LOCAL MATTERS.

NEWSY BRIEFS.

*They will cost about \$3.25.
*Villa Nova, 10, Washington College, 2.
*Washington College team is away on an extended trip this week.
*Lewis Blake, a well-known colored man, was paralyzed one day this week. His condition is serious.

*The Pennsylvania is building a siding near the station in the direction of James M. E. Church.
*A prominent lady in Chestertown sold the remainder of her wheat crop on Tuesday for \$1.35 per bushel.

*Dr. M. Bates Stephens, State Superintendent of Education, was in Chestertown on Wednesday on a tour of inspection.
*A number of farmers are apprehensive about the wheat crop this year. They fear it has been injured by the heavy frosts recently.

*Trainer Malleu, of Queen Annes, is training some fine horses on Rose Hill track. His little roan pacer is a beauty and very speedy.
*Sheriff Hadaway and Town Officer Getchel took seven prisoners over yesterday—five to the Penitentiary and two to the House of Correction.

*The Rich Neck Farmers' Club was delightfully entertained on Thursday at the home of Mr. and Mrs. Chas. H. Jefferson, in Queen Annes.
*The first shipment of asparagus to city markets was made by several of our growers this week. The price received was 35 cents per bushel.

*Mr. Wilbur W. Hubbard, we understand, will begin the improvement of his recently purchased property, on Front street about the middle of the month.
*The Junior Normal Class of Washington College will give the Seniors a complimentary trip to Baltimore, with luncheon at the Belvedere today. Now that's going some.

*The Board of Town Commissioners reorganized last Monday evening. Mr. Wm. T. Dwyer, the new member, was sworn in. Mr. Wm. S. Carroll was re-elected Mayor, and Mr. Thos. S. Bordley Clerk.

*Mr. W. L. Fowler and a force of workmen are painting the new pavilion and the Hotel at Tolchester. Other buildings are also being painted, and the Beach will look extremely attractive when the season opens.
*Mr. Owen C. Smith, brother of Mr. Chas. S. Smith, is having built at Todd's wharves in St. Michael's a canoe launch with six horse power Bauers engine. The boat is 35 ft. by 8 ft., fitted with cabin, and will make Mr. Smith a swift and roomy pleasure boat.

*The statement of the Second National Bank, of Chestertown, appears in another column. It is the best statement for this season of the year ever shown by the bank, and proves the general condition of the bank to be at the "top notch."

*A colored man was arrested by deputy Sheriff Lockerman at 3 o'clock Wednesday morning charged with stealing a carriage from Mr. Walter T. Morris and a horse from Mr. Wilbur Morris. The negro returned the team about three o'clock, when he was nabbed by the officer.

*A gentleman was in Chestertown on Thursday showing a new kind of harness which prevents the jolting of carriages and also accidents by runaway. An arrangement of snap bits makes it easy to unhitch the harness from your position in the wagon. It is a serviceable device.
*Letters testamentary upon the estate of the late Samuel Loller were granted by the Orphan's Court on Tuesday to his son, Mr. Samuel C. Loller, who is named as the administrator. Dr. James Roy Micou also took out letters of administration upon the estate of his wife. He was appointed administrator.

*The Town Commissioners started the street sprinkler yesterday. Now, it is utterly impossible for this one sprinkler to reach all parts of the town, but the commissioners are doing their very best they can. Don't complain. The Transcript would suggest, however, that the town purchase an additional sprinkler. It would be money well invested, and we believe the people would approve of it heartily. Either do this, or get a sprinkler that will do the work in half the time that it takes the old one to do it.

A Splendid Entertainment.

That Chestertown has as fine dramatic and musical talent as can be found in any town in the State was demonstrated on Tuesday and Wednesday evenings in Stann's Hall by the rendition of "Bi-Bi," a beautiful Comedy of Toys. The performance was all the more remarkable when it is considered that the entire affair was gotten up in one week, and was so excellently well performed as to reflect great credit upon Miss E. June Breimeier, the trainer. Mrs. Hope H. Barroll, Mrs. David B. Ford, Mrs. Charles E. Twilley, Miss Addie and Eva Hurlock, and others who did so much to make it a success. Space forbids a generalization of any single character, but it is sufficient to say that the characters in the play and drills were splendid, and from the youngest fairy to the oldest doll, every part was rendered with skill and grace. Miss Breimeier proved her great skill as an organizer and trainer, and the immense audiences which greeted each performance were enthusiastic in their appreciation of the play. Every detail of the most beautiful features of the performance was the costuming for the play and drills, which added so much to the interest of the play. Every character was appropriately costumed, and the little fairies, school children, frog, cat, dog, jumping jacks, paper dollies and all were just the thing. The following is the

The largest and most representative audiences seen in the hall for years greeted each performance, people from all parts of the county and from Queen Annes being present to enjoy the fun. This is a striking indication of the interest which the people of the community and town have in the great work which the Ladies Improvement Association is doing for the development of the town. About 250 people were in each audience, and a goodly number attended the matinee on Wednesday afternoon. The supper on Thursday evening was also a charming success, and was splendidly served. The entire affair was a great success financially, and a good sum was added to the improvement fund treasury.

