CHESTERTOWN, - AUG. 22, 1891

The religion that wilts under the heat and gives the church the go-by in August for the summer resort, is probably not strong enough to stand the fiery experience that may await the possessor some where in the future.

Proclamation by the Governor.

STATE OF MARYLAND,
EXECUTIVE DEPARTMENT

Whereas, Section one of article fourteen of the Constitution of Maryland makes it the duty of the Governor to order the publication in certain newspapers to be designated by him, of any Bill, or Bills, passed proposing any amendment to the said Constitution.

When men, weary with the world's battle's, return to the shelter of their own home, they need the kindness, the refinement, the high cultivation, the usefulness, the gentle piety, which woman, as she was meant to be, knows how to afford him. The cultivation of a woman's mind cannot be carried too high, but it must be a cultivation proper to her—to her constitution, her marked gifts, her work in the world.

"That man makes me sick.
"Why?"
"He always disagrees with me."

HORSE - SHOEING

Headquarters !

SAMUEL HICKS, near the Court House,

Gives his Exclusive Attention to HORSE - SHOEING!

I have learned the business thoroughly and have given my study, and had much experience in the work of Horse-Shoeing. For this reason I think I am better prepared to do Horse-Shoeing than shops which do all kinds of Blacksmithing.

My system of Shoeing prevents CUTTING and FORGING and preserves the horses' feet.

My best recommendation is the universal satisfaction of my customers, and I have no hesitation in referring to any for whom I have done work.

My prices I guarantee to be as low as the lowest. Horsemen! Come and see me, and I will save you trouble and expense.

SAM. HICKS, H-o-r-s-e-S-h-o-e-r,
Court Street, Chestertown
