KILL WOMAN JURY BILL

The House of Delegates tabled the bill to permit women to serve on juries Tuesday afternoon by a vote of 85 to 29 and then put a clincher on the measure, insuring its death for the remainder of the session.

The bill went to its death not without some discussion, however. As soon as the unfavorable report was submitted by the Judiciary Committee, Delegate Sleeman, Allegany county, in back of whose seat stood a bevy of advocates of the measure, moved that the bill be substituted for the unfavorable report.

Discussion which followed brought outbursts of cheers from the galleries and sidelines, which were crowded with lobbyists for the measure, other proponents and opponents.

Most of the delegates who favored the bill cited their opinions that women on juries would add to the administration of justice. Delegate Popp, Allegany county, said he was "in favor of keeping the home fires burning," but believed women could do great services in court.

"Eve made man swallow an apple and every man since has had an apple in his throat," was the comment of Delegate Matthews, Charles county, "and now these women are coming down here to try to make us swallow a political plum. I am against it."

KENT SENDS SYMPATHY TO TALBOT

Kent county citizens can sympathize with fellow citizens in Talbot county as noted in the following item:

The County Commissioners on Tuesday heard a representative delegation from St. Micheals, who are urging a bond issue for a new High School in that town, as was referred to by the Star-Democrat last week. Mrs. Denton Lowe headed the delegation and spoke at length on the reasons which impelled the request. Others advanced reasons also. Chairman Slaughter stated very frankly, and he was seconded by Mr. Harrison that Talbot county at this time was in no condition to stand another bond issue, with outstanding bonds already amounting to nearly a half million dollars. The intricacies of the bond issues, its redemption payments and interest, amounting to about $40,000 all told; in a year were further explained by Treasurer Turner.

The Board made it plain that in its judgement this was not a time to spend money that was not actually needed for properly housing the children, and while it was desirable to have nice looking school buildings, with well equipped play grounds, that this was the time to limit expenditures to actual necessities.

Students in a western college have solved the what-to do with used razor blades problem in an ingenious yet workable way. They are growing beards.

No wife will admit that her self-made husband is worth a dime unless she claims credit for remodeling him.

TRUST AND FAITH

The soil is ready for Spring planting in many sections of the Del-Mar-Va peninsula, and farm work may be said to have been resumed for the season. That the back of Winter has been broken is attested by the arrival of many of the migratory birds from the South and the departure ofwild waterfowl for their northern summer homes

Agriculturists are already negotiating with canners for next Summer crops while the plowboys turn their wide furrows ready for early planting. In the extreme southern portions of the Eastern Shore vegetation is coming to life, and indeed, the spirit of spring is slowly ascending from the Southlands and within another month the last trace of the long Winter will have faded out and gone.

One wonders what the new season may have in store for us. There is earnest hope and trust in every Christian country that the end of the period of universal depression will have passed with the coming if warm weather. Perhaps this anticipation may be realized or possibly only in a greater or lesser measure.

Whether we receive what we ask for and desire or whether we do not, we must have faith and trust that we will receive all that is needful for our welfare. We must accept that doctrine, if we believe the Biblical teachings, and doubtless we shall all have plenty.

In considering the belief of lack we must differentiate between needs and wants. Perhaps no one will receive or obtain all he wants. But we are promised that all of our needs shall be met, and we must accept the statement as the teachings of the inspired wise men who walked close to God. So we must distinguish between our needs and wants and return our grateful thanks for the fulfillment of the promise that nothing needful shall be withheld from those who have faith.

We, however, must keep on tilling the soil, and do our part in the great scheme of life, for the Divine Mind will exact from man his full portion of service and He will do the rest.

So whether we be farmers, artisans, industrialists, financiers or hewers of wood, we must co-operate with the return of the active season in the re-establishment of plenteous prosperity, for by no other way can it be brought back again and the distress of the civilized world relieved and the burden of the unfortunates lightened.

Let us therefore, with the return of Spring—the end of the lethargy of Winter—let us all put our shoulders to the wheel of progress and, whether we can push much or little, press forward all we can, for that means success and the overflowing of stagnation.

When the time comes for cropping it will find the people ready and waiting for the harvest. In the meantime let us hope and pray that it will be abundant and bounteous, but it must be through faith and trust in the omnipotence of the Infinite that the things we need be realized by us. —Every Evening.

