MILLINERY.

MILLINERY!

Our present display is worthy of the most fastidious, whom we can and will please in beauty, quality and style. Difficulty of judging actual value makes it easy for those who depend on high prices to put on large profits and while money is often willingly paid for a beautiful hat, or bonnet it is no excuse for asking exhorbitant prices. The ever-increasing popularity of this department, proves appreciation of our policy of selling millinery on the same moderate basis of profit as other goods. Call and be convinced.

Why it Succeeds.

Because it's for One Thing Only, and Chestertown People Appreciate this.

Nothing can be good for everything.
Doing one thing well brings success.
Doan's Kidney Pills do one thing only.
They cure sick kidneys.
They cure backache, every kidney ill.
Here is Chertertown evidence to prove it.

Walter D. Needles, High St., Chestertown, Md., says: "I have used Doan's Kidney Pills and found them very satisfactory. Two years ago my kidneys became disordered and I suffered terribly from backache especially during the winter. Finally I happened to read of Doan's Kidney Pills and how they were curing others similarly afflicted and I was induced to get a box at Toulson's drug store. After using them a short time I was completely cured and have had no return of the complaint. I do not hesitate to recommend Doan's Kidney Pills to those who are in need of a kidney remedy."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

NEW LINE MAY BEGIN MAY 6.

Chesapeake Tributaries Co., it is Said, is Assured Support.

Mr. Adolph F. Decker is arranging to put the Chesapeake Tributaries Transportation Company in operation on May 6.

The company, which is a new one, will make a modest start, but its backers have assurance of support in the sections on the Eastern Shore it proposes to reach and from Baltimore merchants.

The boat now being perpared is of a special type, propelled by gasoline engines, with speed of nine miles per hour. These boats will haul freight, exclusively, and be equipped with loading machinery. The company has secured wharves in Chester river and in Baltimore. It has already secured contracts from many shippers. It will have a boat in Chester river daily. The boats will leave Crumpton about 6 P. M. and arrive in Baltimore about 4 A. M. This will be in time for market. There is also a movement on in the Chester river which will give it additional landings if needed. The craft is so equipped, however, that permanent wharves will not be necessary to take on freight.

*†*An alarm of fire was sounded Thursday afternoon. The trouble was at the large factory of Davis & Satterfield, where the sparks were seen issuing from the roof of the blacksmith shop. The fire company and the extinguisher brigade responded to the alarm very quickly and a good stream of water saved the buildings from any damage. The sparks are supposed to have gotten through the chimney from one of the bellows.

It is unnecessary to lose any of the young chicks at this season. The regular use of Fairfields Blood Tonic for Poultry Only will purify their digestion and insure healthy and rapid growth. Results are guaranteed when directions are carefully followed.

When a horse's digestion is perfect, all the food given him is converted into muscle, flesh and energy. Winter feeds impair the digestion and make the blood impure, but Fairfield's Blood Tonic for Horses Only perfects the digestion, purifies the blood and exterminates worms.

The dried foods of winter play havoc with the digestive organs of your horse and fill his system with impurities that often break out in skin disorders in the spring. Fairfield's Blood Tonic for Horses Only puts him in condition by purifying his blood and perfecting digestion.

The "growing" period of any farm animal may be made much shorter by the regular use of Fairfields Blood Tonic. The Fairfield Blood Tonics perfect digestion, purify the blood and hasten development rapidly. A separate preparation is compounded for each kind of animal.

'Our Shoes Are in a Class by Themselves.'

I don't mean by that that there are no other good shoes, but I do mean that the time, care and workmanship, combined with first-quality materials that are put into every shoe I have in the house produces a shoe that is distinctly in a class by itself, a class whose quality reigns—where you escape the torture of breaking in—a class where your dollar buys 100 cents worth of value.

Our Policy.

To sell shoes which will wear and bring the customer back for another pair. Have you given us a trial? If not, now is the accepted time.
