Mr. Thomas Maslin, the well-known Quaker Neck farmer, spent several days of the past week the guest of Mr. and Mrs. D. P. Jones, in Philadelphia. Mr. Maslin always wears his pants in his boots and is in every way an ideal picture of the aggressive, up-to-date Eastern Shore farmer. When he put in an appearance on the streets of Philadelphia, as Mr Maslin laughingly puts it, "I was as much of a curiosity as Buffalo Bill's Wild West Show." Mr. Maslin returned on Monday delighted with his trip.

Mr. J. Frank Davis, of Wilmington, spent Sunday in town. His wife, who has been visiting relatives here, returned home with him Monday afternoon.

ALONG THE WATER FRONT.

Big Receipts of Fine Basket Timber.

The largest consignment of fine basket timber ever received in Chestertown, arrived at the Scott's Point wharf of Messrs. Crane, Hynson & Valliant, on Monday. Two steam barges having on board 78,000 feet of box timber completed the trip from the Roanoke river, North Carolina, having left the North Carolina swamps on the Friday before.

Some of the logs measured 40 inches across the large end, were as straight as an arrow and without knots. Old basket and timber men who saw the big logs declared that they had never seen anything to compare with them. The trees from which these logs were cut were from 80 to 100 feet tall.

AT THE COURT HOUSE.

Smith Brothers, of Edesville, Get the County Bonds—Other Notes.

The board of county commissioners on Tuesday awarded the batch of $10,000 county bonds, styled "Refunding Bonds," to Smith Brothers, of Edesville, on a bid of $10,250. The bonds bear four per cent. interest. The bid of $10,588, made by Seasongood & Mayer, of Cincinnatti, was conditional, and was later withdrawn. Cashier W. W. Chapman was the next highest bidder at $10,207. Mr. Chapman made a vigorous contention before the board insisting that as his bid was accompanied by a cashier's draft as advance deposit, and the bid of Smith Brothers was accompanied only by a personal check, he (Mr. Chapman) was entitled to the bonds. The commissioners took a different view of the matter, and the Edesville bidders secured the entire issue.

Clerk James T. Dixon has issued the following marriage licenses during the present week;

Daniel K. Johnson and Lottie Warner, Isaac P. Naylor and Mary Garner, John W. Block and Annie Frisby, all colored.

The last will and testament of the late S. Frank Smith was filed with the Orphans' Court for probate on Tuesday. After providing for burial expenses and the payment of all debts, the property, real, personal and mixed, is left to the wife of the deceased. Charles S. Smith is named as executor. The will was written by the late Eben F. Perkins, in 1890, and was witnessed by Eben F Perkins, Clarence W. Perkins and C. C. Hopper.

James P. Davis on Tuesday took out letters on the estate of the late Michael Harris.

WHIT MONDAY RACES.

Nearly Five Hundred Persons Witnessed the Events at Rose Hill Track.

Monday was a red-letter day in the history of Rose Hill track, on the suburbs of Chestertown. Mr. Bell had given his Whit Monday races the widest possible publicity and the public was anxious to see Bedworth, Jr., spin off some of his low figures. Horsemen from every section of the county were present and many ladies took in the day's track events. It is estimated that about five hundred persons witnessed the speed contests. The events and results were:

2.15 Class—Trot and Pace.

Jas. Archibald's Geo. Russell	2	1	2
Geo. H. Huber's Hannah D., Shipley	1	2	3
Wm. A. Bell's Bedworth, Jr.,	3	3	1

Time, 2.36½, 2.30, 2.26¼.

3.00 Class—Trot—2 in 3.

W. C. Palmatory's Happy John	1	1	
Benj. Benton's Lady Hawk	2	2	
J. Frisby Newcomb's Orange	3	dr.	

Time, 1.27½, 1.25.

Judges and timers—G. Allen Jarman, W. P. Finley, Wm. Clough.

An interesting feature of the occasion was an impromptu go between Capt. Cecil R. Atkinson's finely-bred grey, and Mr. C. A. Palmatory's Happy John. The grey was a surprise to many of those present, and even that veteran horseman, Mr. Palmatory, did not know what he was "up against." The Church Hill horse, it is true, was without his hopples, but under the most favorable circumstances it is a question whether or not the little grey, which was also out of condition, would not have thrown dust in his face. Capt. Atkinson has one of the very best of our local goers.

BUILDING OPERATIONS.

Mr. William R Pippin has commenced the two-story addition to his hotel. This change will not only add to the attractiveness of the hotel building but will better enable the popular hotel proprietor to accommodate his constantly increasing patronage.

Work was commenced on the handsome Front street residence of Captain Curtis E. Crane last week. Mr. Crane has one of the most desirable building situations in town, and his new home will be one of the most spacious and attractive in that centre of pretty homes. It will be equipped with every modern convenience, the interior will be arranged with a view to artistic beauty and convenience, and the exterior will be of a style of architecture at once graceful and artistic. The Messrs. Duyer Bros. are doing the work.

