MILLINGTON MATTERS.

Mr. Thomas Mobray, oldest son of Mr. and Mrs. John S. Mobray, died at his parent's home near town on Monday, January 5, aged 25 years. Mr. Mobray had been in delicate health for about five years but did not seem any worse than usual until ten days previous to his death, when he was taken suddenly ill. His sickness developed into typhoid fever, which terminated after extreme suffering in his death. He had been a member of Blackiston M. E. Church for the past five years and had a large circle of friends who mourn and sympathize with his bereaved family his death. The funeral took place Thursday, January 8th, from his parent's residence. Services were held in Blackiston church conducted by his pastor, Rev. George Ellis, assisted by Mr. James Parnell. Interment in the church burying ground.

Mrs. E. M. Yarnall, of Philadelphia, spent Monday with her aunts, Mrs. Vic and Helen Power, and was accompanied to Philadelphia by Miss Vic, who will remain in that city about two weeks.

Mr. and Mrs. Henry Tonkin spent Wednesday in Wilmington, Del. Mr. J. H. West, acting agent, is relieving Mr. J. P. Asen at the station as Mr. Ahern is taking a week's vacation.

Messrs. Ahern & Tonkin have bought the farm near Still Pond, belonging to Mrs. Chas. P. Loper. The price paid was private. This farm contains some of the finest timber in Queen Anne's County.

The ice on the mill pond has been extremely fine during the past week and much fine ice is being harvested. The young people are taking advantage of it, and are greatly enjoying the sport of skating.

War is declared and the fight is on at the Asbury M. E. church Millington. Revival services are growing in interest and attendance every night. Come and bring your friends.

Presiding Elder Corkran, of the Easton District, will preach at the M. E. church, Millington, Sunday evening, January 25, and hold the 4th quarterly conference, Monday morning, January 26, at 10 o'clock. This is the last time that Dr. Corkran will visit Millington as Presiding Elder of the Easton Dist., and we bespeak for him a large and enthusiastic attendance.

Day meetings for a higher life, and prayer for the revival meetings now in progress in the Asbury M. E. Church, Millington, will be held on Tuesday afternoon, January 20, and Thursday afternoon, January 22, at 2:30 o'clock. These are often seasons of great power; do not fail to attend.

Preaching service at Massey M. E. church and now held once in two weeks, on Sunday afternoon at 3 o'clock. The next regular Sunday is January 25. The Massey people are highly favored in having one of the coziest and most home like churches of its size to be found in a radius of 25 miles.

STILL POND ITEMS.

Capt. J. C. Schofield, of Still Pond, is dangerously ill at his home suffering from a gall-stone. Capt. Schofield was in Chestertown during Christmas week and called at the Transcript office, and was taken suddenly ill the next day. We are glad to report him much improved at this writing.

Mrs. Sallie Jump was painfully injured in an accident here on Monday. Mrs. Jump was sitting in her carriage when it was run into by another team and upset, throwing her out on her head. But for her heavy suit of hair, which she wore in a twist on the top of her head, and which received the blow, she probably would have been fatally injured. Mrs. Jump is a sister of Mrs. Joseph W. Harper and Mrs. John N. Bennett and makes her home with her daughter, Mrs. Bennett.

It is stated upon good authority that the Still Pond creamery has been sold to Mr. John N. Bennett. The new purchaser will assume control of the creamery Feb. 1st. Mr. Bennett is now engaged in filling the large ice house belonging to the plant. The creamery has been operated for the past two years by Mr. Adkinson for a Mr. Smedler, of Westchester. This creamery was built in 1890 and originally operated by a company, with Mr. C. H. Price as its first president, who was afterward succeeded by Mr. Joseph W. Harper.

Messrs. William Medders, Jos. W. Harper and John W. Robinson have all finished filling their ice with 4 to 5 inch ice of superior quality.

A surprise party was given to Miss Laura Norris by her many young friends, on Thursday evening.

Mr. Howard Rasin and sister, Miss Florence, have returned home after visiting friends in Philadelphia and Wilmington.

Mr. Charlie Jewell returned home Thursday after visiting friends in Philadelphia.

Mrs. Jervis has been very sick, but we are glad to state she is much improved.

Master Leamont Hackett, who has been at home spending his Christmas holidays, has returned to his school on North ave.

Mr. and Mrs. A. J. Hackett have been visiting Mr. and Mrs. Whaley, of Chestertown.

Mr. and Mrs. Richards, who have been visiting Mr. and Mrs. A. J. Hackett, are also visiting Mr. Whaley.

BETTERTON ITEMS.

The cold weather has built a bridge across the bay.

Mr. Howard Owens, our up-to-date merchant, gave a turkey dinner Jan. 11 to a few of his many friends.

Mr. Kiker, of Lynchs, has moved into town, having purchased the Severson property and opened a butcher's shop.

Capt. George Moore, one of our leading business men, is spending the winter at his beautiful residence, Edgewater Cottage.

Mr. Harry Willis, on Wednesday last shelled his excellent crop of corn. The total crop was more than 3000 bushels.

