NEWS FROM LYNCH'S.

Rev. E. C. Makosky has been visiting
the sick around Lynch's and elsewhere
this week; his presence is like sunshine
to his church members here. We all
hope to have him returned to us again
for the following year as he is a power
of good at both of his charges.

We have heard with much regret of
the serious illness of our old friend, Mr.
Walter Skirven. We hope he is im-
proving, as his many friends have been
very anxious about his health this week.

The mumps, measles, etc., have been
so prevalent around here this winter
that it quite broke up the young folks
from having lunch parties and socials
for benefit of the churches.

We hear that Mr. E. J. Plummer has
cleared up new ground enough this
winter to enable his horses on Lanford's
bay to be seen from Edesville, a mile
and a half away. Mr. P. takes great
delight in his pretty home on the water
and is improving it all the time.

WORTON ITEMS.

turned home from a visit to Philadel-

been on the sick list for several days but
is again at his post.

Several of our farmers are hauling to
the station telegraph poles which have
been contracted for by Mr. Turner.

The Masquerade Box Social held at
the home of Mr. James P. Sutton for the
benefit of our school was an enjoy-
able affair and a financial success. One
of the most delightful features was the
music, both instrumental and vocal,
especially that by Miss Cooper, Miss
Dryden and Mr. Hurlock. Miss Dryden
has an unusually rich and well-trained
voice and is an accomplished musician.
