The Dinner Pail

Of the American working man is generally well filled. In some cases it is too well filled. It contains too many kinds of food, and very often the food is of the wrong kind—hard to digest and containing little nutrition. As a consequence many a working man develops some form of stomach trouble which interferes with his health and reduces his working capacity.

Where there is indigestion or any other indication of disease of the stomach and its allied organs of digestion and nutrition, the use of Dr. Pierce's Golden Medical Discovery will almost invariably produce a perfect and permanent cure.

Mr. Thomas A. Swarts, of Sub Station C, Columbus, O., Box 103, writes: "I was taken with severe headache, then cramps in the stomach, and my food would not digest, then kidney and liver trouble and my back got weak so I could scarcely get around. At last I had all the complaints at once, the more I doctored the worse I got until six years passed. I had become so poorly I could only walk in the house by the aid of a chair, and I got so thin I had *given up to die*, thinking that I could not be cured. Then one of my neighbors said, 'Take my advice and take Dr. Pierce's Golden Medical Discovery and make a new man out of yourself.' The first bottle helped me so I thought I would get another, and after I had taken eight bottles in about six weeks, I was weighed, and found I had gained twenty-seven (27) pounds. I am as stout and healthy to-day, I think, as I ever was."

FREE. Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.

THE CANNER'S ASSOCIATION.

Fully Organized and Officers Elected—The Object.

The American Packers' Association met on Monday in Wilmington, formally accepted the charter secured under the laws of Delaware and organized under the charter. This is the organization with $6,000,000 capital, which was recently formed for the purpose of combining most of the canning establishments in New Jersey, Delaware and Maryland.

The officers selected were: William L. Stevens, of Cedarville, N. J., president; Henry H. Hughes, of Philadelphia, Henry P. Cannon, of Bridgeville, and Thomas L. Day, of Ridgely, Md., Neff, Philadelphia; Cassius M. Dashiels, Princess Anne, secretary; Robert K. Neff, of Philadelphia, treasurer, and these directors: Alfred Bilderbeck, Harry Lambert, Salem, N. J.; Franklin C. Probasco, Bridgeton, N. J.; W. L Stevens, Cedarville, N. J.; Henry D. Hughes, William P. Huston, Robert K. Neff, Philadelphia; Cassius M. Dachiels, Princess Anne, Md.; Thomas L. Day, Ridgley, Md.; George V. Evans, Aberdeen, Md.; James Wallace, Cambridge, Md.; John T. Webb, Vienna, Md; Chas. T. Wrighton, Easton, Md; James H Hoffecker, Wilmington; William Ellison, Camden, Del.; H. P. Cannon, Bridgeville, Del.; George R. Jones, Georgetown, Del.

Satisfactory arrangements were made for financiering the project. The Real Estate Trust Company of Philadelphia will be the trustee under a deed of trust or mortgage to secure the bonds which will be issued. Immediate steps will be taken by the officers to affect the prompt legal transfer to the company of the various plants, about sixty in all, which have been secured by the new organization.

The new company is capitalized at $6,000,000, and has a bond issue of $1,000,000. The main business office will be in Philadelphia, and there will be branch offices in New Jersey, Delaware and Maryland. The plants included in the deal pack from 1,500,000 to 2,000,000 cases of vegetables annually. In addition to this a number of them own can and case-making plants which are also included. Comly & Flanagan, of Philadelphia, will be the general salesagents.

The principal output of the new company will be tomatoes. Peas, corn and beans will also be canned, but not in such large quantities as tomatoes. No meats or fruits will be canned.

The plants which will go into the new company will be purchased outright and controlled by the company, and it will not be a mere association of canners. Each plant will be operated by an agent under the direction of an executive committee of the company. In most cases this agent will be the man who formerly owned the cannery and who has continued as a stockholder in the new corporation. Hoffecker & Hoffecker are counsel for the company.

MOTHERS OF GREAT MEN.

Raleigh said that he owed all his politeness and deportment to his mother.

Chopin's mother, like himself, was very delicate.

Milton's letters often allude to his mother in the most affectionate terms.

Gothe pays several tributes in his writings to the character of his mother.

Gounod's mother was fond of painting and music.

Sydney Smith's mother was a clever conversationalist, and was very quick at repartee.

Schumann's mother was gifted with musical ability.

Haydn dedicated one of his most important instrumental compositions to his mother.

Charles Darwin's mother had a decided taste for all branches of natural history.

Gibbon's mother was passionately fond of reading, and encouraged her son to follow her example.

Spohr's mother was an excellent judge of music but no musician.

Wordsworth's mother had a character as peculiar as that of her gifted son.—Answers.

Read It in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the *Dayton Volkszeiting*. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the the entire contents of the bottle the unbearable pains had entirely vanquished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by M. A. Toulson, Druggist, Chestertown Md.

ONCE IS ENOUGH TO SEE

Gustave Dore's portrait of Dante is worth seeing—once. But once is enough. Some such look you notice on the faces of those who have suffered, and still suffer, much physical pain; people subject to rheumatism, gout, neuralgia, periodic headache, lumbago, or pain from some old lesion. This pain-habit puts its marks on them, as the custom of handling ropes crooks a sailor's fingers; or as too much riding of a bicycle stamps a worried expression on certain faces. No wonder people said of the Italian poet as he passed along, "There goes

THE MAN WHO NEVER LAUGHS."

The complaints above named all yield to the action of Benson's Porous Plasters, and quickly too. Not only those, but colds and coughs, kidney and liver affections, all congestions and muscular strains, diseases of the chest, asthma and all ailments which are open to external treatment. It is frequently said that *Benson's Plaster is Pain's Master*. It cures when others are not even able to relieve. For thirty years the leading external remedy. The old-style plasters, as well as salves, liniments, oils, etc., have little or no efficacy as compared with it. Use it. Trust it. Keep it in the house. Ask for Benson's Plaster; take no other. All druggists, or we will prepay postage on any number ordered in the United States on receipt of 25c. each.
