LOCAL MATTERS.

Fingers Amputated.—A colored man working at the sawmill of Mr. Walter Sparks, at Fairlee, had his hand so badly torn by the saw that Dr. W. Frank Hines, assisted by his son, Frank B. Hines, yesterday amputated two fingers.

Base Ball To-day.—The Washington College base ball team will meet their old athletic antagonists, the St. John's nine, on the college campus, at 3 o'clock this afternoon. The visitors are strong, but with Sam Townsend in the box the home boys have no fear of defeat.

Contract Awarded.—At a joint meeting of the Commissioners for Kent and Queen Anne County, in Centerville, on Tuesday, the contract to build a new draw for Chester Bridge was awarded to the York Bridge Company, at \$7,465. Two bids for a steel and one for a wooden draw were received. The draw is to be fully completed by August 1st, and the contracting company is to maintain and run a ferry during the period of their work. The draw is to be 114 feet long and 11 feet wide, the same size of the present one.

Soft Crabs.—As stated in the TRANSCRIPT at the time, the first soft crabs in the Baltimore markets, were received about two weeks ago. Mr. D. W. Crosby, of Piney Neck, the most extensive shipper of soft crabs in Kent, has been in Chestertown this week and says that the earliest he ever knew soft crabs in local waters was May 16. Mr. Crosby stated that his heaviest single shipment of the soft-shell delicacy was 222 dozen, and he then had ten or twelve dozen left on hand.

Accidentally Shot Himself.—Mr. Charles Nicholson, son of Mr. Robert G. Nicholson, was painfully but not seriously shot on Thursday. The young man usually sleeps with a pistol under his head and on Thursday went to remove it for some purpose. He ran his hand under the head of the bed and taking the weapon by the barrel was drawing it from under the covering, when in some way the hammer was caught and fell on the cartridge. An explosion took place and a ball passed entirely through the hand. The wound was dressed and no serious results are anticipated from the accident.

CHURCH NOTES.

Rev. E. P. Roberts, pastor of Chestertown M. E. Church, will preach a special sermon to the members of the fraternal orders of Chestertown, on Sunday morning, May 4. All members of the local orders are requested to meet at Fraternal Hall at 10 o'clock, preparatory to marching in a body to the church.

The Sacrament of the Lord's Supper will be celebrated at Grace Presbyterian Church at 8 p. m. to-morrow, and at Worthington Presbyterian Church at 7:30 p. m. Sunday school as usual.

Rev. K. M. Bull was in Wilmington last week attending the meeting of New Castle Presbytery.

Rev. Frank T. Benson, for four years' pastor of the Centerville M. P. church, took occasion in his last sermon to notify the flock from which he was going, that he had reasons for changing to another field, which were not of a mercenary character. Mr. Benson frankly told his congregation why he was not desirous to remain. First, because he did not think he was wanted, and secondly, because, to a great extent, his pastoral usefulness had come to an end. It was not for a larger salary, he said, he went elsewhere, as he was loath to leave his native county and a congregation to which he was devotedly attached.

Sunday-School Convention.

A BIG TIME AT ROCK HALL ON SUNDAY LAST.

On Saturday night a District Sunday School Convention began its sessions in Rock Hall M. E. Church in the presence of a very large audience. State Supt. G. H. Nock was elected temporary chairman, Mr. Arthur Greenwood was elected temporary secretary. Mr. Nock delivered an introductory address, and the convention was heartily welcomed by the pastor, Rev. J. W. Talley. A conference was held on the Home Department which was thoroughly discussed. Questions were asked and answered and considerable interest evoked. On Sunday morning at 9:30 a Sunday School Experience Meeting was conducted by Mr. Benjamin Rash, of Worton. At 10:30 the convention discourse was delivered by the State Supt.

At 2:30 a Children's Mass Meeting was addressed by the Hon. James H. Baker, State Supt. Nock and others. This was followed by conference on Normal work conducted by the State Supt.; Rev. J. W. Talley also made some remarks on the subject. The music at this service was furnished by the Wesley Chapel choir. At 7:30 the closing session was held. Throughout the day the audiences were very large, but at night it was overwhelming, large numbers being unable to secure admittance. The addresses were made by the State Supt. and the pastor. The music throughout was good and the hospitality of the people was extended in genuine Eastern Shore style. The music on Sunday afternoon was rendered by the Wesley Chapel choir. Throughout the convention the music was good.

TO SWIM FROM POOLE'S ISLAND TO BALTIMORE.

Wm. J. Glover, Jr., Will Undertake to Swim Thirty Miles in June—Last Year he Swam from Tolchester to Baltimore.

William J. Glover, Jr., who is the champion long distance swimmer in Maryland, if not of the world, proposes to swim from Poole's Island at the head of the Chesapeake bay, and a short distance below Turkey Point, Cecil county, to Baltimore, on Saturday, June 28.

Glover is the young East Baltimorean who during the latter part of July created a furor of interest by swimming from Tolchester to Baltimore, a distance computed at 20 miles. The distance from Poole's Island to Baltimore is reckoned at 30 miles, so that the proposed swim is a greater feat than the one accomplished.

Arrangements have been made to charter a steamboat to take a large party to intercept Glover on his swim and to follow him along a portion of the course.

Glover proposes to enter the water at Poole's Island at 4 o'clock of the morning of June 25, which Glover calculates will be the turn of the ebb tide. He counts on this tide to help him along down the Chesapeake bay to the mouth of the Patuxent river, when, it is his plan, to have the flood tide boost him along until the Riverview landing shall have been made. If the tides and winds work in his favor Glover believes he can make the trip in 12 hours or less.

When Glover made his swim from Tolchester last season he did it under disadvantageous conditions. He left Baltimore on the afternoon previous to the swim, on the Tolchester boat, carrying Glover's father and brother followed him on his return. Glover started on the long voyage without having had proper rest and after falling down a stairway and abrading his leg. Glover also started without systematic training.

Resolutions of Respect.

WHEREAS, The great and Supreme God of the universe has in His infinite wisdom removed from us, one of the aged and esteemed members of the Mt. Vernon Literary Society, Major Eben F. Perkins. And

WHEREAS, Our long and intimate relation with him in the faithful discharge of his duties both in the founding of this society and his unceasing work for it since its establishment makes it eminently befitting that we express publicly our appreciation of him.

Resolved, That the wisdom and ability which he has exercised in his aid of our organization, by service and by advice, will be held in grateful remembrance.

Resolved, That the death of such a man leaves a vacancy and a shadow that will be deeply realized by all the members and friends of this organization, and will prove a serious loss to the community.

Resolved, That we tender to the bereaved relatives of the deceased our heart-felt sympathy and our hope that even so great a loss to us all may be overruled for good by Almighty God who doeth all things well.

Resolved, That a copy of these resolutions be published in the newspapers of Chestertown and that they be inserted upon the minutes of the Mt. Vernon Literary Society of Washington College, and a copy be forwarded to the bereaved family.
