FIND BODY OF WATER VICTIM

Following the finding of the body of Mrs. Rose Smith Newton, of this town, age 41, whose reported drowning at first was thought to have been a hoax, Coroner Harry L. Dodd Friday night rendered a verdict of accidental drowning and releosed the $500 insurance policy on the woman's life that was temjorarily held up.

Circumstances surrounding the woman's disappearance while bathing in the Chester River, led the firemen who searched in vain for over 48 hours, to believe that there was a possibility that the woman may have perpetrated a hoax. However, the body was found Friday afternoon about a mile from where Mr. and Mrs. Frank McGinnis, with whom the woman lived and who were in the same bathing party, last saw her.

A brother, Edward Smith, of Baltimore, has been notified. Another brother is Robert Smith, of Crumpton, Md. Her mother is Mrs. Samuel Smith, of Philadelphia and a sister, Miss Lydia Smith lives with the mother.

Studebaker Free Wheeling makes me want to go places and do things

MOTORING was almost becoming commonplace.

Some men were saying: "I don't care anything about automobiling; I buy a car for *transportation!*"

Then Studebaker gave us Free Wheeling and put the thrill back into motoring (and a 15% to 20% saving in oil and gas). Now adults get the same joy out of driving a car that children get out of tobogganing, skating or chuting the chutes.

Motoring is again an OUTDOOR SPORT.

Now that you can buy a Free Wheeling Studebaker for $845, it's perfectly sil to buy a car without it—aren't I right?

This $845 Studebaker, by the way, is the lowest priced Six with Free Wheeling as standard equipment—engineered from tip to tail to give you the fullest benefits of Free Wheeling in its finest form.

Don't Rasp Your Throat With Harsh Irritants

"Reach for a LUCKY instead"

Everyone has an Adam's Apple—Every man—every woman has one. Touch your Adam's Apple with your finger. You are actually touching your larynx—this is your voice box—it contains your vocal chords. When you consider your Adam's Apple, you are considering your throat—your vocal chords.

"TOASTING" expels certain harsh irritants present in all raw tobaccos. These expelled irritants are not present in your LUCKY STRIKE—the modern cigarette. We sell these expelled irritants to manufacturers of chemical compounds. Everyone knows that sunshine mellows—that's why the "TOASTING" Process includes the use of Ultra Violet Rays. LUCKY STRIKE—made of the finest tobaccos—the Cream of the Crop—THEN—"IT'S TOASTED"—an extra, secret and exclusive heating process. It is this process that expels these harsh irritants. No wonder 20,679 American physicians have stated LUCKIES to be less irritating. No wonder LUCKIES are always kind to your throat. And so we say "Consider your Adam's Apple." Be careful in your choice of cigarettes.
