LOCAL MATTERS.

Great Racer Sold.—Sweet Marie, 2.02, one of the greatest race horses in the world has been sold to a New York man for $13,000.

Fine Horse Sold.—Mr. J. T. Moffett, the well-known horseman, of this county has sold his handsome black stallion, Ruby Wilkes, Jr. This is one of the finest bred Wilkes stallions on the Eastern Shore. He is a full brother to Black Spider, 2.19¾. He was sold to the same parties that purchased Black Spider, of Princess Anne, for a good round sum.

Preacher Pays Costs.—The slander case brought by Representative Henry Bennum, of Delaware, against Rev. Ralph T. Coursey, of Milton, Del., was settled last week. The jury awarded Bennum six cents damages, Mr. Coursey paying the costs in the case. The case against Rev. G. L. Hardesty, of Seaford, charged with intimidating voters at the local option in Seaford, last fall, was dropped by the State.

A Parcel Post For Rural Districts.—U. S. Senator Burnham, of New Hampshire introduced in Congress on Monday a measure of distinct importance to rural interests throughout the United States. It is a bill to provide a rural delivery parcel post for merchandise and other articles actually mailed on rural delivery routes. It provides in brief for the establishment of a domestic rural parcel post at special rates of postage for the delivery of food stuffs, dry goods, drugs, books, and other merchandise.

Business Change at Betterton.—The TRANSCRIPT last week noted an important change of business at Betterton but was unable to state the parties to the change owing to incompleted negotiations. The deal has been made whereby Mr. Charles H. Brice, a popular and wellknown young man of Betterton has purchased the business of Crew & Crew. This is one of the best established business houses in Betterton, and Mr. Brice will, we are sure, make a success of it. He has an advertisement in this issue, calling attention to his general merchandising.

Frame Dwelling Burned.—The large new dwelling on the farm on Swan Point, owned by Mr. E. H. Willson, of New York, son of Mr. Richard Willson, and tenanted by Mr. Albert Groves was destroyed by fire early Sunday morning, with its contents, causing a loss of $3000, with an insurance in companies represented by Edgar P. Beck, of $1500. The origin of the fire is supposed to have been a defective flue. Mr. Groves had recently furnished the home, and carried no insurance on the furniture. He escaped in his night clothes and was compelled to walk two miles in that garb to his father's home.

Shot by Her Little Sister.—While sitting in a chair at her home, near Elkton, reading a prayer book on Saturday, Evelyn Fursico, the 10-year-old daughter of Antonio Fursico, was shot through the body and probably fatally injured by her four-year-old sister Katherine. The little tot found her father's revolver up stairs and carried it down without being detected. She playfully placed the weapon against her sister's back and pulled the trigger. The ball entered below the shoulder and came out near the stomach. Dr. Wm. D. Cawley had the girl removed to a hospital Saturday evening, and her condition is critical.

New Store in Chestertown.—Mr. James H. Shuster, of Wilmington, formerly of this town, has rented the store room on High street, formerly occupied by the Misses Reed, and owned by Mr. James S. Bradley, where, about March 14th, he will open a gent's furnishing and shoe store. Mr. Shuster is too wellknown to the people of Chestertown to need any introduction. He is an experienced salesman, a young man of splendid character and address, and he will no doubt receive a cordial welcome to his old home. He has been connected with Mullin's Clothing and Shoe Store, one of the largest stores in Wilmington, since leaving Chestertown.

Death of a Well-Known Colored Man.—Abraham Rochester, colored, died at the home of his son, near Ingleside, Queen Annes county, about two weeks ago, of Bright's disease and dropsy, after an illness of several months, aged 67 years. Rochester was quite well-known among his own race as well as among the white race. By close attention to his duties and with the assistance of his son he had accumulated an estate that is approximated at between $10,000 and $12,000. He had been a member of church for over forty years and had the respect of all in the community in which he lived and died. He is survived by eight children, all adults. Interment was made on his home farm, "Tilghman's Chance," near Ingleside.

THE WHOLE YEAR ROUND.

Women Everywhere Use Pe-ru-na.

Suffered With Stomach.

Mrs. John Underwood, 520 W. Walnut St., Columbus, Ohio, writes:

"Having had catarrh and stomach trouble and having suffered very much, I, after being doctored a long while, as a last resort took Peruna. The result was wonderful. I would highly recommend it as a good remedy. I still use Peruna and would not be without it. I always have it in the house."

Catarrh and Stomach Trouble.

