LOCAL MATTERS.

Newspaper Suspends Publication.—The Perryville Record, a weekly newspaper published at Perryville for the last 15 years, has suspended publication. The paper was founded by Wilson L. Coudon, who disposed of it a few years ago.

Left No Will.—Letters of administration were granted by the Orphans' Court on Tuesday to Mr. George Beck upon the estate of the late Mrs. Ann Gamble, who left no will. The deceased has one son, Mr. Chas. S. Gamble, living in the State of Idaho, and in the absence of a will, he is the only heir.

Mrs. Jackson's Will.—The will of Mrs. Mary A Jackson, late of Principio Furnace, mother of Mrs. Dr. H. B. Simmons, of Chestertown, was probated on Saturday. The testatrix bequeaths all her property to her daughter, Deborah A. Jackson, and names her son, Walter T. Jackson, as executor. The will bears date of April 9, 1900, and is witnessed by Laura Barrow, Josephine S. Carver and George R. Carver.

Lost Valuable Album.—A great many papers and valuable drawings of the Messrs. Culp were taken home by the people after the fire and taken care of. They have been returned. Miss Nettie Sutton, the efficient book-keeper, however, lost a valuable postcard album, which some one may have forgotten to return. It is a valuable book to Miss Sutton, and she will thank any one for its return.

Public Sprayers.—Prof. Thoms B. Symons, State Entomologist, by advertisement in this issue, states that his department will establish several public sprayers in localities where they are needed. They will be conducted on a self supporting basis, charging for the work sufficiently to cover the cost of materials and operation. All persons in Kent desiring to have a sprayer located in this vicinity will please answer the advertisement.

To Preach on Local Option.—The Anti-Saloon League of Maryland is planning for a "Concerted Discussion" to-morrow (Sunday). The Ministerial Union of Baltimore issued a call to all the pastors of the State to join on that date in discussing the local option issue, the Anti-Saloon League as an agency of the federated churches in securing a State-wide local option law, and the necessity of informing the members of the Legislature of the desire for such legislation.

Wants to Change Name.—William Vickers Hartzog, 2108 St. Paul street, Baltimore, by his attorneys, Alonzo L. Miles and Henry L. D. Stanford, petitioned Circuit Court No. 2 on Wednesday to have his name changed to Wm. Hartzog Vickers. The petition stated that he especially desired to assume the surname of his paternal ancestors because of the affectionate esteem in which he holds the memory of his grandfather, the late George Vickers, who was United States Senator from Maryland. His mother, it was stated, also desired the change.

Little Child Burned.—The little three-year-old son of Mr. and Mrs. William Goodman, living near Still Pond, was seriously burned about the body and face on Tuesday morning about ten o'clock. Mrs. Goodman left the little boy and a five-year-old child down stairs while she went to her bedroom to attend to her necessary chores. She heard the little fellow scream, and rushing down stairs she found his clothing ablaze. She threw her dress about her child and extinguished the flames without injury to herself. The little fellow is supposed to have set fire to his clothing by playing with the fire in the stove in the room.

MOTHER BELIEVES IN PERUNA.

Mrs. K. Kane, of Chicago, Uses Pe-ru-na in her family of five children, Grace, Myrtle, Edward, Reeves and George.

A HEALTHY FAMILY

Pe-ru-na in the Home.

After all, experience is the best teacher. Some doctors may write in favor of Peruna. Other doctors may write against it. But it is the *testimony of the mothers* and fathers who are rearing families, *who love their children*, who must economize as to doctor bills, who are raising little boys and girls into men and women of the future, it is the testimony of such people that really counts.

There is no way to positively ascertain *how many families* in the United States rely upon Peruna for the many climatic ailments to which the family is subject. The number must be a great one. Several millions perhaps. They have learned *how to use Peruna* for ordinary ailments, and in that way are guarding their homes against more serious diseases.

Such ailments as coughs and colds, sore throat and catarrh, croup and colic, indigestion and loss of appetite, anemia and nervousness, all these ailments are promptly *relieved by a few doses of Peruna at the right time.*

Millions of provident mothers and fathers are guarding the interests of the home by using Dr. Hartman's great remedy, and profiting by his medical *booklets and personal advice.*

Catarrhal Croup.

Few people realize how frequently croup is caused by catarrhal congestion of the throat. Probably nine cases out of ten of croup is of the catarrhal variety.

The medical profession recognizes three forms of croup. The spasmodic variety, membranous croup and catarrhal croup.

Nearly every case is of the catarrhal variety, and a few doses of Peruna taken at the first appearance of the catarrhal symptoms is generally sufficient to avert the attack of croup altogether.

Croup is a frightful disease. No disease of children so alarms the household. It is impossible to estimate how many homes have been protected against croup by the proper use of Peruna.

Household Remedies.