The total receipts for the three nights were about \$350. Mrs. H. S. Barnett was chairman of the lemonade table, Mrs. J. E. Ferguson, and Hydie Thompson had charge of the ice cream and Mrs. J. D. Welch and Mrs. Hughes had charge of the cake. The rummage sale will take place the last week in this month. Wait for it, and work for it. The Ladies Improvement Association is asked to meet at the home of Mrs. Barroll this afternoon at 3 p.m. A full attendance is requested.

Attractive Reductions

STEIFF'S Sterling Silverware.

The prices continue as low as at the start. Discounts amounting to from 10 per cent. to 33 1/2 per cent. off are allowed on all our Sterling Ware. Not out-of-style ware, nor of inferior design, but Steiff's Sterling Ware. Recognized everywhere as standard.

The continuance of the phenomenally low price silver bullion is the reason why we can still afford to discount our already low prices. Always lower than elsewhere because we, being large manufacturers, save the retailers' profits, and because we are inexpensively located.

That the public appreciates the importance of this opportunity is proved by the numbers who come to the store these days.

When the expected rise in the price of raw silver occurs our discounts must of necessity cease. To avoid disappointment, we therefore urge prompt purchasing.

The Steiff principle of selling all Sterling Ware by weight is followed in this sale. That this is the most satisfactory way to sell is appreciated by all our patrons, new and old.

Steiff's Rose Pattern Tea Spoons, now per half dozen (net) \$6.00.

One dozen Steiff's Sterling Silver, Rose Pattern Breakfast Forks, made in the Steiff factory (net) \$20.00.

One dozen Steiff's Sterling Silver, Rose Pattern Butter Spreads, made in our own factory (net) \$15.00.

One dozen Steiff's Sterling Silver Handles, Plated Blades Breakfast Knives (net) \$22.50.

Steiff's Mail Order Department

is a great convenience to our out-of-town patrons and those who for any reason are unable to come to the store. To all who request it we will send the Steiff catalog, giving prices and names of our stock. We will also make suggestions for purchases of gifts for all occasions.

If amount desired to be spent is stated, we will make careful selection, or send an assortment of articles on approval to persons known to us, or to those making themselves known by satisfactory references. No charge is made for this service.

Steiff's Repair Department

gives best service at lowest cost. Repairing, re-finishing and re-plating of all articles of sterling silver, white metal, nickel silver, etc., attended to promptly and factually by our expert artisans. We give the same painstaking care to the smallest article from hotel, restaurant, steamboat or institution.

How is Your Eyesight?

THIS IS AN AGE OF SPECIALTIES.

The eye is too delicate an organ of our body to trust to any one who is not a specialist of eye sight. Your family physician, who is an honest and conscientious man, but who has not specialized on the eye, will not undertake to examine your eyes and prescribe glasses, not because he thinks it a minor detail, but because he knows what the eye is. This same physician who has spent years in college and knows the anatomy of the eye thoroughly does not undertake to prescribe glasses, but refers you to a specialist, while we have hundreds of jewelers who have never seen the inside of any medical or optometrical school, who will not hesitate to sell you a pair of "Spectacles" regardless of the physiological condition of the eyes. If you suffer with headaches or nervousness do not hesitate to see

Dr. David Block, EYESIGHT SPECIALIST.

I am a graduate of the Northern Illinois College of Optology and Otology with good practical experience. I have specialized on the eye

and will give you the benefit of my profession by examining your eyes FREE OF CHARGE. I straighten cross-eyes without the use of knife or drugs. My prices are reasonable and I will not tell you to get glasses when I find you can not be benefited by them. I have opened an office in Chestertown, in the Shaw Building, next door to Mr. Hope H. Barroll's law office, where I will await your patronage. Phone or see me personally and I will call at your house if desired.

Respectfully

Dr. David Block.

Will be in Rock Hall Wednesday, May 12, 1909.