Mrs. T. Frech, R. R. No. 1, Hickory Point, Tenn., writes:

"I am happy to tell you that I am cured of catarrh. I have followed your good and kind advice faithfully. I bless the day when I wrote you of my condition, and I will always praise Peruna. I think it is one of the grandest medicines on earth.

"Having been afflicted with *catarrh and stomach trouble* for seven years and after having tried four different doctors they only relieved me for a little while. I gave up all hope of being cured. I only weighed 130 pounds, and was so weak I could hardly get around the room.

"I was induced to try Peruna, and to my great surprise I am *now entirely well.* My weight is now 188 pounds, my health never was better in my life.

"I shall always praise Dr. Hartman and his remedies."

Thousands of families have learned the use of Peruna and its value in the treatment of catarrhal ailments.

Tired, Worn-Out Mothers.

Mrs. Lydia H. Josselyn, 501 Westminster St., Providence, R. I., is Treasurer of the Editors League of Rhode Island, chartered in Providence. She writes:

"My experience with Peruna has been most gratifying. Last winter I contracted a severe cold, and for several days *I coughed until my voice failed me.* When other remedies did me no good, I decided to try Peruna, and within four days the cold was broken up, and the cough abated.

"Within another week an increase in my usual strength and vitality told me that *Peruna was doing all that it promised, and more.* I also consider it very superior for *tired, worn-out mothers,* and have advised several to try it, and have seen most gratifying results from its use.

"I give it highest praise."

Bowel Trouble.

Mrs. Maggie Durbin, 1332 North St., Little Rock, Ark., writes:

"I was troubled for five years with a chronic disease. I tried everything I heard of, but nothing did me any good. Some doctors said my trouble was *catarrh of the bowels,* and some said consumption of the bowels.

"One doctor said he could cure me. I took his medicine two months. But it did me no good.

"A friend of mine advised me to try Peruna and I did so. After I had taken two bottles I found it was helping me, so I continued its use, and it has *cured me sound and well.*

"I can recommend Peruna to any one, and if any one wants to know what Peruna did for me if they will write to me I will answer promptly."

Peruna is a household remedy of great merit, and is useful in many climatic ailments, such as coughs, colds, sore throat, bronchitis and catarrhal diseases generally.

Biliousness, Indigestion.

Mrs. Lena R. Moudy, 556 Caywood St., Portland, Oregon, Sec'y Royal Tribe of Joseph, writes:

"For the past six years biliousness and pains in my back and limbs made life miserable to me. My skin was sallow and dry, and indigestion was added to my troubles. I was wakeful at night and would get a weak, faint feeling during the day so that I was not fitted to attend to my regular duties. This caused me serious annoyance and trouble, and I naturally tried many remedies, hoping to get relief.

"Peruna came as a friend in need. It toned up the system, relieved the blood of the poisons and induced a healthy action of the stomach, a fine appetite and restful sleep.

"Within three months I was a changed person, and for nearly a year now I have enjoyed splendid health."

A Grateful Patient.

Mrs. Eliza J. Cazee, R. F. D. 3, Bedford, Ind., writes: "I have been cured by using Peruna and Manalin. I thank you for your advice."

Restorer of Lost Strength.

Miss Bessie Farrell, 1011 Third Ave., Brooklyn, N. Y., is President of the Young People's Christian Temperance Association. She writes:

"Peruna is certainly a valuable nerve and blood remedy, calculated to build up the *broken-down health of worn-out women.* I have found by personal experience that it acts as a wonderful restorer of lost strength, assisting the stomach to assimilate and digest the food, and building up worn-out tissues. In my work I have had occasion to recommend it frequently, especially to sick women.

"I know of nothing which is better to build up the strength of a young mother, in fact all the ailments peculiar to women, so I am pleased to give it my hearty endorsement."

Pe-ru-na a Woman's Friend.

Mrs. Ella Embree, Clark, Mo., writes: "I am feeling better than I have felt for years. I can truthfully say that Peruna is a woman's friend. I have no more terrible pains and am stronger than I have been. Your medicine has worked like a charm."

Bilious Headache.

Mrs. Emily Kellogg, 5649 S. Lawrence St., South Tacoma, Wash., member of Ladies of the Maccabees, writes:

"Three months ago I had an *attack of biliousness* which threatened to undermine my health and strength. Luckily for me, I tried Peruna at the suggestion of my friends before it was too late.

