THE Pocono Camping Club, of Philadelphia, the oldest and best equipped organization of the kind in the city have been encamped at Worton Manor Beach on the Cheaspeake Bay, for two or three weeks.

The executive officers of the club are: John S. W. Holeton, president; Frank J. Cloud, vice-president; Henry W. Pierson, secretary and George Harris, Jr., treasurer. The field officers are: George W. Weston, captain; Frank Sweeney, lieutenant; C. S. Bair, quartermaster, M. L. Kilpatric, commissary. The other members accompanying the club are: W. L. Royer, E. W. Simpson, Charles A. Clark and John H. Chesterman. The time was spent in gunning, fishing, sailing and athletic sports, the latter forming an important feature of camp life.

The Athletic Committee, composed of Mr. Frank Sweeney, chairman, and Messrs. Bair and Pierson, have arranged an interesting programme of athletic events, including 100 yard dash, 100-yard hurdle, running high jump, rifle and clay pigeon shooting, and a quoit tournament. Medals have awarded to the winner of each event. Games of base ball have been ranged with clubs of the surrounding country.

THE STORM DID NOT STOP THEM.—The pastor of the M. E. Church at Queenstown, Md., was Wednesday aroused from his early morning slumber by a summons to go to the Collins Hotel to perform a marriage ceremony. On arriving at the hotel, he found Susie A. Baxter and Charles F. Lehman, of West Island, awaiting him.

The parents of the young lady had opposed Lehman's marriage to the daughter and had forbidden him the house, but nothing daunted, he procured a marriage license on Tuesday, and meeting the lady that night, drove over to Queenstown a distance of twelve miles, and in a heavy rain storm, reaching there about midnight. They spent the night at different hotels, and fearing pursuit did not want to wait long the next morning. Mr. Lehman is a painter, and Miss Baxter the daughter of a farmer. The couple left on the steamer Emma Ford for Baltimore.

AN UNUSUAL INCIDENT occurred in the City Court at Savannah, Ga., a few days ago. Judge McDonnell was tardy in putting in an appearance, for which he fined himself $10, and then promptly remitted the fine. His honor went to see his physician to have his arm, which he recently injured, dressed, and the doctor kept him a little longer than he had counted on. When he entered the court-room the hands on the clock above the judge's desk pointed to just ten minutes past 10. Judge McDonnell took note of the fact and said: "In accordance with the rules of this court every officer who comes in late is subject to a fine. The clerk will therefore enter a fine of $10 against the court for tardiness, to be paid into the registry of the court. Owing to the fact, however, that this is the first time this thing has happened, and also that the court had to be detained in order to have its arm dressed, the clerk will remit the fine." The Judge's act loses all its force py the remit.

THE people of the United States are entitled to a sound and stable currency and to money recoginzed as such on every exchange and in every market of the world. Their government has no right to injure them by financial experiments opposed to the policy and practice of other civilized States, nor it is justified in permitting an exaggerated and unreasonable reliance on our national strength and ability to jeopardize the soundness of the people's money. —CLEVELAND'S message to Congress.

NATHAN PINDER, while on his way to the Queenston wharf a few days ago, with a double team loaded with forty bushels of wheat, had the hard luck to have a bridge break in with the team, letting it into a creek with the depth of eight and one-half feet of water. But for the timely assistance of his brother, who had just crossed the bridge ahead of him, the horses would have drowned. The wheat is an entire loss.

MR. OWEN NORRIS, of Talbot county, computes the cost per acre of raising wheat, corn, hay and potatoes. The cost of the first named is $11.10, if twenty bushels to the acre are grown, and the net profit, if wheat sells at 68 cents per bushel, is $4.50. An acre of good corn, blades, etc., is worth $30.00, and costs 16.25. He figures out a net profit of $10.75 in hay and $12 in potatoes.

WHEREAS, Section one of Article fourteen of the Constitution of Maryland makes it the duty of the Governor to order the publication in certain newspapers to be designated by him, of any bill, or bills passed proposing any amendments to the said Constitution; and

WHEREAS, at the January Session, 1892, of the General Assembly of Maryland, a bill passed proposing an amendment to the Constitution, which amendment is Chapter 313 of the Acts of 1892, and is as follows, to wit:

CHAPTER 343.

AN ACT to add an additional section to Article four of the Constitution of this State.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, Three-fifths of all the members of the two houses concurring, that the following section be, and the same is hereby proposed, as an amendment to the Constitution of this State; and if adopted by the legal and qualified voters thereof, as herein provided, the same shall supercede and stand in the place of section thirty-nine of Article four of said Constitution.

SEC. 39. The General Assembly shall, as often as it may think the same proper and expedient, provide by law for the election of an additional Judge of the Supreme Bench of Baltimore city, and whenever provision is so made by the General Assembly, there shall be elected by the voters of the said city another Judge of the Supreme Bench of Baltimore city, who shall be subject to the same constitutional provisions, hold his office for the same term of years, receive the same compensation, and have the same powers as are, or shall be provided by the Constitution, or laws of this State, for the Judges of said Supreme Bench of Baltimore city, and the General Assembly may provide by laws, or the Supreme Bench by its rules, for requiring causes in any of the courts of Baltimore city to be tried before the Court without a jury, unless the litigants or some one of them shall within some reasonable time or times, as may be prescribed, elect to have their causes tried before a jury. And the General Assembly may reapportion, change or enlarge the jurisdiction of the several courts in said city.

SEC. 2. *And be it further enacted by the authority aforesaid*, That the foregoing section hereby proposed as an amendment to the Constitution shall be, at the next general election to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection in pursuance of the direction contained in Article fourteen of the Constitution of this State; and at the said general election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words "For the Constitutional Amendment," or "Against the Constitutional Amendment," as the voter may elect, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said fourteenth Article of the Constitution.

Approved April 4th, 1892.

WE HEREBY CERTIFY that the aforegoing is a correct copy of an act of the General Assembly of Maryland, passed January Session, 1892.
