How to get there—watch your county papers, as all railroads and steamboats will give reduced rates.

A Few Things to Remember.

ENTRIES.—All entries will be free, except in Races and Poultry Department, but ten percent. will be deducted from all premiums which may be awarded. Entries on poultry must be paid at time of entry.
The office of the Secretary on the Fair Grounds will be open after August 1st for the reception of entries and arrangement of place for exhibits.

EXHIBITS.—Exhibits must be in place 10 A. M. Tuesday, August 26th, and shall not be removed before 5 P. M. Friday, August 29th, under forfeiture of all premiums which may have been awarded to any person so offending.

HAVE YOU READ THE RULES?

1. Save yourself and the Secretary trouble by sending your entries in ahead of the Fair, at least a week. The Secretary and all clerks are on the grounds all during the week of the Fair.
2. Application for space does not make your entry, and where entries are made by mail, you must call at the office and get your tags. Neglect this and you may lose your premium. The tags are always ready for you.
3. Always give of animals, 1. age; 2. sex; 3. pedigree, if any. We can make no entry on a statement that you want to show a horse at the Fair, and yet many people expect to have a tag ready on just such entries.
4. Always say how many stalls you want, and give the smallest number you can get along with, and what you want them for.
5. Everyone makes mistakes. We do, but we will correct them cheerfully if it is our fault, but you must not blame us if you rely on what people say you ought to do. If you are in doubt, come to the office and find out. The clerks are paid extra to answer questions. Take no advice of any one but the officers.
6. Be sure your entry blank is made out in the name of the person you want the premium awarded to. Checks in payment are sent to the person whose name is on the entry blank.

7. Don't ask officers to attend to exhibits, because they have something else to do. Attend to them yourself, and if anything is wrong you know who to blame.
8. Don't blame the officers too much if the judges, superintendents, etc., are not on hand at exactly the appointed time, but keep your attendants, stock, etc., where you can get at them when wanted. There is a great deal to be done in a short time.
9. All feed furnished will be charged for.
10. The success of the Fair depends on you. The Board of Managers will do all they can to make you comfortable and to make the Fair a success, but they cannot do it all.

ADMISSION.

Single Tickets.....25 cents
Exhibition tickets, sold when entry is made to exhibitors competing for premiums, admitting twice a day.....75 cents
Grand Stand Tickets.....25 cents
One horse vehicle or saddle horse.....25 cents
Two horse vehicle.....25 cents

Children under 10 years, free; over 10 years, full price.
Non-transferable passes will be issued free to owners of stock and machinery for their employees, at the discretion of the Superintendent, but they must be obtained when entries are made.
Tickets must be bought at the designated offices, and no money will be received at the gate. No person can enter without a ticket, it makes no difference how many you have bought.
If you wish to attend the Fair under the above conditions, we will be glad to have you, and make it as pleasant for you as we can.
No return checks of any kind given under any circumstances, except by order of G. E. NOLAN, Secretary.

GALENA NEWS.

Fast Ball by the Galena and Crumpton Nines.

ENDS. TRANSCRIPT:

The Galena base ball team crossed bats with the Crumpton nine on Friday of last week on the Crumpton diamond.

This was one of the most interesting games ever played in Crumpton.

The visitors failed to score in the first two innings but at the beginning of the third began to get on to the ball and bat it in all directions. To make the score close and increase the interest, the Galena players went slowly. At the end of the eighth inning the score stood 8 to 9 in favor of Crumpton. Then it became evident that Galena must do her best work if she expected to win the day.

Woodall, first at bat in the ninth, made first base. Hayes then made first but Woodall went out at second. Leighman sent a fly which was taken. Vansant went to first, advancing Hayes to second. Hicks, the old ringer, landed a liner in left field. This hit tied the score. Hayes made third and started for home, and seeing danger of being put out made a long jump, knocking the runner had gone three feet outside the base line. Many bystanders decided this impossible, then the Crumpton players contended that the runner had not touched the home plate. Other objections were raised, and when the matter was left to the umpire he refused to decide.

The Crumpton players left the grounds, claiming, refusing to play off the tie, but claimed the game.

The Galena club is playing fast ball and is open for challenges. They are thinking of playing the Chicago Stars, and extend an invitation to the Crumpton's to witness the game.