"I found in a few days time that I did not have the usual *sick headache,* neither did food nauseate me any longer. In two weeks' time Peruna had completely *rid my system of the poison and bile,* and I was in a much better condition. My skin assumed its normal color, I had a splendid appetite, and I was in every way improved in health. I used Peruna for a month longer, and it wrought a wondrous change in my entire system. I consider it a *most wonderful medicine.*"

Nervous Dyspepsia.

Mrs. J. C. Jamison, 61 Marchant St., Watsonville, Cal., writes:

"I was troubled with cramps in the stomach for six years. I tried many kinds of medicine, also was treated by three doctors. They said that I had *nervous dyspepsia.* I was put on a liquid diet for three months. I improved under the treatment, but as soon as I stopped taking the medicine, I got bad again. I took the medicine for two years, then I got sick again and gave up all hopes of getting cured.

"I saw a testimonial of a man whose case was similar to mine being cured by Peruna, so I thought I would give it a trial. I procured a bottle at once and commenced taking it. I have taken nineteen bottles and am *entirely cured.* Have gained in strength and flesh and feel like a different person.

"I believe Peruna is all that is claimed for it."

Catarrh of Head.

Mrs. Joseph Vittur, 5709 Erie St., Austin Sta., Chicago, Ill., writes:

"Your medicine, *Peruna, was of great benefit to me.* I suffered with catarrh of the nose and head for many years. Three bottles of Peruna cured me, after I had considered it impossible to ever be cured again.

"I now always keep Peruna in the house, and recommend it to every one suffering from catarrh. As soon as one of my children commence to cough I give them Peruna, and their cough is soon gone.

"This medicine is surely a great boon to suffering humanity."

Pe-ru-na the Family Doctor.

Mrs. M. E. Seymour, R. F. D. 2, Bowman, Ga., writes:

"I am ready to speak a few words in favor of Peruna and Manalin. I have tried them for nearly every ill of life for myself and family, and find them to be *all the doctor claims* them to be. Peruna cured me of *internal trouble* when my doctor could not.

"My advice to all suffering women is, consult Dr. Hartman. What he has done for me he will do for you."

Pe-ru-na in Tablet Form.

For two years Dr. Hartman and his assistants have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

PE-RU-NA IS A HOUSEHOLD NECESSITY IN OVER ONE MILLION HOMES.

*†*Three gunners in Rock Hall killed 54 black ducks at three shots apiece one day last week. They dug a hole in the ice and baited the shore. Some of the ducks were brought to Chestertown on Monday morning and found ready sale.

*†*Harry R. Graham & Bro. state that they have not received a single list from the Sixth District. They are anxious to secure a complete list from each district before awarding their prizes of a fine knife to each boy who gives the best list of farmers in each district.

*†*Sunday was the coldest day of the winter, the thermometer registering 3° above zero at the home of Mr. Robert G. Nicholson at 7 A. M. On Monday morning the theomometer registered 5° above zero. Skating was enjoyed by a big crowd on the river, among them being some oldtimers.

*†*Mr. Charles Nicholson, son of Mr. Robert G. Nicholson, shot a bald eagle on the farm on Tuesday, which measured six feet six inches, from tip to tip. The eagle was after a crow that had been caught in a steel trap. Mr. Nicholson exhibited the eagle in Chestertown and it attracted considerable attention. Mr. Ellis chloroformed it, and Mr. Charles L. Dodd will have it mounted by Dr. A. S. Hall.

PAID OFF OLD DEBT.

Settled for 25 Cents on the Dollar Years Ago; Pays Balance Now.

E. C. Ross, of Seaford, a few days ago received a check from an old customer of his for $2,170 and did not recall the name nor the circumstances at first. The letter was signed by John B. Messick who failed in business at Millington, Md., twenty-one years ago and he settled for twenty-five cents on the dollar with all his creditors, E. C. Ross among them, Mr. Ross losing heavily. Afterward Messick got into business again and made money and this check was for the rest of Mr. Ross' bill with interest. The letter went on to say that he had determined to pay every dollar he owed even though his creditors had accepted the twenty-five cents on the dollar at that time.

Mr. Messick is well-known to the older residents of Millington and the upper section of the county, and this evidence of his unswerving honesty and integrity is worthy of the highest praise, and may with profit be emulated.

RECIPE FOR RHEUMATISM.

Directions to Prepare Simple Yet Remarkable Home Mixture.

There is so much Rheumatism here in our neighborhood now that the following advice by an eminent authority, who writes for readers of a large Eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the Kidneys, so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.
