The duel in the dark was a favorite with duelists. Two men were locked in a dark room and crawled stealthily from corner to corner, until some false step made one of them the target for bullet or blade.

Life is a duel in the dark with disease. One false step, one mistake, and the attack comes swift and sudden. The mistake which commonly opens the way for an attack by disease is neglect of the symptoms of stomach trouble. When eating is followed by undue fullness, belchings, sour or bitter risings, etc., disease is attacking the stomach. The best way to frustrate such an attack is to use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition, and makes the body strong and healthy.

"I was suffering very much with my head and stomach," writes Mrs. W. C. Gill, of Weldon, Shelby Co., Ala. "I was so dizzy when I would rise up in bed would fall right back. I could eat but very little, in fact scarcely anything, there seemed to be a heavy weight in my stomach so I could not rest; I had to belch very often and would vomit up nearly everything I ate. I was in a bad condition. I took four bottles of Dr. Pierce's Golden Medical Discovery and five of his 'Favorite Prescription' and am now well and hearty. I feel like a new woman and give Dr. Pierce's medicines credit for it all. I had taken medicine from physicians without any benefit as I could see."

Whooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: Our three took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.—JESSIE PINNEY Hall, Springfield, Ala. This Remedy is for sale by M. A. Toulson, druggist, Chestertown, Md.

HE FEARED HE HAD LOST

When Wu Ting Fang, the famous Chinese Minister to Washington, irritable and somewhat forgetful from a severe cold, missed one day from the front of his cap the immense diamond he always wears there, he was dreadfully frightened. A friend pointed out that the statesman had inadvertently donned his turban wrong side before, and that the diamond was safe in the rear. Had Wu Ting Fang been wearing a Benson's Porous Plaster on his chest or back to cure his cold, he never would have doubted its location. He would have felt it doing its work,—warming and making flexible the torpid muscles, extracting the pain and soreness, promoting the free circulation of the blood, stimulating the skin and lungs to proper action, and so dissolving and banishing the malady. Thus we perceive, beloved friends, that

THE BIG DIAMOND ON HIS HAT

while a pretty thing to look upon, was of no practical use. But Benson's Plasters are supremely useful. They relieve colds, rheumatism, neuralgia, colds on the chest, lame back, etc., so quickly and completely as to make you wonder how it can be. Better now,—well to-morrow; that's the way they work. Get the genuine. All druggists, or we will prepay postage on any number ordered in the United States on receipt of 25c. each. Seabury & Johnson, Mfg. Chemists, N.Y.
