

McWhorter Gray Jack MONARCH.

Will make the stand at the farm of Messrs. George Hendrickson and George Rash. He will also travel where services are needed. Monarch is a sure foot gaiter, and has a number of fine colts in his country.

WEST MORRILL, RECORD 2.22.

This is one of the handsomest stallions in Kent, and should be seen to be appreciated. His colts prove his get. He is by Walker Morrill, No. 257, 35% hands high, weighs 1150 lbs.

In The Stud for 1909 JOHN B., BY BEDWORTH, JR., Race Record 2.06.

Dem Lily B. by Alcantara, Record 2.23. JOHN B. is 8 years old April 28th, 1909, is a beautiful dark bay 15% hands high, weighs about 1100 pounds, is a handsome, a pleaser, and one of the most sensible and best disposed horses living to-day, and has to credit as fine yearlings and 2-year-old colts as there are in the State (none excepted). One of his colts, "Ho Boy," with but little training at 2 years old showed a half mile last fall at Belmont Track, Philadelphia, in 1:07.

JOHN B. is himself a fair and square trotter, and with 41 days work last season, trotted the last half of his mile in 1:11, and 3/4 in 17 seconds. John B. is a sure foalder, having 18 live colts to his credit from 25 mares.

ADVERSITY, 2.26, A Standard Bred Trotter and a Sire of Trotters. NO. 32,998. Standard Under Rule One.

Brother-in-blood to Marvelline 2.18, Ostrich 1:54 and Sired 2:21. Sire Marvelline 2.23, dam by Myrtleton 9.57, grand-dam by Thordale 1:01.1858.

Breed for size with style, action and speed. All these qualities are combined in this well-bred stallion. Adversity is bred from the two great strains of Nutwood and Red Wilkes, his sire, Marvelline 2.23, being a grandson of the famous and famous Kentucky Constable, a grand-grandson of Red Wilkes. Adversity was foaled May 6, 1886, is a solid bay with black points, about 15.5 hands high, and weighs 1250 lbs., pure trotter and lofty carriage. Made a mile in 2:29 and 1/4 in 1:16. He is a good driver himself and sires good driving horses, with straight legs for farm use.

Will make season in Kent and Queen Annes from March 20th to June 20th, 1909. TERMS—\$10 to insure, \$10 for season, \$10 for privilege, \$10 to insure, \$10 for season.

MARVEL KING, REGISTERED NO. 35781.

MARVEL KING is a brown horse, both white hind feet, stands 16.00 high. He is a horse of grand finish and plenty of substance, with a fine disposition; his blood lines are of the best as will be seen by his pedigree. MARVEL KING's sire is Marvelline 2.23, sire of 10; Marvelline's sire is Woolbrino 2.39 and grand-sire of 10; Woolbrino is by Nutwood 6.00, record 2:39, the greatest blood mare sire in the world. MARVEL KING's dam is Myrtle King, the dam of 3 in the list; Marvline 2.18, dam Mar 2.23, dam of 3 in the list; Marvline 2.24—all full sisters to Marvel King. Myrtle King's sire is Myrtleton 9.57, sire of 10; Myrtleton's sire is Woolbrino 2.39, sire of 10; Woolbrino is by Nutwood 6.00, record 2:39, the greatest blood mare sire in the world. MARVEL KING's dam is Myrtle King, the dam of 3 in the list; Marvline 2.18, dam Mar 2.23, dam of 3 in the list; Marvline 2.24—all full sisters to Marvel King. Myrtle King's sire is Myrtleton 9.57, sire of 10; Myrtleton's sire is Woolbrino 2.39, sire of 10; Woolbrino is by Nutwood 6.00, record 2:39, the greatest blood mare sire in the world.

BEDWORTH, JR., 2.06.2. HOLDS WORLD'S RECORD FOR THREE FASTEST HEATS BY A STALLION IN A RACE.

The fastest horse ever bred, raised and owned in the State of Maryland. He is a bright bay with black points. Disposition the best, very docile and fearless, 15% hands high and weighs 1600 pounds. Will make the season from March 1st to June 30th at Rose Hill Stock Farm, near Chestertown.

BOXWELL, 33788.

By Athel, who sold for \$2500 at 2-years old. Athel has 8 in the list. Boxwell's dam is Myra, who has four in the list. Boxwell's sire, Athel, is an even brother of Arion, who sold for \$125,000, and who is the sire of 44 in the list. Athel's dam is Manion, whose foals sold for \$300. Athel's sire is Electioneer, sire of 107 in the list. This is sufficient to attest the blood lines and speed quality of Boxwell. Boxwell is a blood bay, 15 hands high and weighs 1200 lbs. He is one of the finest dispositioned horses in the State, and he get have all proven very satisfactory. He has many fine and promising colts in this and Cecil counties. Boxwell will make the season in Kent and Cecil counties, taking a limited number of mares. TERMS—\$10 for season with no return privilege, \$20 to insure, \$5 for single service.