Local Gardeners.—Col. William J. Vannort has abandoned the political field (since the town election) for the pastoral pleasures of the garden. He gathered the earliest peas, has the finest berries, and is one of the happiest gardeners in town. Cashier W. F. Russell, Mr. Leary, and Clerk James T. Dixon, all have fine gardens of fine vegetables, but still,—

RAILROAD NEWS.

Work on the New Stations to Commence on Monday, but the Location of the Chestertown Depot not yet Designated.

The new turntable at Massey was completed last week. All passengers from Kent now change to the Centreville train at Massey and reach the main line by way of Townsend instead of by Clayton. It is hoped that at an early date the local time-table will be so arranged as to permit of the trains leaving Chestertown at 7.45 A. M. and 3 o'clock P. M. It is rumored that an afternoon freight is soon to be put on, and if this be true, the schedule as outlined could be easily carried into effect.

Contractors W. S. and A. M. Culp will commence the preliminary work of arranging for the building of the six new depots along the line of the Baltimore and Delaware Bay Railroad, on Monday. Mr. Culp has received no specific instructions relative to the location of the new depot for Chestertown. The building at Lambson's will be the first on the list to be erected.

A gentleman who came down in the clean, airy and bright passengar coach on the local road on Monday, declared that he was almost tempted to think that he was indulging in a fanciful dream. Thanks to Supt Holliday, Mr. Brooks and others of the Pennsylvania management, the changes on the local road are wonderfully great.

WITH THE BASEBALLISTS.

Col. John George's Boys Have the Nerve—Good Work on the Diamond.

Rural enthusiasm in baseball is on the increase and some good work is being done on the diamond. Col. John E. George is nothing if not a sport in every letter that the word implies. Crumpton went so far as to import men to down the Queen Anne commissioner's men on Saturday, but it was nerve against skill and nerve won. The Sudlersville team is referred to as Mr. George's aggregation because it goes without saying that there is no sport in the George country of which he is not the head.

The Crumpton correspondent of the *Observer* piles it on the Sudlersville men fast and furious, but the Crumpton men lost you know.

The correspondent thus describes the game:

"The Crumpton base ball team composed of a 'catcher' from Baltimore, a pitcher from Philadelphia, and a team from 'God knows where' went to Sudlersville last Saturday for the purpose of playing a friendly game of ball. Our team put up the superior game of the two until they had, at the end of the 7th inning, practically won the victory. Just at this time one of the members of the Sudlersville team put in some 'dirty' work which reflects no credit upon the Sudlersville team or the fair name of the town which it represents. One of the Sudlersville players ran into our catcher with great force, when there was no necessity for doing so. The disgraceful scenes which followed completely unnerved our boys with the result that the game was given away by a single run. It is the general opinion of the players and the witnesses of the game that Sudlersville did not win the game on its merits and we confidently believe that we have the stronger aggregation which is not from such separate localities as the informer in last week's *Observer* would lead one to infer, but from the immediate vicinity, and as much a home team as is that of Sudlersville. We are ready and only two glad to play a friendly game with Sudlersville on our home grounds and we promise that there shall be no such scene as the whole community almost, rushing on the diamond at a little disturbance."

The Unicorn Band enlivened the game of ball between the Crumpton and Kennedyville teams. The band is making efforts to secure a handsome band-wagon with every promise of success.

Church Hill was a town of base ball last Monday. Three games were played there during the day. Centreville vs. Church Hill, Chestertown vs. Church Hill and a game between two of the local clubs.

The game of ball played with the Centreville boys was an interesting one, but had a rather unfortunate ending. For some unexplained reason the Centreville club refused to play at the end of the sixth inning when the score stood 19 to 12 in their favor. The umpire, accordingly, forfeited the game to Church Hill by a score of 9 to 0.

The Sudlersville players are hankering for a tilt with the Washington college players. The *Observer* correspondent says:

"There are yet some hopes of the Sudlersville team getting a game with the Washington College nine. It seems that almost every negotiation which has been made has fallen through so far, owing to the fact that the college was not willing to put up a forfeit for a return game. While we do not think that we have a team which can defeat the college team, we do believe that we can make the game interesting."

The Washington College baseball team left yesterday for a game with the Maryland Agricultural College.

*†*Mr. J. F. Thompson has moved into his remodeled storeroom.

Galena's New Postmaster.—Mrs. Joseph Boyd took hold as Galena's new postmaster on Thursday of last week. Mrs. Boyd, Mr. W. A. Whitaker and Postmaster Dempsey were the applicants for the place. Mr. Dempsey was popular and had a splendid record back of him, but it is said that the fine Italian hand of Mr. Urie turned the scale against him. Should Mrs. Boyd's official record be as satisfactory as that of Mr. Dempsey, she may well feel gratified.

A Kent County Mule.—A Kent county mule is charged with being a "nuisance" by some of the citizens of Pond Town, in Queen Anne. It is stated that some "Kent countian" gave the mule to Mr. Oscar Pleasanton. The mule's Kent county record, among other things, included the death of four suckling colts and other unseemly misdemeanors. It is now charged that this same mule is allowed to run at large on the Queen Anne public roads because barbed-wire has no terrors for it, and unreasonable farmers consider it a nuisance.

