**"IMPOSSIBLE,"** for you to enjoy  
motherhood," says the doctor. Some-  
times he qualifies the statement, and  
says: "Impossible without an opera-  
tion." Yet both these "impossibles"  
have been made possible by the use  
of Dr. Pierce's Favorite Pre-  
scription. Many times the hin-  
drances to mother-  
hood are to be found in  
womanly diseases or  
weaknesses, which  
are perfectly and  
permanently  
cured by "Fa-  
vorite Pre-  
scription." This  
great medi-  
cine for  
women  
cures ir-  
regularly  
and dis-  
seminating  
debilitating  
drains. It  
heals in-  
flammation  
and ulceration,  
and cures female  
weakness. It makes  
women strong and  
sick women well.

"I wish to add my testimony  
to hundreds of others as to the  
value of Dr. Pierce's medicine,"  
writes Mrs. Ida M. De Ford, of Latona, Hubbard  
Co., Minn. "I have doctored with a great many  
physicians—some specialists; have twice been  
in a hospital for treatment. My case has been  
regarded as a hopeless one, and they knew not  
what the trouble was. Heart was bad; stomach  
all out of order; tired out; severe pains in all  
parts of the body; sinking spells, and nearly  
every ailment a woman could have. I took  
many a bottle of 'patent medicines' without  
effect. I began taking Dr. Pierce's Favorite Pre-  
scription, and ten months afterward I gave  
birth to a ten-pound boy. All physicians had  
stated as a fact that I never could bear a child.  
Both the baby and myself were strong, and I  
got along splendidly—thanks to your medicine."

# THE GOLDEN RULE.

Senator Marcus A. Hanna Says Both Labor  
and Capital Have a Right to Organize.

Senator Marcus A. Hanna, of Ohio,  
addressed an audience of 11,000 persons  
at Chautauqua on Saturday last upon  
"Capital and Labor."

On taking the platform he was greeted  
with an enthusiastic Chautauqua salute,  
and was then introduced by Bishop John  
H. Vincent. Much of his address was  
along the lines of the address given at  
Urbana a few days ago, but there were  
many new utterances as well. Among  
other things he said:

"Organized labor is an institution that  
has come to stay. It is an institution  
that is promoted by laboring men who  
seek to protect themselves, and whose  
hope is mutual benefit. In its early days  
organized labor went upon the theory  
that the only way to settle labor difficul-  
ties was to strike, but it is my theory that  
it is becoming recognized that there is a  
better way to settle such differences."

**LIVING UP TO THE GOLDEN RULE.**

"From what I know of human nature,  
every man has an approachable spot, and  
the best way to reach that spot is by kind-  
ness. You can reach men by coming  
near them and learning their condition.  
To say that labor leaders are in the  
wrong is not always true; to say that  
the majority of them do not intend to do  
right is a mistake. My theory is that if  
we bring men together in a way to make  
them know each other, and if you appeal  
to the head and the heart you establish  
a bond between the two factions that  
cannot be broken. The Civic Federation  
is trying to establish a condition of abso-  
lute confidence between employer and  
employee. We remember the Golden  
Rule and try to live up to its principle.  
This is the only way that I know to settle  
the dispute between capital and labor."

"It is this practical? Yes; provided  
you treat men in your employ as you  
would have them treat you. I know  
that the tendency in this country and in  
the world has been to selfishly appropri-  
ate the larger part of the benefits of  
industry to capital."

**THE LABORING MAN'S SHARE.**  
"As long as labor was in a situation  
that it must submit it did so, but in the  
twentieth century, when thinking men  
began to think seriously upon this ques-  
tion, they made up their minds that they  
must give consideration to the fact that  
the laboring man is entitled to a greater  
share of the products of industry which  
they helped to create. But there are  
other grievances than the matter of labor  
which demand attention. Therefore  
workmen banded themselves together  
into organizations for their own benefit;  
organizations which through proper  
means will enable them to reach that  
source of power which will bring a  
remedy. These organizations, so far as  
I am familiar with them, carry beneficial  
features; a mutual assistance to the  
members and their families."

"What better motive; what greater  
incentive can be urged to induce the  
amalgamation of labor than this? How  
much of that principal enters into the  
organization of capital? None of it, so  
far as I know."

"As long as I live and have strength  
I shall do as I am doing today—appeal  
to my fellow-countrymen and all classes  
who are interested in these great social  
questions to appreciate these condi-  
tions."

**ROMANCE-LOVING GIRLS SHOULDN'T MISS**

**THIS.**

Eastern Shore Young Lady Meets Her Affin-  
ity by Sending Her Photograph Sky-

ward.

Cambridge, Md., August 9—A ro-  
mance in Dorchester county, in which  
Miss Mamie Zercross and Mr. Ralph  
Messick figured is the talk of the day.

On the Fourth of July Miss Zercross  
sent up a fish-shaped toy balloon, with a  
photograph and a letter attached. She  
watched it as it soared skyward, and  
when it was lost from view she thought  
no more of it. After a few days she re-  
ceived a letter from Mr. Ralph Messick,  
dated Ocean City, Md. many miles away.

Mr. Messick had found the balloon  
along the Bay, with the young lady's  
note and photograph attached. He asked  
permission to correspond. He was  
granted, and soon afterward he for-  
warded his own picture. Miss Zercross  
was favorably impressed. A little later  
he arrived at this city and Miss Zercross  
met him at the station. He was driven  
to her handsome home, and after a few  
days' courtship they were married. The  
couple are enjoying their honeymoon at  
the Catskills. Mr. Messick is a grain  
dealer. Miss Zercross has passed 20  
summers, while Mr. Messick has probably  
reached 26 years.

**THE MAN WHO DID.**

All doctors in my town failed to re-  
lieve me of rheumatism. I have used  
about half a bottle of Nelon and feel  
so much improved, that while I may not  
need it, I enclose P. O. order for \$1 for  
one more bottle of the remedy that has  
been such a God-send to me. I cheerfully  
recommend Nelon to anyone suffering  
with rheumatism.

## NOW LOOK OUT!

"Take care of yourself," say our friends.  
"Till try to," we answer. We do take a little  
care, yet in spite of warm clothes, rubbers  
and mackintoshes, an army of people were  
bowed out by pneumonia and other lung  
and chest diseases last winter. They  
caught cold, neglected it, let it fix upon  
them, were torn by coughs, choked by  
inflammations and congestions, wasted by  
fever, tired out by pain and then gave up  
the fight. The hour you realize that you  
have a cold on the chest, place a Benson's  
Porous Plaster where the pain or oppres-  
sion is felt. If you think two are needed  
make it two. No harm if you were cov-  
ered with them. They act quickly and  
prevent the engorgement of blood in the  
organs. In this way—with ordinary cau-  
tion as to exposure—you will break up the  
cold and avoid a serious sickness. No  
other applications, or any other form of  
treatment, will accomplish this as certainly  
and speedily. Benson's Plasters have a dis-  
tinct and positive action and are curative to  
the highest degree. Use them with the same  
confidence for coughs, muscular rheuma-  
tism, the grip (back and chest) and all sim-  
ilar ailments. Women, who are chief sufferers  
from cold weather complaints, should  
keep these plasters always within reach.  
Get the genuine. All druggists, or we will  
prepay postage on any number ordered in  
the United States on receipt of 25c. each.