Nothing Better Than the Best

Reo IS the BEST. This Statement Admits of no Contradiction.

P. E. Cochran, District Agent, EASTON, MARYLAND, will prove this to you so conclusively that you cannot have a doubt, if you let him try.

No one desires to throw away money. We have the mathematical and mechanical causes which produce effects. These make a dollar of REO do the work of two dollars in the same grade of any other machine.

The Rapid Motor Vehicles.

These machines are made in all kinds of styles and adapted to all kinds of business service. Passenger, Freight and General Utility. They are money savers. Every feature of the Rapid is constructed with the idea of longer service intended. Thousands in use. Farmers, transportation companies, Rural Delivery service all find them tremendous money savers. Prices the lowest. Remember the Rapid is made at Pontiac, Michigan, and claims to be the largest factory in the world. Consult me now.

4992 Miles without a stop!

The REO holds the world's non-stop engine record. It shattered all previous non-stop records last April, when the spunky 2 cylinder 20 horsepower REO Roadster—a regular stock car—left the best previous 2 cylinder record 1921 miles behind, and even beat the 4-cylinder record by 88. The engine ran night and day for twelve consecutive days. This car averaged 415 miles a day and maintained an average speed of 18 miles per hour. It was the greatest reliability test in motoring history.

What is Wanted of an Automobile

First of all: to get there-and-back-again, always. Reliability is the backbone and "lived-up-to-name" for it. Second: to be able to travel all day at thirty miles an hour, and hit it up to forty when you want to. Third: to have such a reserve of power (or such splendid application of power), that grades will be comfortably and safe hills can be climbed without much loss of speed and time. Fourth: to be handy, noticeable and stiff hills can be climbed without much loss of speed and time. Fifth: to be so well constructed that the vital points don't give way at a critical moment. Sixth: to have beautiful design and finish. All these qualities are found in the REO for 1909.

Don't Miss This!

Don't miss-get-there-and-back-again. No matter what you pay for your car, get that. You can get it for \$500 or \$1000 in a REO. You can get it for \$4500 or more in a big car. But get it. Don't miss real power, the kind that levels hills. Don't mistake a lot of wasted horse-power for that. Wasted power in a motor-car is like bad temper in a man—wears it out and does nobody any good. Get real power! Don't get a car that looks better than it is, and is apt to be in the repairshop when you want to get motoring. Whatever you pay for your car, get the real thing; get motoring every day in the year, and pay what it costs. \$1000 and \$500 in a REO.

Talk is Cheap, but PROOF Convinces.

With sensible driving, repairs on a REO are next to nothing. With average driving the tires on a Reo will last from 2 to 4 years. On the Glidden Tour of 1908 under the same conditions and same days the only of the shaft driven cars averaged 6 to 7 miles per gallon of gasoline. Reo averaged nineteen and one-half. The Reo has a direct single chain drive average loss of power from motor to wheel in chain drive is less than 4 per cent average loss in most shaft drive, is 24 per cent. This average is official. It is of vital interest to the prospective purchaser to know that out of 30 starters in the memorable run from Chicago to St. Paul, through fearful rain-storms and mud, the Reo was one of only 3 cars that finished on their own wheels. Out of 58 starters from Los Angeles to Santa Barbara, the Reo made the only perfect score in its class. In the 1907 Glidden Tour the Reo beat 48 cars of double and triple its price: beat 24 cars costing \$4,000 or more, ten of them costing \$5,000 each. Was the only car of '07 that took "Four-mile 1111" near Bedford Springs on high gear.

The REO Has its Full Rated Power.

Figure the bore and stroke to see if other automobiles have the power they are rated to be. Reo's fastest record is a mile in 53 seconds, safety spark, foot accelerator for the throttle. Highest grade lamp equipment with genuine Bausch & Lomb mirror lenses in gas lamp. The Reo owner needs no chauffeur, the mechanism is simple enough to be easily adjusted by anyone. I will give free lessons how to operate on road. Ignition in detail, systematically how to locate trouble, also care of engine with proper amounts of different oil to use. This alone should restore confidence to the prospective purchaser, with the world's best record now held by the Reo and sworn to before a Notary Public. You can't get away from sworn figures. Folding wheel shields and Stewart speedometers, ball-bearings on axle and steering spindles and pins. Because of the perfect score of 1907 the Reo was chosen to pilot the contesting cars in 1908 in the Glidden Tour and came out, now holding the world's record and was chosen officially to pilot the big 4 and 6 cylinders running off the tie.