Everybody in Betterton has an ice-house, and this is the week which reverses the proverb which says, "in summer prepare for winter."

Mr. Robert Moore, overseer on the Canby farm was the first one to complete filling his ice-house. Mr. Moore is a hustler and has the prettiest ice ever packed away, you can almost read a newspaper through it.

Capt. Heather has sold his store to Mrs. W. E. Turner, who will continue to do business at the old stand.

Miss Grace Dashills is visiting her sister, Mrs. Frank Young.

Turner & Son received two carloads of coal this week. This firm is a blessing to Betterton.

Revival services are in progress at the M. E. Church.

Made of large, strong, high-grade steel wires, heavily galvanized. Ample provides for expansion and contraction. Is practically everlasting. Never goes wrong, no matter how great a strain is put on it. Does not mutilate, but does, efficiently, turn cattle, horses, hogs and pigs.

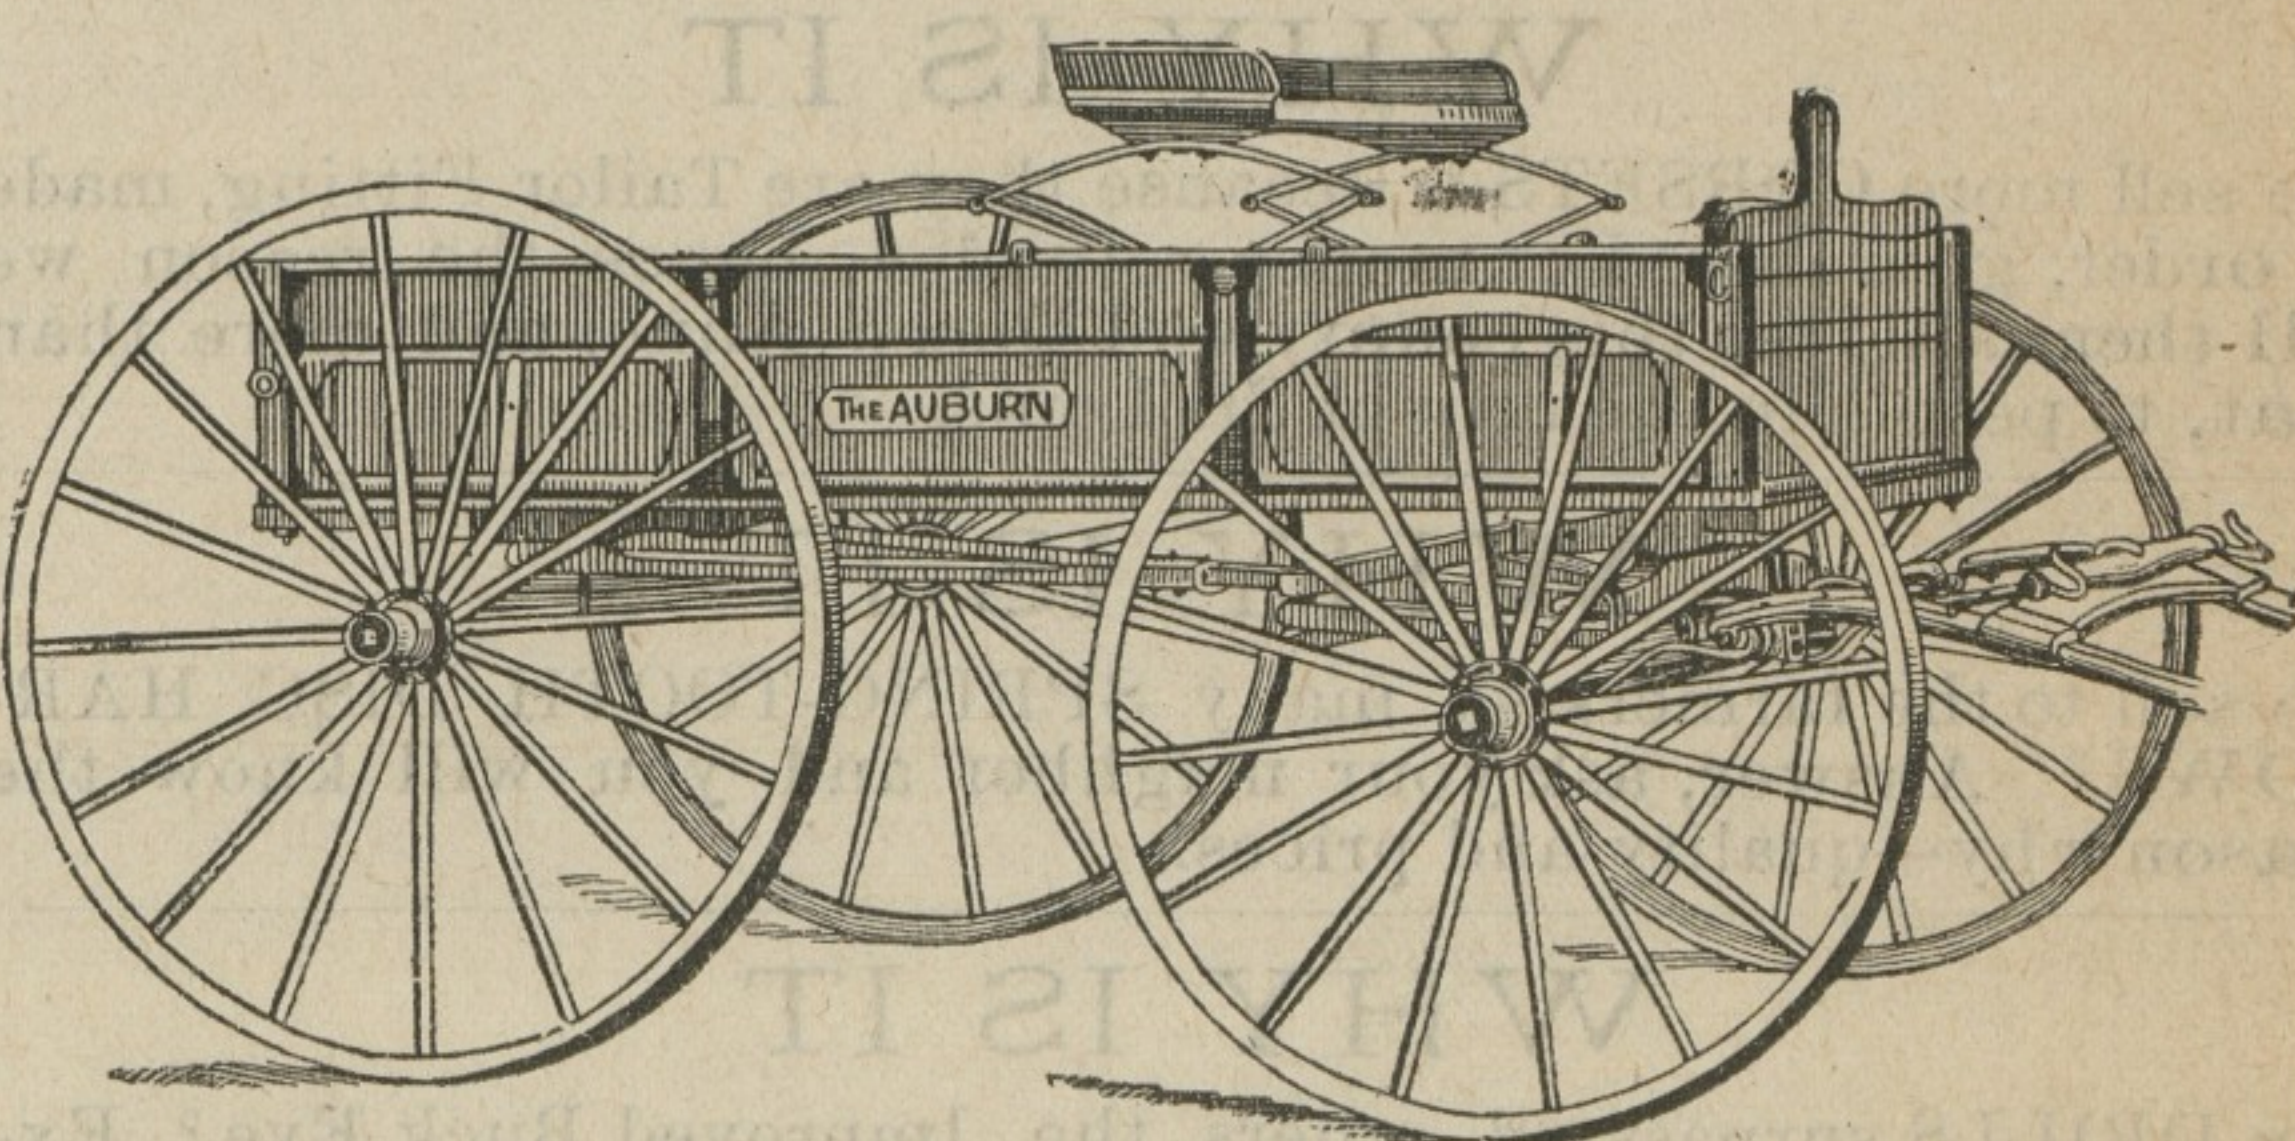

EVERY ROD OF AMERICAN FENCE GUARANTEED by the manufacturers and by us. Call and see it. Can show you how it will save you money and fence your fields so they will stay fenced.

Also, Barb and Plain Wire,

in ton lots or by the lb., at a close figure.

Just received a carload of

Wagons & Dearborns.

We can offer you the One-Horse Auburn Wagons, which are light in weight, but both durable and good; also the low-down DUPLEX SPRING-GEAR DEARBORNS, which we guarantee to equal any on the market, and our prices are all right.

And now, for the next thirty days we offer you special low prices on our line of

LAP Robes AND HORSE BLANKETS.

Come in and select your Blanket or Robe, and we will give you good value for your money, as we desire to reduce our stock in this line before stock-taking begins.