ORDER OF PUBLICATION

Martha J. McWhorter, Emma C. Wright vs. Robert M. Catts, John D. Urie, Trustee

In the Circuit Court for Kent County, In Equity, No. 2657.

The object of the Bill of Complaint filed in the above entitled cause is to obtain the reformation of a Deed of Trust from Martha J. McWhorter to Robert M. Catts and procure a decree ordering the present Trustee, John D. Urie, to pay over to Emma C. Wright the monies now held in hand by him arising from the sale of the trust property.

The Bill of Complaint states:

That by deed dated February 25, 1902, and recorded among the Land Records of Kent County, State of Maryland, in Liber J. T. D. No. 8, at folio 216, etc., the Complaintant, Martha J. McWhorter, did convey certain lands unto one Robert M. Catts, as trustee, for the benefit of herself for life then for the benefit of her daughter the Complaintant, Emma C. Wright, for life, and upon the death of said Emma C. Wright to the children of Emma C. Wright, and in the event she should die without leaving any children then to her sisters and brothers, the other children of said Martha J. McWhorter.

That all of the known and determined beneficiaries under said deed of trust, both those whose interests are contingent as well as those whose interests are vested, have conveyed their beneficial interests thereunder unto said Emma C. Wright, unconditionally, by deeds and deeds of assignment.

That the Complainant, Martha J. McWhorter, alleges that she did not intend to create a trust by her said deed but desired to convey the property mentioned in said deed of trust unto said Emma C Wright in fee simple and unconditionally but was misinformed by said Robert M. Catts both as to the contents and the legal effect of the said deed of trust and that upon her discovery of his wrongful act he prevented her from correcting the deed of trust by misleading statements and hindrances which he placed in her way.

That by successive appointments of the Circuit Court for Kent County John D Urie is now Trustee of the trust created as aforesaid by Martha J. McWhorter.

That by decrees passed in Nos. 2611 nd 2215 Chancery said John D. Urie, Trustee, has sold the property conveyed in said deed of trust in order to preserve same and now has in his hands the sum of $5,175.89 as the proceeds of sale there of and upon which said trust is impressed.

That said Martha J. McWhorter has informed said John D. Urie, Trustee, of the wrongful conduct of said Robert M. Catts and directed said Trustee to pay over the money which he now has in hand as proceeds of sale as aforesaid unto said Efma C. Wright but said Trustee has not done so.

That the Respondent, John D. Urie, Trustee, is an adult residing in Kent County, State of Maryland, but the Respondent, Robert M. Catts, is a non-resident of the State of Maryland and to the best of the knowledge and belief of the Complainants is at this time residing in the State of New York, but whose place of residence is not certainly known to the Complainants.

It is thereupon, this 6th day of March, 1931, ordered by the Circuit Court for Kent County, sitting as a Court of Equity, that the Complainants give notice of these proceedings to the non-resident Respondent, Robert M. Catts, by publication inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 6th day of April next, warning him to appear in this Court in person, or by Solicitor on or before the 20th day of April next, and show cause, if any he has why a Decree ought not to be passed as prayed.

ORDER OF PUBLICATION

T. Arthur Skirven, et al vs. Percy G. Skirven, et al

In the Circuit Court for Kent County, In Equity, No. 2612.

The object of the Petition filed in the above entitled cause is to procure a Decree directing the application of various interests to the payment of certain judgments.

The Petition states:

1. That they, Charles H. Skirven and Frank Skirven, together with Harry Skirven, now deceased, were appointed Executors under the last Will and Testament of Thomas W. Skirven, and were qualified as such by the Orphans' Court for Kent County, Maryland, as will appear by a certificate of the Register of Wills of said County filed herewith and marked "Petitioners' Exhibit No. 1," a certified copy of the aforesaid last Will and Testament having been filed among these proceedings as "Complainants' Exhibit No. 4."

2. That your Petitioners, Charles H. Skirven and Frank Skirven, surviving Executors under the last Will and Testament of Thomas W. Skirven, together with the said Harry Skirven, as Executors aforesaid, on March 22, 1919, secured a judgment by confession against Charles H. Skirven and Clara A. Skirven, his wife, in the sum of Five hundred forty eight dollars and ninety cents ($548.90), together with interest and costs, the same being No. 34 Appearances, January Term 1919, as will appear by reference to a short certificate of said judgment filed herewith as "Petitioners' Exhibit No. 2," and your Petitioners allege that said judgment was a lien against the real estate herein sold and that the distributive share of the said real estate herein sold and that the distributive share of the said Charles H. Skirven in the proceeds of said sale should be applied to the payment of the aforesaid judgment indebtedness.

