNESDAY

There have been about one hundred new students signed for the opening of Washington College next Wednesday.

Twenty-five candidates answered the football call Wednesday morning and got in the initial workout of the season under the direction of Tom Kibler and his newly appointed assistant George Ekaitis.

Leading the candidates was Captain Howard Plummer, 180-pound bucking back who has been a star on the Washington eleven for two seasons. Other veterans present at the first practice sessions were Robinson, Gainer, Johnson, Usilton, Rinehold, Dobkins, Baker, Proudfoot, Giraitis, Wagner, Dickerson and Carey.

Newcomers were Mooney, Huey, Blisard, Groswith, Ward, Lord and Nicholson. With the opening of college the list of veterans and yearlings will both be swelled.

Dr. Fred G. Livingood, head of the department of education at Washington College, announced the program for the annual freshman week exercises, which will begin on Tuesday, September 15, and close on Sunday morning, September 20.

The first freshman assembly will be held at 1.15 P. M. Tuesday, when Dr. Paul E. Titsworth, president of the college, will deliver an address of welcome. In the evening at 7.30 o'clock the Student Government Council, of which Oliver E. Robinson, Jr., is president, will entertain the new students at a reception in Reid Hall. Throughout the week class tests will be given by members of the faculty, and addresses delivered by President Titsworth, Dean J. S. William Jones, Registrar William R. Howell, business men of the town and officials of college organizations. Entertainment features of the week will include the Blue Key fraternity reception in the college gymnasium on Saturday evening, September 19.

THIEVES and robbers have begun to get busy up in the First District in Massey and Galena vicinity. Officer Pinder was aroused about two o'clock Wednesday morning by a strange man who had been beaten and robbed of clothing and money about two miles from Massey. An investigation revealed no identity of his assailant. The same night the hen roosts of several people were robbed. One farmer near Galena lost quite a number of fowls. Also Andrew Woodall's gas tank was broken into and emptied.

DR. JOHN H. WILLEY, President Lord's Day Alliance of the United States, and a former pastor of Chestertown M. E. Church, will deliver his great address on "The Lord's Day" in the Chestertown Methodist Protestant Church, 3 P. M., Sunday, September 13, 1931. Public invited.
