MR. W. C. ROLPH, DEAR SIR: The Self-Feeding Huber Separator with Blower that I bought of you last year gave me perfect satisfaction. It threshes very rapidly and does the work in perfect order. The Huber Self-feeder, I think, is superior to hand feeding at all times. I like the way the Blower Fan is driven better than any I have ever seen. Wishing you success in the business this year, I am

GENTLEMEN: The Huber rig we got from you last season is a beauty. The engine the most economical in fuel, powerful, on road and belt, and the easier to operate than any other engine we have ever seen.
The thresher will thresh faster, save more grain, than any other, while the self-feeder handled the heavy straw of last season faster and better than hand feeding.
We can truthfully and cheerfully say that the Huber is the finest rig ever sold on the Eastern Shore.

WORTON ITEMS.

Arbor Day exercises held last Friday afternoon at the school house were a decided success. The day was beautiful for the occasion, and the recitations were all very pretty and well spoken, reflecting great praise upon the speakers and the teachers who had charge of the programme. Cake and lemonade were served in abundance at the close of the exercises, to which all did ample justice.

Sunday School was reorganized on last Sunday at the Presbyterian Sunday School with the following officers: Superintendent, Rev. K. M. Bull; Assistant, Mr. Jaywood Rambo; Secretary, Mrs. Frank Clark; Treasurer, Miss Margie Cooper; Organist, Miss Blanche Dwyer.

Sunday School was also reorganized at the Union.
Miss Hope Wallis, of Chestertown, spent Saturday and Sunday at the home of her parents, Mr. and Mrs. Samuel Wallis, near here.

Mrs. Caffery returned to her home in Philadelphia last week, after spending some time at Worton.
Mrs. Kiker, whose infant has been a great sufferer with her eyes since last winter, caused by the effect of the measles, returned from Philadelphia last week, after being absent from home several weeks, and reports no change in her child's eyes whatever.

Mr. J. W. Ivens took a trip to Baltimore this week to purchase store goods.
Whooping cough, which has been prevalent in Lynch's school, is said to have reached Worton.
Miss Addie Cooper spent several days last week with her cousin, Miss Bessie Cooper.

Miss Prettyman, of Wilmington, is visiting her aunt, Mrs. Dora Prettyman, near here.

BASE BALL SEASON OPENED.

W. C. Took the First Game Very Handily.

[REPORTED FOR THE TRANSCRIPT]

The baseball season of 1902 was opened on the Washington College diamond, on Saturday, when W. C. crossed bats with the Oxford Athletic Club, of Baltimore. The visitors had the reputation of being a strong aggregation, but fell far short of expectations and served only as good practice material for the home men. They did little team work and showed lack of practice. The home team displayed good judgment, the result of efficient coaching, and took every advantage of the wildness of the opposing pitchers. Over half of W. C.'s runs were the direct result of free passes to first. Nevertheless, when the ball was put "over the plate" the college boys banged it all over the field. The Oxfords were first at bat and caused considerable anxiety among the rooters by slamming out 3 safe hits for an earned run, in the first inning. But all fear was removed, when in her half, old W. C. chalked up 8 runs, enough to win the game without further play. But the climax was reached in the third inning when they tallied eleven runs, which were followed by five in the fourth inning. After this W. C. did not exert herself. The Oxfords were only able to score 5 runs in the whole game. For W. C. Marine was forced to play in the field because of a split finger. Burris and Noble took turns at catching and Crew played at short. Townsend pitched a steady and effective game, but did not show the speed of his well-known brother. Crew and Noble both made errors in the infield, while in the outfield, Hitch had the only two chances but failed to accept either. With the stick, Townsend and Gunby led for the home team with 3 and 2 hits, respectively. For the visitors, Holmes, Savage and Swendell did all the hitting. The game was called at the end of the seventh inning to allow the Oxfords to make the Tolchester boat.

The score follows:

W. C.	R.	A.	B.	H.	E.