A Thrilling Ride.—A 9-year old boy on the farm of Mr. J. F. Dodson was the hero of a thrilling runaway on Monday. The little fellow was in the wagon while Mr. Dodson's son was loading it. From some cause the horses took fright and dashed off at terrific speed. Down a hill and steep embankment, around the field the frightened horses dashed, while young Dodson stood helpless to render assistance to the imperiled boy. Instead of becoming frightened and endeavoring to abandon the team, the little hero stood by his reins and finaly succeeded in bringing the horses to a standstill, and that too, without the breaking of a strap or any damage whatever. Mr. Dodson considers the child's escape almost miraculous.

CHURCH NOTES.

Rev. James A. Mitchell Resigns.

Rev. James A. Mitchell, for more than 29 years the greatly-loved rector of St. Paul's Church, Centreville, has tendered his resignation to take effect in October. The reason assigned is failing health. The vestry has accepted the resignation with profound regret. Mr. Mitchell went to St. Paul's thirty years ago from Trappe, Talbot county, and under his ministry a constant benediction has rested upon his church and its people. The congregation has grown in grace and in numbers. It is not as yet known who will be Mr. Mitchell's successor.

Rev. S. P. Shipman, the new and eloquent pastor of the Galena M. E. Church, electrified his congregation by his temperance sermon on Saturday last. The speaker laid eloquent stress upon the lurking danger in not meeting the advanced moral sentiment of the people. To emphasize this point he referred to the recent election in Fredericktown, a Cecil County village not two miles from the pretty village of Galena, in which intoxicating liquors are sold.

Mr. Shipman made the startling statement that notwithstanding the fact that 44 of the citizens of Fredericktown had voted against the sale of liquor in the town and but 17 had voted favorably to it, the Cecil county authorities had granted a whiskey license for the village. The time is not far distant when such an instance of total disregard of the wishes of the people on the part of public officials, will not be possible.

Rev. John S. Bowers, son of Mrs. A. M. Bowers, of Chestertown, at present pastor of Clark Memorial Independent Methodist Church, Baltimore, in referring to the great calamity on the island of Martineque and St. Pierie, said:

"Man has for centuries been studying God in nature, yet the book of science is but a small book. In some essentials the words of science are especially wanting. We speak of the laws of nature as though we thought we knew all about them, but it may just be so that as some of the old theories have been burst as a bubble and forgotten, so will some pet theory of the advanced scientists be swept away in the next century. We stand in awe of God's glory and majesty and power as we see the split mountain and awful flame ascend. I do not believe the destruction of St. Pierre and the awful desolation in lives and property is the result of God's specific anger with those voluptuous people, but a wider range of vision does God entertain as He looks upon the human family, and amidst the mad rush in which we are all participating the volcano speaks, and all the world is thinking of God."

The annual convention of the diocese of Easton, which includes all Protestant Episcopal churches on the Eastern shore of Maryland, will convene in Trinity P. E. Church, Elkton, on June 3. Mr. Philip G. Wilmer has been designated the delegate from Shrewsbury Church. Dr. W. Frank Hines is the delegate from Emmanuel Church.

MARYLAND COUNTY SHOOT.

Fine Work by the Queen Anne County Three-Man Team.

The Maryland County Shoot commenced at Prospect Park, Baltimore, on Wednesday.

Three sets of traps were in use and over 16,000 targets were thrown, and still it was impossible to finish the day's programme, including the premier event, the contest which is to decide which is the champion team of any county in the State. The firing continued until it was too dark to see a target.

The main interest centered in the winning team of this race. Queen Anne's county team No. 1, composed of George, Booker and Seward, had a total score of 121 out of 150 targets. A Baltimore county team from Towson claimed a total of 122.

INTERCOUNTY CONTESTS.

In the last few weeks the Queen Anne's county and Anne Arundel (Annapolis) teams have been shooting a series of races. Each team won one race on its own grounds. On Wednesday these teams shot their final race and the Queen Anne's county team won the contest and championship as between these counties. Each man shot at 50 targets. The scores were as follows:

QUEEN ANNE TEAM.

George (capt.)	19	19	38	Sudler	20 19 39
Booker	23	21	44	Brown	19 17 36
Seward	21	20	41	Wallace	17 19 36
Godwin	20	18	38		
Smith	19	20	39	Total	311

ANNAPOLIS TEAM.

Tydings (capt)	22	19	41	R. Smith	15 19 34
Boucher	15	15	30	Commet	15 15 30
Levy	20	21	41	Watts	17 16 33
Basil	22	20	42		
Coffin	20	18	38	Total	289

AS THE TEAMS FINISHED.

In this event the final standing was:

First—Baltimore county team No. 2, with 122 breaks.

Second—Queen Anne's county No. 1, with 121.

Third—Cecil county No. 2, with 120.

Fourth—Queen Anne's county No. 2, with 115.

Fifth—Anne Arundel No. 1.

Others finished according to the summary herewith given. For low prizes Anne Arundel team No. 4 won the lowest with a score of 82, Calvert county team won second low with 84, and Prince George's county No. 1 got third low with 86.

Last year the Queen Anne's County Team No. 1 won the Championship.
