TIME TO ACT.

Don't Wait for the Fatal Stages of Kidney Illness. Profit By Chestertown People's Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidneys disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Chestertown prove the effectiveness of this great kidney remedy.

Walter W. Needles, living on High street, Chestertown, Md., says: "My experience with Doan's Kidney Pills was satisfactory in every respect and I can freely endorse them, as my kidneys have been greatly strengthened by their use. I was troubled with backache for a long time, and my kidneys were too frequent in action, thus giving me a great amount of annoyance. Reading about Doan's Kidney Pills I procured a box at M. A. Toulson's drug store, took them as directed, and they gave me relief from the first. The trouble finally vanished and it gives me pleasure to state that I have not had a return of it since. I am opposed to publicity, but I feel it my duty to recommend Doan's Kidney Pills to others suffering from the same trouble."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's —and take no other.

The Kind You Have Always Bought

Bears the Signature of Chas. H. Fletcher.

When we dissect your watch--

When we get all the tiny little wheels and pinions and things separated—then clean them all up as bright as new, then put them all together again—that watch of yours is going to run as good as ever.

It can't help it. It is practically a new watch once more.

Of course it will need our attention again in about a year—as it is always better to be too soon than too late.

Maybe you knew all this before, but somehow people have a habit of attending to everything else in the world but their watches.

If you think a cleaning would do your watch good, don't wait until it stops. Bring it to our repair department.

We have the finest equipped repair shop in this part of the country and can do all your repairing promptly, and in the best manner possible.
