MILLINERY. MILLINERY!

Our present display is worthy of the most fastidious, whom we can find will please in beauty, quality and style. Difficulty of judging actual value makes it easy for those who depend on high prices to put on large profits and while money is often willingly paid for a beautiful hat, or bonnet it is no excuse for asking exorbitant prices. The ever-increasing popularity of this department, proves appreciation of our policy of selling millinery on the same moderate basis of profit as other goods. Call and be convinced.

Cure Your Kidneys.

No Need to Take Any Further Risks.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?
Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work. If you have any, even one, of the symptoms of kidney disease, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Can Chestertown residents demand more convincing proof than the following:
William Robinson, oyster dealer, of Smyrna, Del., says: "I suffered from disordered kidneys for four years. It began with a severe backache which bothered me a great deal and later, the kidney secretions became irregular in passage. The doctor stated I had inflammation of the bladder but medicine failed to give me any relief until I procured Doan's Kidney Pills. After using this remedy a short time I was almost entirely well. From the results received from Doan's Kidney Pills, I am pleased to recommend them."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

Our Shoes Are in a Class by Themselves.

I don't mean by that that there are no other good shoes, but I do mean that the time, care and workmanship, combined with first-quality materials that are put into every shoe I have in the house produces a shoe that is distinctly in a class by itself, a class whose quality reigns—where you escape the torture of treading in—a class where your dollar buys 100 cents worth of value.
