Refused a New Trial.—The circuit court for Kent county has overruled the motion for a new trial in the case of Mrs. Agnes T. Emmons against the board of town commissioners of Chesapeake City. Mrs. Emmons was awarded \$8000 damages, for injuries sustained by falling upon a defective sidewalk. The case now goes to the Court of Appeals.

To Discontinue Farming.—Mr. Thos. Massey, who for the past two years has successfully tilled the Massey farm, near town, has decided to discontinue farming, and has rented the place to Mr. George S. Biddle, who for many years has tilled the Cochran farm successfully. It is reported that Mr. Massey will remove elsewhere to engage in business.

Farm Sold.—The farm known as Glenmore, near Kennedyville, in Kent county, advertised in the TRANSCRIPT, was sold by H. H. Barroll, Esq., trustee on Tuesday. The farm was purchased by Dr. E. A. Scott for his sister, Mrs. Sophia Hurtt, for the sum of \$5000 cash. Mrs. Hurtt is the widow of the late Julian Hurtt, and a daughter of the late C. J. Scott. The farm contains 167 acres of land.

Mail Agent Masten Hurt.—Passenger train No. 97 ran into extra freight No. 90, bound for Perryville at an early hour Tuesday morning at Delaware Junction, causing quite a serious wreck. Several persons were injured, including Mail Agent John Masten, formerly on the Kent road. Mr. Masten narrowly escaped death. His clothing, watch and money were destroyed with his mail car, which was burned. The engineer of the passenger train was killed.

Peach Crop.—Mr. C. C. Wood, of Eastern Neck Island, shipped 15 baskets of peaches to Baltimore last week, which constitutes his entire crop. Mr. Wood has been one of the most successful peach growers of this county in recent years and Eastern Neck Island has been noted for its fine crops of this most delicious fruit, when all the other sections of the county have failed. It is said by peach men that there will not be enough peaches in the county for home consumption.

Jackson Grove Camp.—After an interval of seventeen years the camp meetings at Jackson Grove, near Oden-ton, Anne Arundel county, have been resumed. A great many people from Chestertown and Kent county visited this camp in former years, and enjoyed many pleasant occasions in the beautiful grove. The camp is under the auspices of Nichol's Memorial Circuit, Methodist Protestant church, and is in charge of Rev. C. E. Redeker, the pastor. The meeting began on Friday, July 17th, and will continue until Monday, July 27th.

Strike at Basket Factory.—The colored employees of the basket factory of Messrs. Crane, Hyson & Valliant, struck for higher wages on Tuesday. The men had been employed almost constantly during the year and have been paid at the rate of 10 cents an hour. They struck for \$1.25 a day and were told that they could not. Some of the men learned that there were quite a number of applicants waiting for their places and returned to work on Wednesday at the original wages. New men were employed in the places of those who refused to return.

Cash Levy Increased.—Since striking the levy for the present year, the County Commissioners have increased the cash levy on schools \$2,000, making a total levy for the schools of \$10,000; jurors, \$1,000, making a total levy of \$2,500; registration and election, \$1,000, making a total of \$2,500, together with a surplus fund of \$252.44, which will probably be applied in bar against insolvencies. With the addition of the above items, the total cash levy will be \$22,752.84. The expenses for the levy year, 1903, is \$88,894.07. The total assets of the county are \$111,646.91. The basis upon which this is estimated is \$8,206,148.

Little Lewin Howard, son of Mr. Frank Howard, fell and sprained his arm on Wednesday while playing on the street.

The new cable is being run into the Maul building, where the headquarters of the company will be removed shortly.

*Washington Camp No. 28, P. O. S. of A., of Church Hill, Md., will give their fifth annual excursion to Cape May, August 5th. This promises to be the best excursion given to this popular resort. THE ELKS IN BALTIMORE.

Baltimore city has been given over entirely to the celebrated Order of Elks this week. It has been one of the most elaborate celebrations in the history of the city perhaps, and that hospitality for which the great Maryland city is famed has been dispensed lavishly. The decorations and illumination of the stores and principal streets were even more elaborate than were prepared for the Sangerfest, special prizes of considerable value having been awarded for these features. All of the various orders of the country were represented at the convention, and it is said that the city will profit by the celebration to the extent of \$1,250,000.

Thursday was special Elks' Day at Tolchester and the entire resort as well as the boats of the Tolchester Company was in control of the Order. A great crab feast was the feature of the occasion. 400 pounds of crab meat and 50,000 crabs having been ordered for the day. It is estimated that 10,000 visitors were on the grounds during the day and everybody had a severe case of "Hollobills." Manager G. E. Noland had perfected all arrangements for the reception of the Order in his characteristic manner, and the day seemed to be a most enjoyable one. To the lovers of music, perhaps the most enjoyable feature of the convention in Baltimore was the band contest, in which any band outside of the state of Maryland could compete.

The Order enjoyed outings to Annapolis and Gettysburg, and it seemed to be the impression among all the visiting Orders that Baltimore is a most ideal city in which to hold a big convention.
