## PINEY NECK RIPPLES.

The Fourth Quarterly Conference of Piney Neck Church was held on Feb. 16th, at 3 P. M. The conference was largely attended, and the Rev. W. V. Harris was invited to return for the third year.

At 7.30 P. M. the Rev. W. G. Koons, presiding elder, preached a powerful sermon to a large and attentive congregation.

Notwithstanding the frigid temperature a large and appreciative audience assembled at the Piney Necy M. E. Church, Friday evening, Feb. 7th, in honor of the efforts of Rev. W. V. Harris, to present an entertainment of unequaled excellence, as well as introduce in this section, Prof. Harry J. Chofourian, of Philadelphia, the well-known banjo virtuoso. Considering his original method of using the plectum, adding greater volumn of tone, brilliancy, the solos rendered were a revelation of technique sympathy and beauty. The audience was enraptured showing their appreciation by declaring the programme far too short, which lasted over one hour and a half. Those braving the weather were amply repaid and the community is to be congratulated in being able to have the pleasure of hearing such a preeminently great artist as Mr. Chofourian, whose intonation on his wedded instrument equals and even excels the human tones of the violin and cello. We gladly welcome Mr. Chofourian and his string quintette, which is considered by prominent musicians of the country to be the greatest in the world, to give another concert at the same church sometime in the near future. The programme will be new and entirely varied with the exception of the American chivalry march which Mr. Chofourian composed and introduced with his symphony orchestra of forty musicians in Witherspoon Hall, Philadelphia, Jan. 16th, this season, and is becoming the greatest march of the day. Of the march the Philadelphia Press says: "The last number of the concerts was a composition of Chofourian's own, the American chivalry march played by the symphony orchestra and the bright and sparkling theme of this musical gem caught the audience at once. So hearty was its reception that it had to be repeated over and over as an encore."

## MAKE It YOURSELF.

Tells Our Readers How To Mix Best Rheumatism Cure.

A well-known authority on Rheumatism gives the readers of a large New York daily paper the following valuable, yet simple and harmless prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good perscription pharmacy at small cost, and being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome any case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by many sufferers here at this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers, if asked to.

"Target Brand."

INSECTICIDES AND FUNGICIDES.

The celebrated "Target Brand" Scale Destroyer, is the only soluable oil guaranteed to kill absolutely the San Jose Scale and at the same time benefit the trees in place of injuring them.

This oil is manufactured by the American Horticultural Distributing Co., and is being used almost exclusively in Delaware Virginia, West Virginia, Michigan and other States. The largest fruit growers in our county will use it exclusively this spring after the great success they had with it last year.

We used to sell Sulphur by the carload, but up to the present time have not sold a pound and with no prospects.

Every grower knows "Target Brand," and will use it doubly this season, as the cost is no more than the inferior oils and really less than the Sulphur Wash.

Use "TARGET BRAND."