There is no remedy in the world which has proven so popular for catarrh as Peruna. It has been used for more than thirty years and cured thousands of cases, as proven by our testimonials.

In the early history of this country every family had its home-made medicines. Herb teas, bitters, laxatives and tonics were to be found in almost every house, compounded by the housewife, sometimes assisted by the apothecary or the family doctor.

Furnishing medical compounds direct to the people, through the druggists, is simply the extension of the practice begun by the people themselves.

Nervous System a Wreck.

John G. Hirdler, Garfield, Kas., writes: "On December 2, 1899, I was injured by a fall on the Santa Fe R. R., and my entire *nervous system was impaired* by the same. The help of a physician was useless. I believe I tried every one in the vicinity, but all were alike and I remained without strength.

"I then tried Peruna, and after using it for three months was *totally well.* I am seventy-one years old, and my work on the railroad is hard and tedious, but I can work like a young man in all kinds of weather, heat, cold, rain, snow or storm alike.

"Peruna is the purest and best medicine, and if used according to directions, it will help any person and cure any disease for which it is recommended. I recommend this medicine by my own experience to any one suffering from an ailment on the order of mine."

For Herself and Children.

Mrs. Aline DePasse, 776 E. 165th St., New York, N. Y., writes: "It gives me pleasure to testify to the curative qualities of Peruna and Manalin. "I was afflicted for over seven years with *catarrh of the head, throat and digestive organs.* I consulted many physicians, but they did me no good.

"One day I happened to read some testimonials in your Peruna almanac. I decided to try Peruna and Manalin. I bought a bottle of each and after taking them for a week, I noticed a change for the better. So I kept it up and after using twelve bottles I was *perfectly cured.*

"I also gave the medicine to my children and they had the same beneficial result. I would never be without these remedies in the house.

"I highly recommend Peruna and Manalin to all my friends, and, in fact, to everybody."

Thousands of families have learned to trust and believe in Dr. Hartman's judgment, and to rely on his remedy, Peruna.

Catarrh of Stomach.

Mr. John M. Stansberry, Amarillo, Tex., writes: "For several years I had catarrh of the stomach. I was hardly able to do anything, and could not eat with any satisfaction.

"When I commenced using Peruna, I weighed only 110 pounds. I took six bottles, commencing in the spring, and by the following winter I had gained 63 pounds.

"I owe it all to Peruna. It cannot be praised too highly.

"I am forty-five years old, and my occupation is that of architect and builder."

*†*Mr. William Lurty, formerly in the butchering business with Mr. Chas. W. Copper, has purchased the stock of goods of Mr. William Dadds, on Calvert street, where he will conduct a store. Mr. Dadds has moved to Baltimore.

*†*Mr. James P. DeCourse has moved his store goods to his new building on High street. The residence section will be ready for occupency shortly. Mr. Harry Cannan was the contractor for this improvement to that section of the town.

*†*The monthly meeting of the Rich Neck Farmers Club was held at the home of Mr. James Newnam in Queen Annes on Thursday afternoon. Prof. Spillman of the Agricultural Department at Washington was present and delivered a strong address.

*†*Mr. Clarence Coleman carried an insurance of $108 upon the life of his father the late James W. Coleman, in the Prudential Insurance Company represented by Mr. George French. It will be paid promptly.

*†*Mr. John S. Vandegrift has booked the following attractions: Western Md. College male quartette, February 22nd, Peabody Concert, March 3rd. He is also looking up other fine entertainments among them Polk Miller and his plantation singers.

*†*Mr. Wm. McKee has been made manager of the Family Steam Laundry vice Mr. Wise resigned. It is reported that Mr. Wise and Mr. H. D. Orem will open another laundry in the building on High street formerly occupied by James T. Ireland and son as a meat market.

*†*Harison W. Vickers, Jr., for Richard Barber, colored, has sued the Commissioners of Chestertown for $99 damages for the death of a horse due to injuries alleged to have been sustained from the condition of Cross street. The case will be tried at the April term of court.

*†*The Town Commissioners have finished covering the bed of Queen street with gravel and sand. They are at work on Maple avenue and Princess street. The commissioners state that they will cover Main street with crushed stone so far as they are able, and they are expecting State Road Engineer Crosby here next Thursday to go over the streets and determine the cost of the improvements.

Important to Farmers.

A bill has been introduced in Congress requiring the United States Goverment to provide for the proper grading of all grain at the various ports of entry, and no grain is to be purchased by local buyers or sold by commission merchants except according to the Government standard of grades. This is an especially important bill to farmers and every landowner and tenant in Kent should write to our Senators and Representatives in Congress and urge them to support the measure. Prof. Spillman called the attention of the Rich Neck Farmer's Club to the bill at their meeting on Thursday and urged the Queen Annes farmers to press the Maryland Representatives to support the measure. He urges the farmers to write and not send any petitions to the Representatives. Do so at once.

Wedding Bells.