3. That they, together with the said Harry Skirven, as Executors aforesaid, obtained on January 4, 1906, a judgment against Percy G. Skirven for the sum of Three hundred eighty-nine dollars and eleven cents ($389.11), together with interest and costs, the same being No. 27 Appearances, October Term 1905, and that said judgment was renewed on April 15, 1918, and again on April 21, 1930, as will appear by a short certificate of said judgment and renewals filed herewith as "Petitioners' Exhibit No. 3," and your Petitioners allege that said judgment was a first lien against the interest of the said Percy G. Skirven in the real estate herein sold and that the distributive share of the said Percy G. Skirven in the proceeds of said sale should be applied to the payment of the aforesaid judgment indebtedness.

4. That they, together with the said Harry Skirven, as Executors aforesaid, obtained on January 7, 1907, a judgment against Harry Skirven and Julia R. Skirven, his wife for the sum of Eleven hundred forty-two dollars and thirty cents ($1142.30), together with the interest and costs, the same being No. 38 Appearances Oct. Term 1906, and that said judgement was renewed on Oct. 15, 1917 and again on April 21, 1930, as will appear by a short certificate of said judgment and renewals filed herewith as "Petitioners' Exhibit No. 4," and your Petitioners allege that said judgment was a first lien against the interest of the said Harry Skirven in the real estate herein sold and that the distributive share of the said Harry Skirven in the proceeds of said sale should be applied to the payment of the aforesaid judgment indebtedness.

5. That they, together with the said Harry Skirven, as Executors aforesaid, obtained on January 7, 1907, a judgment against Edmund H. Skirven for the sum of Two hundred twenty four dollars ($224.00), together with interest and costs, the same being No. 39 Appearances, October Term 1906, and that said judgment was renewed on April 15, 1918 and again on April 21, 1930, as will appear by a short certificate of said judgment and renewals filed herewith as "Petitioners' Exhibit No. 5," and your Petitioners allege that said judgment was a first lien against the interest of the said Edmund H. Skirven in the real estate sold and that the distributive share of the said Edmund H. Skirven in the proceeds of said sale should be applied to the payment of the aforesaid judgment indebtedness.

6. Your Petitioners further allege that the interest accruing on the aforesaid judgments, under the provisions of the Last Will and Testament of the said Thomas W. Skirven, was payable to Angeline S. Skirven during her life and that the interest accuring during the life of the said Angeline S. Skirven, but not then paid, is now payable to her estate but that the judgment indebtedness other than said interest is payable to the estate of the said Thomas W. Skirven which is still being administered upon by your Petitioners in the Orphans' Court for said Kent County.

7. Your Petitioners further allege that Charles H. Skirven and Clara A. Skirven, his wife, are residents of Kent County, State of Maryland; that Harry Skirven died on February 9, 1929, leaving as his heirs-at-law, his widow, Julia R. Skirven, and his two infant children namely: Thomas Harry Skirven and Dorothy Ann Skirven, who are also residents of Kent County, Maryland; that Percy G. Skirven is a resident of Baltimore City, State of Maryland; and that Edmund H. Skirven is a non-resident of the State of Maryland and is supposed to be now residing in the City of Chicago, State of Illinois.

8. Your Petitioners further allege that they have been advised that it is necessary for them to file this Petition praying your Honors to pass an order applying the interests of the said Charles H. Skirven, Harry Skirven, Percy G. Skirven and Edmund H. Skirven in the proceeds of the sale of the aforesaid real estate to the payment of the aforesaid judgments, but, before the same can be done, it will be necessary by appropriate processes to notify the aforesaid judgment debtors or those claiming under them of the object of the Petition and to that end they respectively pray your Honors to pass such an Order as may be necessary in the premisee as no part of the indebtedness secured by the said judgments has heretobefore been paid.

It is therupon, this 25th day of February 1931, ordered by the Circuit Court for Kent County, in Equity, that the Petitioners, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 30th day of March next, give notice to the said Edmund H. Skirven, non resident judgment debtor, warning him to appear in this Court in person, or by Solicitor, on or before the 13th day of April next, to show cause, if any he has, why a Decree ought not to be passed as prayed.
