The Sudlersville Group of Churches

The May business meeting of the Sudlersville Group of Churches was held at Millington May 11th. At that meeting the Group officially welcomed the Cecilton Charge into the Group as a regular member. They were represented at the meeting by the pastor Rev. R. T. Thawley and the superintendent of the Cecilton Sunday School, Mr. Short. After the business meeting, Mr. James H. Bishop. Director of Religious Education for the Wilmington Conference gave a very helpful talk on young people's work.

Under the leadership of their pastor. Rev. J. G. Lynn, the young folks at Bridgetown have organized an Epworth League. This is probably the youngest League on the District. We wish them well.

The Primary class of the Galena week day school entertained their parents and those who have helped with the school, on Thursday afternoon. A short program of the songs, stories, memory work and dramatizations that have formed a part of the year's work were given by the children. Then refreshments were served.

All week day schools of religion will close the last week in May.

Sunday evening at Sudlersville a special missionary service was held in charge of the Epworth League. Young folks of all the groups in the Churches in the group were invited to attend, to worship with the group and learn more about the Algerian project, the young people's missionary program of the Wilmington Conference. After a devotional service, a vivid picture of Algeria and her need was made by Mr. James H. Bishop. Several selections by the Junior and the young people's choirs added much to the beauty of the service.

Consider your Adam's Apple!!*

Don't Rasp Your Throat With Harsh Irritants

"Reach for a LUCKY instead"

Now! Please!—Actually put your finger on your Adam's Apple. Touch it—your Adam's Apple—Do you know you are actually touching your larynx? This is your voice box—it contains your vocal chords. When you consider your Adam's Apple, you are considering your throat—your vocal chords. Don't rasp your throat with harsh irritants—Reach for a LUCKY instead—Remember, LUCKY STRIKE is the only cigarette in America that through its exclusive "TOASTING" process expels certain harsh irritants present in all raw tobaccos. These expelled irritants are sold to manufacturers of chemical compounds. They are not present in your LUCKY STRIKE, and so we say "Consider your Adam's Apple."