NEWNAM—CORKRAN.

Miss Blanche Amelia, daughter of Mr. and Mrs. Francis L. Corkran, was married to Mr. Marion Graham Newnam, son of Mr. and Mrs. William B. Newnam, of Royal Oak, by Rev. Dr. W. T. Lewis, pastor of St. Paul's M. E. Church, Oxford, on Saturday last. The bride was attired in a beautiful gown of chiffon cloth over taffeta and carried a bunch of bride roses. She was attended by her youngest sister, dressed in French batiste over pink silk, with bouquet of pink carnations. The ushers were Messrs. Wm. P. Newnam, Jr., of Chestertown, brother of the groom; Thos. E. Davis, of Oxford; W. Rembert Simpson, of Trappe, and George P. Corner, of Philadelphia.

CLARK—TOULSON.

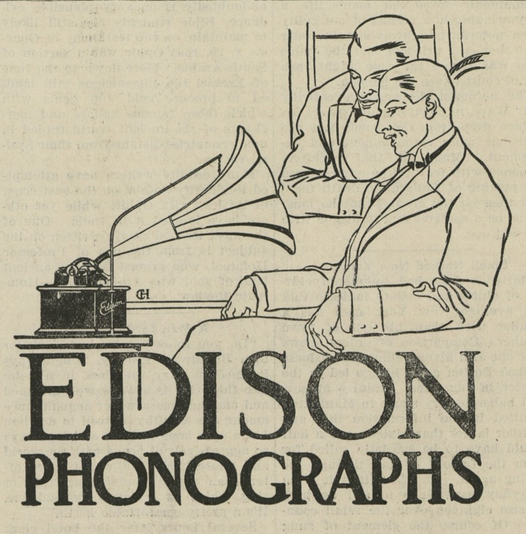

Miss Mary E. Toulson, daughter of Mr. and Mrs. Charles Toulson, of near Still Pond, was married to Mr. J. William Clark, a prominent young business man, of Still Pond, on Wednesday evening at the home of the bride's parents. The ceremony was performed by Rev. E. H. Collins. The bride wore a tailor-made suit of brown. Mrs. James Biglow, of Chestertown, played the wedding march. The ushers were Messrs. Penn Toulson and Robert Bramble. They will reside in Still Pond.

KENNEDYVILLE ITEMS.

Our community was saddened last Monday morning when the report came that Howard Nickerson, the youngest son of Mr. D. T. Nickerson, was dead. He was first taken with the grip and was getting along very well, but pneumonia suddenly developed and made rapid progress until the end came. He was only sick about ten days. His home has been in Buckeystown, Md., where he had been for about eleven years, going there when about five years of age, in a home for orphans. The superintendent of the home gave a sketch of Howard's life at the funeral services which was held in the M. P. Church on Tuesday afternoon. What the superintendent said would be a credit and honor to any young man, and we hope that his talk will appeal to the hearts and minds of the young men and ladies who heard it. The father has the sympathy of the community in the dark hours of sorrow.

Some of our people have been on the sick list, and all of them are improving. Among those who have been sick are Mr. and Mrs. J. R. Jarrell. Now Mr. Jarrell can wrestle, but he was not a match for Mr. Grip. It took him a week or more to throw Mr. Grip, and when he threw him he was afraid he wouldn't stay thrown, and he kept Mr. Jarrell scared all the time for fear Mr. Grip would throw him, and if Mr. J. keeps his good health he will never wrestle grip any more.

Regular services on Sunday next at the M. P. Church. Mrs. Della Pennington leads the C. E. meeting at 7 P. M. On Tuesday night, Jan. 28, the C. E. society will hold a social meeting at the home of Miss Emma Shafer. Now this is a chance for a pleasant evening. Let us all go. CITIZEN.

EDISON PHONOGRAPHS

Entertainment for Every Home.

THE one great craving in human nature is to be entertained. Life is divided into work, sleep and recreation. As recreation is made more delightful, so work is made easier and sleep more restful.

The best kind of recreation is music—not instrumental music alone, but songs; not catchy music alone, but stirring marches or beautiful ballads—just the music your mood demands.

It is possible to have this kind of diversion in your home—to bring the concert hall, the grand opera, the theatre or the vaudeville stage, the orchestra or the band to your center table.

It it possible to relieve monotony, shorten long evenings, amuse the children, entertain friends and liven up social gatherings.

The Edison Phonograph will do it. This wonderful entertainer possesses in itself the combined musical talent of the world. It sings, plays, and talks. Its fund of classical music, ragtime, songs, marches, dance music, grand opera and humorous dialogues is never failing and never tiring.

It is a friend that is ever ready to amuse, cheer, console or enthuse you according to your mood. It asks nothing but to be listened to and enjoyed—no effort, no skill.

Come in and hear one of these wonderful instruments. We sell these machines on small weekly or monthly payments.
