RELIGIOUS MATTERS.

Mr. and Mrs. James Shuster assisted in a well-rendered quartette at the services in Emmanuel P. E. Church last Sunday morning.

The revival services in Christ M. P. Church, which had been in progress for the past three weeks, closed last Sunday night. The meetings resulted in seven conversions, 41 men, and were of much benefit to the spiritual life of the church.

Mr. William Vansant led the Christian Workers Service in Christ M. P. Church last Sunday evening, and the meeting was very enjoyable. Miss Halley Kelley and Mr. Griffith Clift sang a very appropriate duet.

At the fourth quarterly conference of Asbury M. E. Church, Millington, Md., last Sunday, the pastor, Rev. C. W. Moore invited to return for another year.

Rev. W. L. White, pastor of Chestertown M. E. Church, was called to Wilmington on Sunday to attend a funeral.

In the absence of the regular organist, Miss Mabel Toulson, last Sunday, Miss Lillian Matthews officiated at the pipe organ during the services in the M. E. Church.

Rev. Wm. G. Koons, district superintendent, will preach in the Chestertown M. E. church (tomorrow) Sunday morning at 10.30. Quarterly conference will be held this evening.

Rev. Dr. A. S. Mowbray reports that the dividend from the Book Concern of the M. E. Church for the year reached \$116,000, to be applied for the needy preachers and widows and orphans of deceased ministers.

Chestertown M. E. Church—Services Sunday, Feb. 28th. Preaching at 10.30 A. M. by Rev. W. G. Koons, district superintendent. Sunday-school at 2.15. Epworth League at 6.45. Preaching at 7.30 P. M. by the pastor.

The forty-first session of the Wilmington Methodist Episcopal Conference will begin March 17 in the Methodist Episcopal Church at Milford. The conference will be presided over by Bishop David H. Moore, whose residence is Cincinnati.

Pentecostal Revival Services will begin in Mission, Pondtown, Thursday night, Feb. 25th. Holy Ghost expected to have charge. Rev. W. H. Vickers will help in the work. Everybody welcome.

The congregation is expected to meet at Christ Church, I. U. parish, on Sunday afternoon, Feb. 28th, 1909, at three o'clock.

As the time for holding the next session of the Wilmington Conference approaches interest in the pastoral changes increases. The terms of two district Superintendents expire at this session, and speculation as to their successors is rife.

The retiring superintendents are Rev. W. G. Koons of the Eastern District, and Rev. Adam Stengle of the Salisbury district. Among those mentioned as their successors are Rev. W. L. White, of Chestertown; Rev. C. W. Prettyman, Snow Hill; Rev. Chas. A. Hill, Rev. R. K. Stephenson and Rev. S. V. Fitchard, of Wilmington, and Rev. L. E. Barrett, of Elkton. A number of important changes among the ministers are expected at the coming session.

The members of Alnut Memorial M. P. Church, Baltimore, of which Rev. J. S. Bowers is pastor, recently held a successful bazaar, at which they realized \$900 for church purposes.

The ladies and friends of Bond Chapel held a delightful supper at the home of Mr. and Mrs. C. Anthony near Pomona, Saturday. After the supper a "Cobweb Social" was indulged in and all present had a most enjoyable time. The proceeds of the supper were for the benefit of the Sunday School. A similar supper was held yesterday evening at Mr. Thos. Maslin's.

At the Fourth Quarterly Conference of St. James and Lynch M. P. Churches, held Thursday, Mr. R. C. Nicholson was elected delegate and Mr. Samuel Mann, alternate, to the next session of conference, to be held in Baltimore in April.

The trustees of the M. E. Church, Chestertown, have purchased the Presbyterian Church property in that town, and have contracted with Mr. Thompson, of Ridgely, to move the church building to their present site, same to be reconstructed as a church edifice.

The present M. E. Church building will be moved to the rear of the lot and converted into a church hall.

Farm Dwelling Destroyed

The substantial residence on Mr. George W. Hatcherson's farm, near Fairlee, was destroyed by fire on Thursday evening shortly after six o'clock, together with its contents, causing a loss estimated at \$2500, partially covered by insurance in the Kent Mutual Insurance Company for \$1600. There was no one in the house at the time the fire broke out except Mr. Snowden Thomas, who has made his home there since the removal of Mr. Hatcherson and his family to Chestertown. Mr. Dill and his wife, who keeps house, and Mr. Harvey Morris who tenants the farm, had gone away. Mr. Thomas stated that he smelled smoke for an hour or more before the blaze was discovered but could find no fire.

Mr. John E. Morris saw the fire from his home and he and his colored man rushed to the scene, and with other neighbors who responded quickly, succeeded in protecting the outbuildings. Mr. Thomas went to the home of Mr. Wm. T. Nicholson, where he is for the present. The cook stove in the kitchen was the only thing saved. Mr. Thomas secured all his clothing except his shoes. Mr. Morris had a furnished room there, and his furniture was burned. The residence was one of the most substantial farm houses in the county, and was Mr. Hatcherson's home before his removal to town. The house was struck by lightning twice during a storm years ago, and four years ago a barn on the farm was burned.

OBJECTS AND PRINCIPLES
FOR THE
Jr. O. U. A. M.

FIRST—To maintain and promote the interests of Americans and shield them from the depressing effects of unrestricted immigration; to assist them in obtaining employment and to encourage them in business.

SECOND—To provide for the creation of a fund or funds for the payment of benefits in case of sickness, disability or death of its members, to members, their legal dependents or representatives, and to issue certificates of membership for the same.

THIRD—To uphold the American Public School System, to prevent interference therewith, and to encourage the reading of the Holy Bible in the schools thereof.

FOURTH—To promote and maintain a National Orphans' Home.

We recognize the landing upon our shores of the ignorant, the vicious and the lawless of the Old World as a constant menace to our institutions, and believe that it should be viewed with alarm by the loyal and patriotic citizens of the country.

We would place a flag upon a and a Bible within every Public school-house of our land, that all might learn these to be a beacon light in every storm which may threaten our destruction.

W. H. ELLIOTT, JR., EXPERT ACCOUNTANT, who is now opening up and attending to the corporation books of the FERTILIZER CO., successors to Wilbur W. Hubbard also the books of Messrs. L. O. L. & C. who recently purchased the hardware business of the late J. K. Aldridge, desires to state he is about to start a book-keeping class for the education of young men in common sense book-keeping as well as a business method of keeping books.

Mr. Elliott would be pleased to have any person call on him for an interview at the office of FERTILIZER CO.

All young men, clerks, men running any branch of business are cordially invited.

The more j. i. n. g. the class the less the expense. All books furnished free of charge, and with business houses he will give personal attention to their particular line and coach who would attend to their books.

His a stem is double entry book-keeping, the only true and legitimate manner in which he is able to see and keep in touch with their business.

"A Suggestion."
Better keep a record of your business by a system requiring no more work than what you are doing and be able to see at a glance what progress you are making.