Write me to-day for Catalogue and Demonstration. Show Rooms on Harrison Street, near Railroad Avenue. P. E. COCHRAN, Easton, Md. Agents Wanted Alive to Duty.

Hidden Dangers. Nature Gives Timely Warnings That No Chestertown Citizen Can Afford to Ignore.

Danger signal no. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

Danger signal no. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here is proof in the statement of a nearby resident. Michael H. Silbersack, 1644 E. Eager St., Baltimore, Md., says: "Kidney trouble in my case was of long standing and resisted all my efforts for relief. My back was so lame that I could hardly arise after sitting for some time. Sharp pains over my left kidney made me miserable and I was also bothered by the frequent passages of the kidney secretions, being compelled to get up at night several times. The secretions were also very unnatural, contained sediment and were painful in passage. When I began using Doan's Kidney Pills, I did not have much faith in them and I was gratified when I found that they were helping me. When I had used five or six boxes, I was cured and as over a year has since passed with no return of my trouble, I gladly recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. PHONE 33 OWEN B. CROW

Millington Items.

Mr. and Mrs. Tyler, Frostburg, Md., spent part of last week with Mr. Chas. Johnson, at Preston, Md. Mrs. Rev. Ware is in a Baltimore hospital being treated for blood poisoning, caused by an injury to her thumb.

Mr. Hollins entertained a musical party at his home last Tuesday evening. Miss Helen Rasin and Miss Nettie Hackett are sick at Hotel Bailey.

Mr. Ben Dulin is quite sick at her home on Cypress street. Mr. Wood, who lives near town has been sick for sometime. He is with his daughter, Mrs. Harris.

Mrs. Wm. Porter, who has been in Baltimore, for some time, returned home last Saturday. Mrs. Ross is visiting her mother, Mrs. Racer.

Mr. Alonzo Porter is visiting his parents. Mrs. Rev. Moore is still quite sick. Mr. Moore returned to his charge last week, and was well received by his congregation.

Mr. F. Barnhart has purchased from Mr. Ben Dulin the store-room property owned by Mr. John Manning. He has placed it on the Cayo lot next to Mr. Radewski's, and will open a general store there next week.

The property owned by Mr. Jas. Orem has been greatly improved by the stables being rebuilt and the yard enclosed by a new fence.

Quite a fire was caused last week in Mr. Anthony's yard by some children playing with matches. It burnt quite a quantity of fodder, but it was extinguished by the neighbors before the arrival of the fire engine.

The mite society of the M. E. Church met at Mrs. Disharoon's last Tuesday evening. Quite a large amount was obtained for an "Easter offering," to be used as the members think best.

Miss Millie Comegys has returned to her home after a long visit to friends in Baltimore. Mr. F. C. Numbers returned from Milford last Friday.

The schools closed last Thursday for the Easter holidays. Cards are out announcing the marriage of Miss Mary Hamilton to take place in Wilmington, Del., April 17th.

She formerly resided here, and is a daughter of Mr. John Hamilton. Mr. Elwood Cumford is at Hotel Bailey. His home is in Wilmington.

The Foreign Missionary Society of the M. E. Church met at Mrs. John Newman's Wednesday last. A good attendance and an interesting meeting.

Mrs. Lees and her daughter, Mary, of Baltimore, are here for the Easter holidays. Miss Evelyn Rolph is with her parents for Easter.

Great Week in Base Ball.

Next week, Easter week, will be a great week for base ball at Washington College. Three games will be played on Monday the great team from Manhattan College, New York, will be here for a game, and it will be a corker; on Tuesday, the 13th, the opponents of the college will be the strong Gettysburg team from Gettysburg, Pa., and on Saturday, the 17th, the Gallaudet deaf mutes will be here. These three games will be among the best ever seen here, and Manager W. Raymond Moody, of Washington College, is to be congratulated upon his success in securing such fine teams to do battle with the college team. The public should encourage the college boys by their presence at these games, and we are sure that Manager Moody will do everything in his power to further the interests of the game.

INDIGESTION ENDS. Misery From Your Disordered Stomach Goes In Five Minutes.

You can eat anything your stomach craves for without fear of a case of indigestion or dyspepsia, or that your food will ferment or sour on your stomach if you occasionally take a little Diapiesin after eating.

Your meals will taste good and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which cause Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Biliousness, Heartburn, Water brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leave nothing to ferment or sour.

NEW MEAT MARKET

How To Gain Flesh

Persons have been known to gain a pound a day by taking an ounce of Scott's Emulsion. It is strange, but it often happens. Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking
