SATURDAY, MAY 10, 1902.

McLAURIN has undertaken the task of introducing "Commercial Democracy" in South Carolina. This is only another name for the repudiated southern Republican party.

UNFORTUNATELY, Senator Tillman makes some miserable mistakes in his public utterances, but taken all in all, the South Carolinian gives expression to much that is of the political gospel sort, and puts it in rugged English, too.

REAR-ADMIRAL WILLIAM T. SAMPSON, retired, died in his home in Washington, D. C., on Tuesday afternoon. There is little doubt that the Schley-Sampson controversy did much to hasten the end. Rear-Admiral Sampson was the son of a day laborer in New York State, and worked his way to the point of being recognized as one of the best strategists and tacticians in the American navy.

OUR FORCEFUL AND FULL OF FORCE fellow townsman, John David Urie, has heard the gentle whisperings of the Congressional honors and is considering whether or not he could stand the "sacrifice" of accepting. It has been quietly intimated that that eternal fitness of things is somewhat out of joint within Republican ranks. Kent should have the Republican nomination, but what is the matter with those old-liners, Wilbur Eliason and James H. Baker, or if you please, Col. William J. Vannort? These gentlemen were Republicans when it was not altogether profitable or socially agreeable to stand by the banner of an unqualified Republicanism.

WON'T FOLLOW ADVICE AFTER PAYING FOR IT.
In a recent article a prominent physician says: "It is next to impossible for the physician to get his patients to carry out any prescribed course of hygiene or diet to the smallest extent; he has but one resort left, namely, the drug treatment." When medicines are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach & Liver Tablets, should be employed. Their use is not followed by constipation as they leave the bowels in a natural and healthy condition. For sale by M. A. Toulson, Chestertown, Md.

A LAST CHANCE.

A meeting of the directors of the Baltimore and Delaware bay branch of the Pennsylvania railroad system, will be held at the depot in Chestertown, to-day, for the purpose of electing officers. In the party will be Mr. Brooks, superintendent of construction, Superintendent Holliday and other officials prominent in the management of the Pennsylvania system. Though the contract for the new depot has been given out, so far as we know the exact location of the new building has not yet been definitely settled upon. The visit of the railroad officials today will give the business men another and last opportunity to present their case before the authorities.

The business men of the town have no lack of merit in their contention that the placing of the new depot nearer the business centre of the town, and an extension of the road to the river would be a strong business move on the part of the railroad. In the first place, the direct increase of heavy freights would, in the course of a few years meet the necessary expense of the improvement, and in the next place, the move would result in such friendliness of feeling of the people toward the railroad as to figure as no inconsiderable factor in the Baltimore & Delaware Bay's future as a profitable feeder to the Pennsylvania system.

The representative business men of Chestertown should not fail to meet Supt. Brooks, Supt. Holliday and the other prominent railroad officials today and present the case of the business interests of Chestertown in its strongest possible light. The change is a matter of great importance, not alone to Chestertown, but to the local road.

On more than one occasion the Pennsylvania management has shown its desire to deal generously with this section, and it is hoped that in the present instance there may be no exception to their established rule of generous treatment of the people of Kent.

"NULITE" Gas Lamps

In Regard to Insurance

Nulite Lamps are included in the list of approved gasoline lamps, by the National Board of Fire Underwriters. Throughout the country west of Pennsylvania, the use of these lamps is permitted on all insurance policies free of extra charge.

Here in the east, where they are not in such general use, many insurance companies are still exacting an extra premium. Some companies, however, are recognizing the entire safety of the approved lamps and issues permits free.

Among such doing business on the Peninsula is the Kent County Mutual Insurance Co., of Dover, Del.

If the company you are insured with is not thus liberally disposed, ask for your relative, and place your insurance with a more liberal company.

These lamps have come to stay, and it is merely a question of a short time when all companies here will issue permits free, as in the West.

Yours for cheap light and plenty of it,

WILLIAM TATNALL,

Gen'l Agent, Chicago Solar Light Co.

199 ACRES

It is in a high state of cultivation, and does not have to be improved. All of the farm is suitable except about thirteen acres in timber. The location is especially convenient, being on the public road leading from Kennedyville to Gaithersburg, and is on the line of the Pennsylvania Railroad system, and three and three quarters miles from Turner's Creek, a branch of the Susquehanna River, and four and one third miles from Shalcross' wharf, affording easy access for the shipment of grain. The improvements consist of a

The situation of this farm is particularly attractive. It is on the main road from Chestertown to Kennedyville, about one and three fourth miles from Chestertown, and within one-half mile of Horwett School.

The Dwelling

is a new Three-Story Frame Building, having ten rooms and kitchen, comfortable and convenient, built of the best lumber and by the best workmanship. The barn is also comparatively new and very strongly built. All the other buildings are in good condition and entirely adequate for the farm. The outside fencing is old, the inside fencing is in excellent shape. A beautiful CHESTNUT GROVE of about ten acres will furnish all necessary posts and rails for fencing. About eight acres will be planted in tomatoes, and the proceeds of the crop will be divided equally between the purchaser and the tenant, after first deducting the cost of fertilizer, seed, plants and baskets.

2500 Peach Trees in Bearing

AND AN APPLE ORCHARD.

It is an excellent fruit farm, and lies in the section of Kent county where all kinds of fruit thrive with the most certainty. Considerable valuable timber is on this farm, for which a ready sale could be secured.

The three-story of a Comfortable

Frame House,

Barn, Stable and Sheds in fair repair. The fencing is in good order, and a great deal of new fencing has been done in the past few years.

2 years old last fall. Considerable Wood and Timber are on the farm, and a vast amount of fencing has been done in the last three years. This is a very desirable farm, either as an investment or for a home. Nicely located, convenient to churches, schools and steamboat landing.

A Business Proposition.

CENTREVILLE, Md., April 3rd, 1902.

W. H. Gibson, Esq., Gen'l Agent for the New York Life Insurance Company, Centreville, Md.

Dear Sir:—It gives me great pleasure to acknowledge the statement of the options on my 20 year policy for \$2500 in New York Life, maturing August 5th next. I paid the company in twenty years \$1839, and they now offer me in cash \$2426.31, being \$587.31 profit, or in other words they will return me all the premiums I paid and nearly 34 per cent. interest on the money; besides having the protection of \$2500 for 20 years for nothing; or they will give me a paid up policy for \$4030. The settlements offered, I must confess, are agreeably surprising, and I must thank you for soliciting me to take the insurance. Such a statement as the above should be interesting to any intelligent community. Respectfully,

J. Hersey Hall.
