The choir expects to render sometime during March or April Gaul's Cantata, "The Holy City." Rehearsals have been started on Wednesday evenings at 9 o'clock, or immediately after the rehearsal of the regular Sunday's music.

The midnight service on Christmas morning gives an opportunity of beginning the day in the most beautiful and appropriate way. It was attended by nearly 200 persons, of whom the greater number were communicants. The church was illuminated by candles only, with the exception of the small lights on the Christmas tree, and the lights on the silver star, over the altar. The music was rendered by a choir of twenty voices, and solos were sung by Miss Harriett Welch, W. J. Stenger and Mesdames Stenger, Sweetman and King.

The church school held its annual Christmas service on the evening of Holy Innocents' Day, which came on Sunday after Christmas. The children marched in with their class banners, singing the hymn "Angels from the Realm of Glory," the words of which were projected by lantern on the east wall of the church, as were all the carols. An offering of $25 was taken, which was devoted to the care of two children in the Children's Home at Easton. Prizes for perfect attendance were awarded to Carrie Schreiber, Miriam Thompson, Chas. Chester Atwater, Wm. P. Atwater, and Helen Brown. The Rector's Prize Bible, for attendance, interest, and good work, was awarded to Henrietta Duyer.

The Church Students Association of Washington College gave its annual dance to the freshman class shortly before Christmas in Emmanuel Church Parish House. This Association has organized with Mr. Kennon Perrin as president, Miss Elizabeth Mace, as secretary and treasurer, and the Rev. C. L. Atwater as chaplain. The organization meets every other Sunday for tea, discussion and supper, holding the meetings alternately at the college and Emmanuel Parish House. There are 18 regular members.

ADVENTIST CONVENTION

An event of note at Rock Hall recently was the Adventist Convention. This convention was an important event in the life of the church as it was to consider the work the church has done during the past year and to make plans for the work of 1931. The local church has just closed its annual campaign for missions and is happy to have raised $1208. During this annual drive for missions the Adventists carry to all their friends a report of their work and very thankfully receive their contributions. Seventh Day Adventists are conducting missions in 394 languages in 135 different countries at a cost of over $5,000,000 a year. They believe in and practice the paying and turned into the treasury last year over $73.00 per member. The school conducted by the church for the education of its children and youth came in for a large share of consideration as the superintendent of the several schools in this Chesapeake Conference, Mrs. C. D. Pickard, was among the out-of-town workers present. Prof. and Mrs. E. L. Hanson are teaching the school this year. The enrollment is 38. Capt. W. C. Witt and Mr. L. A. Godwin have been elected local elders of the church for this year. Harry Wright will lead Young People's Society of Missionary Volunteers, while Mrs. W. C. Witt will superintend the Sabbath School. Mrs. Witt carried this work during the past year and is to be commended in that she succeeded in holding the pennant awarded by the Conference to the Sabbath schools who raise thirty cents per member each week and one dollar per member on the last Sabbath of each quarter for missions. There will be another meeting held when there will be a baptismal ceremony.

The Old Kent Chapter, D. A. R., was entertained at the regular monthly meeting at the home of Mrs. Paul Titsworth, on Saturday, January 10. The following were elected to attend the State Board Meeting in Baltimore during the month of March:

Mrs. Charles Skirven, Regent; Mrs. W. G. Smyth, Vice Regent; Miss Ann Smyth, Miss Bessie Stuart, Mrs. H. H. Klinefelter, Mrs. W. T. Brown.

The monthly meeting of the Old Kent Chapter will be held at the home of Miss Emma Knight on February 14th.

Who did Christ say was his brother and sister, and mother? Answer, read —Matt. 12:46-50.

A CORRECTION

KENT COUNTY NEWS,
Chestertown, Md.

Dear Editor:

Yesterday my attention was called to a "local note" in your paper of last week, which called the attention of the public to the proposed erection of a Lutheran Church in Chestertown. The article was correct in the main features, but it is misleading in this that the proposed organization is called German Lutheran.

While it is true, that the sponsors of the movement are to a great extent Germans or of German extraction, the proposed congregation is not German. The language employed in our Sunday School and services at present is English only. There are at present very few Germans, who not use both languages fluently, while the younger generation prefers the language of their country. For that reason the church should not be called German.

No doubt German services will be held occasionally later, but it will never be the official language of the congregation, and for that reason neither the proposed charter nor any official meeting will make references that would imply that it is a German Church.

For the sake of the public we would appreciate a correction.

THEO. D. MARTESS,
Pastor Lutheran Church.

IN MEMORIAM

Mary E. Crew died thirteen years ago January 3, 1918.

In my heart your memory lingers,
Always tender, fond and true,
There's not a day, dear mother,
I do not think of you.

By daughter, Grace.

What would we give to clasp her hand,
Her happy face to see,
To hear her voice and see her smile,
That meant so much to us.

By grandchildren,
Susie and Lee Townsend.

Night Coughing Quick Relief

Famous Prescription Gives Almost Instant Relief

Night coughs or coughs caused by a cold or by an irritated throat are usually due to conditions which ordinary medicines do not reach. But the very first swallow of Thoxine, a doctor's prescription, is guaranteed to give almost instant relief. Thoxine works on a different principle, it goes direct to the internal cause.

Thoxine is pleasant tasting and safe for the whole family. It will give you better and quicker relief for coughs or sore throat than anything you have ever tried or your money will be refunded. Put up ready for use in 35c, 60c and $1.00 bottles. Sold by Toulson's Drug Store, and all other good drug stores.

The BEST Gray Hair Remedy is Home Made

To half pint of water add one ounce bayrum, a small box of Barbo Compound and one-fourth ounce of glycerine. Any druggist can put this up or you can mix it at home at very little cost. Apply to the hair twice a week until the desired shade is obtained. It will gradually darken streaked, faded or gray hair and make it soft and glossy. Barbo will not color the scalp, is not sticky or greasy and does not rub off.

BAN FLUFFY STYLE

"You may have your fur as you like it—so long as you like it flat."

Such is the Paris Winter edict on pelts which it is wearing in more devious and interesting ways right now than it has for many a season.

Fluffy fox and wolf pelts, extremely popular as coat trimmings last Winter, are taking second place this year in the daytime fur mode. The vogue is rich, but a bit more subdued Black and white are color favorites.

Broadtail, galyak and Persian lamb made into collars, cuffs, coat-tops and entire coats are the order of the day in long models, while in jackets one sees the same furs as well as ermine cut in narrow strips and pieced between with other pelts.

Ermine, always a Persian favorite in white for both daytime and evening, has branched out this season in both new colors and designs.

Now it is worn by day in beige, creme and grey in full length models as well as trimming for coats, the latter use promising to be popular this Spring.

FIELD SEED

Sowing time is approaching again, much time has been devoted to the selecting and buying of quality seed for 1931 seeding.

Prices this year will be more reasonable than was at one time to be expected. The very dry season caused a shortage in many of the producing sections while in some others weather conditions were just a little more favorable, which helps to make an average price level.

We shall be glad to have you inspect our stock and let us quote you on your requirements. We assure you the best of seed for your needs.
