A PASTOR'S WIFE CURED OF PELVIC CATARRH.

She Suffered for Years and Felt Her Case Was Hopeless—Cured by Peruna.

Mrs. Anna B. Fleharty.

MRS. ANNA B. FLEHARTY, recent Superintendent of the W. C. T. U. headquarters, at Galesburg, Ill., was for ten years one of the leading women there.

Her husband, when living, was first President of the Nebraska Wesleyan University, at Lincoln, Neb.

In a letter written from 401 Sixty-seventh street, W., Chicago, Ill., Mrs. Fleharty says the following in regard to Peruna:

"Having lived a very active life as wife and working partner of a busy minister, my health failed me a few years ago. I lost my husband about the same time, and gradually I seemed to lose health and spirit. My daughter is a confirmed invalid, and we both felt great need of an invigorator.

"One of my neighbors advised me to try Peruna. A bottle was immediately secured and a great change took place in my daughter's as well as in my own health. Our appetites improved very greatly, the digestion seemed much helped, and restful sleep soon improved us, so that we seemed like new women.

"I would not be without Peruna for ten times its cost."—Mrs. Anna B. Fleharty.

What used to be called female diseases by the medical profession is now called pelvic catarrh. It has been found by experience that catarrhal diseases of the pelvic organs are the cause of most cases of female disease.

Dr. Hartman was among the first of America's great physicians to make this discovery. For forty years he has been treating diseases peculiar to women, and long ago he reached the conclusion that a woman entirely free from catarrhal affection of these organs would not be subject to female disease.

He therefore began using Peruna for these cases and found it so admirably adapted to their permanent cure that Peruna has now become the most famous remedy for female diseases ever known.

Everywhere the women are using it and praising it. Peruna is not a palliative simply; it cures by removing the cause of female disease.

Dr. Hartman has probably cured more women of female ailments than any other living physician. He makes these cures simply by using and recommending Peruna.

Mrs. E. L. Brown, 329 Elliott street, Memphis, Tenn., writes:

"I suffered for several years with headache brought on by nervous prostration. I was also afflicted with insomnia. I would get up in the morning more weary than when I retired and I used to dread the approach of night. Peruna came into my home as a welcome guest, and within three short months I was like another woman. I have now enjoyed perfect health for over a year, and those who have suffered as I did will know how happy I am."—Mrs. E. L. Brown.

Mrs. Esther M. Milner, De Graf, Ohio, writes:

"I was a terrible sufferer from female weakness and had the headache continuously. I was not able to do my household work for myself and husband. I wrote you and described my condition as near as possible. You recommended Peruna. I took four bottles and was completely cured. I think Peruna a wonderful medicine."—Mrs. Esther M. Milner.

Congressman Thad. M. Mahon, of Chambersburg, Pa., writes:

"I take pleasure in commending your Peruna as a substantial tonic and a good catarrh remedy."—T. M. Mahon.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
